Moved by Trustee Heitman and seconded by Clerk Vorva to approve the Consent Agenda for the Board of Trustees regular meeting of January 23, 2018. Ayes all.

E. PUBLIC COMMENTS AND QUESTIONS

Resident Kenneth McCormick registered his objections regarding the establishment of the 1% administrative fee on property taxes and requested that the Board rescind the previously approved resolution.

F. NEW BUSINESS

1. Five Mile Road Property Potential Buyer Update – Steve Gordon

Steve Gordon, President, and Dave Green, Principal, Signature Associates, reviewed information regarding the one qualified developer/buyer, Hillside Investments, generated by their marketing process. They reported on their wide marketing efforts and the status of the market for undeveloped land having a small pool of developers willing to commit 10 or 15 years to a project. They indicated Hillside Investments is interested in making a presentation to the Board regarding their qualifications and intentions.

Gary Roberts, consultant for the Township on the Five Mile project, also spoke regarding the progress in developing the area. He advocated for bringing the process along and adding available lots to the market.

Supervisor Heise said he hoped to invite Hillside Investments to the next meeting, along with Gary Roberts and representation from Wayne County and, possibly, WTUA.

Copies of the resolutions referred to below are available in the Clerk's office for public perusal.

2. Public Hearing (Second) – 2018 Community Development Block Grant Program, **Resolution #2018-01-23-01** - Sarah Visel, Solid Waste Coordinator

Moved by Trustee Heitman and seconded by Clerk Vorva to open the public hearing on the 2018 Community Development Block Grant Program at 7:46 p.m. Ayes all.

**CHARTER TOWNSHIP OF PLYMOUTH
BOARD OF TRUSTEES
REGULAR MEETING
TUESDAY, JANUARY 23, 2018**

PROPOSED MINUTES

Sarah Visel, Solid Waste & Public Service Coordinator, answered questions from the Board regarding the allocation, especially plans for the rehabilitation and improvements at the park facilities to make them ADA compliant.

There being no comment from the public it was moved by Trustee Heitman and seconded by Clerk Vorva to close the public hearing regarding the 2018 Community Development Block Grant Program at 7:51 p.m. Ayes all on a roll call vote.

Moved by Clerk Vorva and seconded by Trustee Heitman to approve the expenditure of the 2018 Community Development Block Grant funds as specified in the 2018 allocation table, **Resolution #2108-01-23-01**. Ayes all on a roll call vote.

7. Request for Board Action, Engagement Letter with Plante Moran for 2017 Audit – Clerk Vorva

Moved by Clerk Vorva and seconded by Treasurer Clinton to authorize the Supervisor to sign the attached agreement with Plante-Moran for 2017 Audit Services. Ayes all on a roll call vote.

3. Annual Right of Way Agreements with Wayne County, **Resolution #2018-01-23-02** - Patrick Fellrath, Director of Public Services

Moved by Clerk Vorva and seconded by Trustee Dempsey to approve **Resolution #2018-01-23-02**, authorizing execution of the Annual Maintenance Permit, Annual Pavement Restoration Permit, Annual Street Sweeping Permit and Annual Special Events Permit with Wayne County to allow the Township to work within the Wayne County Road Right-of-Ways with the inclusion of a cover letter reserving the Township's right to challenge the indemnification provisions as beyond the authority of the Township. Ayes all on a roll call vote.

4. Annual Michigan Department of Transportation (MDOT) Right-of-Way Permit, **Resolution #2018-01-23-03** - Patrick Fellrath, Director of Public Services

Moved by Clerk Vorva and seconded by Trustee Dempsey to approve **Resolution #2018-01-23-03** and authorize the signature of same with a cover letter to be sent reserving the Township's right to challenge the indemnification provisions of the Permit as beyond the authority of the Township. Ayes all on a roll call vote.

5. Purchase of 2018 Ford F-150 Pick-Up Truck for DPW Foreman, **Resolution #2018-01-23-04** – Patrick Fellrath, Director of Public Services

**CHARTER TOWNSHIP OF PLYMOUTH
BOARD OF TRUSTEES
REGULAR MEETING
TUESDAY, JANUARY 23, 2018**

PROPOSED MINUTES

Mr. Fellrath answered questions regarding the need for a pickup truck as the replacement for the 2009 Ford Escape currently assigned to the DPW Foreman, citing lack of room for transporting tools and the need for extensive repairs. The vehicle will be marked and taxed for personal use in accordance with IRS regulations as it is driven home by the foreman so he may respond to off-hour emergencies.

Moved by Trustee Curmi and seconded by Clerk Vorva to approve the purchase of a 2018 Ford 150 pickup truck from Signature Ford Lincoln in the amount of \$29,148.00 per the attached quote and specifications for use by the DPW Foreman, **Resolution #2018-01-23-04**.

ROLL CALL:	AYES:	Curmi, Vorva, Clinton, Dempsey, Doroshewitz, Heise
	NAYS:	Heitman

Motion carried.

6. Request to Pursue Application for Historical Marker – Trustee Dempsey

Trustee Dempsey explained that only the expenditure of the \$250 application fee would involve public funds. Private funds will be raised to cover the \$3,900 cost of the actual marker, and he may be contacted by anyone wishing to donate or help with the process. He indicated that the staff at the Plymouth District Library is willing to help with the application process.

Moved by Trustee Dempsey and seconded by Clerk Vorva to approve the Township's application for a Michigan Historical Marker, to authorize the Supervisor to sign the application, and to authorize payment of the \$250 application fee; funding to come from general fund/recreation. Ayes all on a roll call vote.

8. Request for Board Action – Agreement denying collection of late filing fees for Property Transfer Affidavits, **Resolution #2018-01-23-05** – Clerk Vorva

Doug Shaw of Wayne County Assessing answered questions from the Board regarding the intent to waive the late filing fees for Property Transfer Affidavits and the requirement of the State Tax Commission for this waiver if the Township is not collecting the fees.

Moved by Clerk Vorva and seconded by Trustee Heitman to approve **Resolution #2018-01-23-05**, waiving the penalties for failure to file the Property Transfer

**CHARTER TOWNSHIP OF PLYMOUTH
BOARD OF TRUSTEES
REGULAR MEETING
TUESDAY, JANUARY 23, 2018**

PROPOSED MINUTES

Affidavits with the Assessing Office within the prescribed 45-day timeline. Ayes all on a roll call vote.

9. Golf Course Committee Update – Supervisor Heise

Supervisor Heise received verbal concurrence for formation of the creation of an ad-hoc Golf Course Study Committee to make non-binding recommendations to the Board on the future of Hilltop Golf Course, the relationship with Billy Casper Golf, and options for repurposing of the golf course if that is recommended. He hopes to have the committee begin in February with final recommendations by May 1. All meetings of the committee should comply with the Open Meetings Act.

His recommendations for membership are: Jack Dempsey, Bob Doroshewitz, Andrew Malm, Jason Winters, Joanne Lamar, Chris Hunter, and Robert McCurdy.

G. SUPERVISOR AND TRUSTEE COMMENTS

Supervisor Heise updated members on what he hoped to have on the agenda for the next Board meeting on February 13. He also reviewed the work being done with Comcast and WOW to have the Board meetings on cable.

Trustee Curmi asked for reports from the Fire Department on collections for emergencies, specifically as it relates to the cost recovery ordinance.

H. PUBLIC COMMENTS AND QUESTIONS

I. ADJOURNMENT

Moved by Trustee Heitman and seconded by Clerk Vorva to adjourn the meeting at 8:40 p.m. Ayes all.

Jerry Vorva, Township Clerk

RE: Southwest Corner Five Mile Rd and Ridge Rd, Plymouth Twp.

Dear Plymouth Twp. Board Members,

We are very excited to present on February 13th our recommendation for a buyer of the 133.12 acres owned by Plymouth Twp. located on the SWC of Five Mile and Ridge Roads. At the meeting, Hillside Investments will present their vision and plan of development for the property.

Please find enclosed for your review, Hillside's:

- Letter of Intent
- Background information on their company

They will be available to present and answer any questions the Board may have pertinent to the transaction.

Sincerely,

SIGNATURE ASSOCIATES

Steven G. Gordon
President

+/- 71.00 Developable Acres Located at the Southwest intersection of Five Mile and Ridge Roads, Plymouth Township, MI

Mr. Gordon,

Based upon our visits to the Property, and the information that we have received to date describing the above referenced property, we are prepared to make an offer of \$3,550,000 for acquisition of the +/- 71.00 acre site, commonly located at the Southwest intersection of Ridge and Five Mile Roads, Plymouth Township, MI.

The Purchase Agreement should include those terms and conditions that are standard and normal for a property of this nature / location and must include those representations that may be reasonably requested.

These will include, generally speaking:

- Receipt of
 - Existing plans
 - Certified architectural / engineering surveys including soils studies and environmental reports
 - Zoning Reports / Information
- Adequate representation regarding "known" environmental conditions;
- Inclusion of the site in Michigan Brownfield Redevelopment Program and all tax / development benefits where applicable;
- Provision of / access to all pertinent utilities / infrastructure;
 - We, the Buyer, are to be responsible to extend water and sanitary services to the property boundaries, and the cost to do such work shall be deducted from the purchase price
 - We, the Buyer, are to be responsible to reconstruct Ridge Road, from Haylard north to Five Mile, as a Class A roadway, and cost to do such work shall be deducted from the purchase price
 - We understand the need and desire for a small parking area and linear park along the Johnson Creek and will be responsible for constructing it.
- Standard form policy of title insurance, without exceptions, including standard exceptions;

November 27, 2017
Page 2 of 2

Due Diligence period shall not exceed 120 days from signing of the Purchase Agreement, receipt of all applicable materials, and finalization of utilities / development approvals. Closing will occur not later than 30 days after completion of final Due Diligence.

Upon execution of an acceptable Purchase and Sale Agreement, we are prepared to deposit with our attorney the amount of \$50,000 to evidence our good faith, and an additional \$150,000 at the completion of final Due Diligence, both of which will become non-refundable at that time.

The above is intended to outline the essential terms of our proposal. We appreciate anything you can do to provide us with a response not later than Friday, December 1, 2017.

I look forward to hearing from you.

Very truly yours,

David Hardin

Hillside-Investments Summary

A brief summary of our experience in Plymouth Township

Dembs Roth

The Dembs Roth group of companies was founded in 1968 by Dennis Dembs and Michael Roth. Since its inception, the company has built over 15,000,000 square feet of industrial, commercial, and retail properties in 16 states, ranging in size from 10,000 square feet to 300,000 square feet. The Dembs Roth group also owns and manages more than 133 industrial and commercial buildings located across southeast Michigan, as well as 75 retail strip centers and free-standing properties located across 10 states.

Hillside Investments

Hillside-Investments is a full-service, premier real estate investment company forged from the successors of Dembs Roth and the Osprey Companies. The Hillside-Investments team represents three generations of professional experience in commercial real estate. Throughout our history, we have acquired more than one billion dollars worth of commercial real estate assets across sixteen states with a total footprint that exceeds twenty million square feet. At Hillside Investments, we carefully target appropriate product type, unit mix, and architectural design acquiring properties of the highest quality meeting our customer demands. Our success is rooted in our ability to review underwriting variables while continually refining the investment model. Reputation is at the core of our values, and Hillside-Investments prides itself on its flawless and respected reputation. With extensive internal resources and a commitment to excellence, Hillside-Investments has an unparalleled ability to capitalize on investment opportunities. Complete transparency, dedication, and professionalism in our investments are guaranteed to maximize our investors' real estate experiences.

NEW BUSINESS
RECREATION MASTER PLAN
*BOARD INPUT***

**Plymouth Community
Public Workshop**

**Joint Parks + Recreation Master Plan
January 29, 2018**

GOALS FOR TODAY

- Raise awareness that the City and Township are working together to develop a Joint Plymouth Community Parks + Recreation Master Plan 2018-2022.
- Gather input as to what you think the City and Township should focus on over the next 5 years.

AGENDA

- Introductions
- Review Agenda
- Brief Overview of Master Plan Process
- Small Groups (brainstorm desires related to facilities, programs, events, maintenance, etc.)
- Report Back to Large Group
- Use 3 stickers to Distinguish Top Priorities

OVERVIEW

The City and Township are beginning the process of creating a Joint 5-Year Master Plan and are looking to solicit input related to community priorities for parks and programming for the next five years. The Township and City are developing a Plan for a number of reasons:

- to gather Input and identify needs and priorities
- to remain eligible for grant funding from the Michigan Department of Natural Resources
- to improve facilities and programs
- to continue to explore how to best serve the Plymouth community together
- to serve as a guide during the annual budgeting process

The Master Plan, and the process we take to develop the Master Plan, does not solve all the issues and concerns but it does help to identify and document them for further consideration over the next five years.

MILESTONES

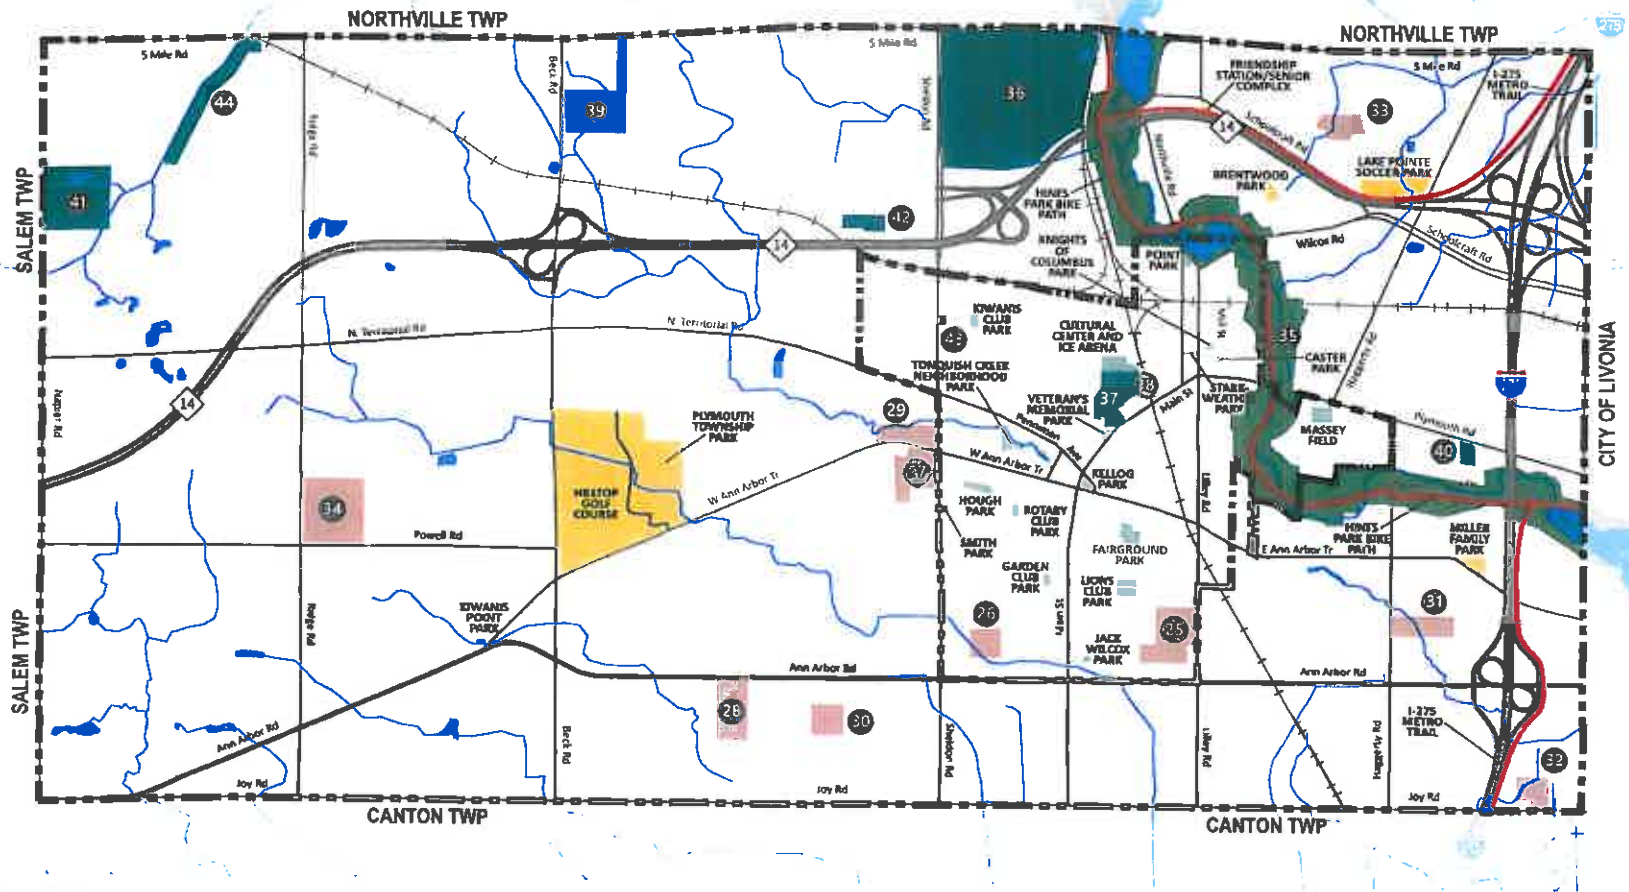

Background Studies/Inventory	December – January
Outreach + Input	September – February
Telephone Survey	September 2017
Public Workshops	January 29 th (1:00pm and 6:30pm)
Online Questionnaire	Open until February 8 th

Public Hearing	May
City and Township Adopt	May

**ONLINE
QUESTIONNAIRE**

We have posted a **recreation master plan online questionnaire** to both the City website and Township website – with more than 300 completed so far! We will be using the results as another piece of input to help inform the 5-Year Plan. It would be appreciated if you could help us spread the word and encourage folks that couldn't attend today to provide their input to us. Open until February 8th. www.ci.plymouth.mi.us and www.plymouthtp.org.

Plymouth Community Cultural Center + Ice Arena

Owner: City of Plymouth

Approx. Acres: 4.23ac

MDNR Accessibility Rating: —

The Plymouth Community Cultural Center is the City's only indoor recreation facility, located on 4.23 acres north of the privately held Plymouth Arts and Recreation Center (PARC). The Plymouth Cultural Center offers a wide variety of recreation opportunities including the NHL-sized geo-thermal Ice Arena used by organized hockey leagues and teams as well as for figure skating and open skating. Related facilities include a concession stand, 2 large locker rooms, 4 small locker rooms, zamboni storage garage, equipment rooms, and an ADA accessible viewing area of the rink.

In 2010, the City of Plymouth Commission authorized the removal of the original 1971 ice arena compressor / boiler heating system with a geothermal based ice refrigeration plant and heat reclamation system. The geo-thermal system has significantly reduced utility and maintenance costs.

In 2012, the meeting and banquet rooms were updated. The large banquet room can accommodate up to 180 people and includes a stage. Meeting rooms that accommodate up to 50 people are also available for smaller meetings and seminars. The banquet and meeting rooms are complimented by full kitchen facilities. At regular times throughout the year, the Cultural Center's meeting rooms are utilized by the Rotary Club of Plymouth, Plymouth Community Council on Aging, Plymouth Canton Hockey Association, Plymouth Figure Skating Club, JC Auction Services, Western Suburban Soccer League, and various recreation classes.

Other features at the Cultural Center include lounge areas, indoor bathrooms, vending machines, outdoor picnic tables, outdoor benches, outdoor shuffleboard, and bike rack.

Don Massey Field

Owner: City of Plymouth

Approx. Acres: 2.8 ac

MDNR Accessibility Rating: —

This community park is located on Plymouth Road in the eastern portion of the City. Don Massey Field is on approximately 2.8-acres on the east side of the City adjacent to the 35th District Court and Riverside Cemetery. The City's largest baseball/softball field accounts for the sole recreation facility and the majority of the property at the park. The outfield is used for U-7/U-8 soccer fields. The baseball/softball field features a two-story press box building, batting cage, bleachers, covered dugouts, electronic scoreboard, outdoor lighting and a drinking fountain. Additionally, a paved parking area serves the park.

Knights of Columbus Park

Owner: City of Plymouth

Approx. Acres: — ac

MDNR Accessibility Rating: —

Knights of Columbus Park is a one-half acre neighborhood park located at the corner of Spring Street and Holbrook Avenue in the northeastern portion of the City. The primary recreation facilities at the Knights of Columbus Park include two playgrounds and a picnic shelter. The 5-12 year old play-structure and the picnic shelter are the two newest facilities at the park. The second older playground is designed for use by smaller children. The park also features two picnic tables, a bike rack, trash receptacles, and brick pathways.

Fairground Park

Owner: City of Plymouth

Approx. Acres: _ ac

MDNR Accessibility Rating: _

Fairground Park accommodates a variety of recreation facilities including a sand volleyball court, a basketball hoop with concrete playing area, a playground, a baseball field and a soccer field. It is important to note that the soccer field and baseball field are not regulation size and share the same undefined playing area in the eastern half of the park. A small sledding hill for use by small children is in the northern portion of the park. Additional amenities at the park include picnic tables, trash receptacles and outdoor lighting. The Fairground Park Association donates money toward improvements and assists with clean up.

Garden Club Park

Owner: City of Plymouth

Approx. Acres: _ ac

MDNR Accessibility Rating: _

Garden Club Park is located on a 0.66-acre parcel along Forest Avenue between Carol and Sutherland Avenues. This neighborhood park provides recreation opportunities for the neighborhoods located in the southwestern portion of the City of Plymouth.

Although it is a small park, several recreation facilities are found including one softball field (12 and under), a mini soccer field with two goals, a playground and a picnic shelter. In addition to the primary facilities, the park features benches, a bike rack, tire swing, swing set, picnic tables, a drinking fountain and trash receptacles. The park is also served by outdoor lighting.

Kiwanis Club Park

Owner: City of Plymouth

Approx. Acres: — ac

MDNR Accessibility Rating: —

Kiwanis Club Park is a small neighborhood park found in the City's northwest corner. The 0.77-acre park is located along the east side of Auburn Avenue between Junction Avenue and Farmer Street.

Facilities at the park include a softball field for children 12 years and under and two soccer goals (not a full soccer field). With funds from Wayne County, the City and the Kiwanis Club, the pavilion was re-roofed and new play equipment and walkways were added. Additional park amenities include picnic tables, bike rack, drinking fountain, dog waste station, and trash receptacles.

Smith Park

Owner: City of Plymouth

Approx. Acres: 0.37 ac

MDNR Accessibility Rating: —

Smith Park (0.37-acres) is located at the end of Elm Avenue, near Sheldon Road along the western edge of the City. Although the main access to the park is from Elm Avenue, pedestrians can access the park from the Sheldon Road side. Smith Park features a playground area with a swing set, slide and other play pieces. A shelter with a picnic table is another main feature at the park and is extremely popular during summer months. Park benches, drinking fountain (people and dogs), dog waste station and trash receptacles are additional amenities.

Rotary Club Park

Owner: City of Plymouth

Approx. Acres: 0.71 ac

MDNR Accessibility Rating: —

Classified as a neighborhood park, Rotary Club Park occupies 0.71 acres of land at the intersection of Wing Street and Herald Street, southwest of downtown.

Rotary Club Park includes open space areas and an active recreation area including a playground and a shelter with picnic tables. Additional facilities at the park include benches, dog waste station and trash receptacles.

Jack Wilcox Park

Owner: City of Plymouth

Approx. Acres: 0.28 ac

MDNR Accessibility Rating: —

Jack Wilcox Park is a 0.28-acre park in the southern portion of the City at the corner of Dewey Avenue and Byron Avenue. This park features several recreation amenities including two playground structures and a shelter. Other features include benches, picnic tables, a grill, a drinking fountain (people and dogs), dog waste station and brick pathways.

Kellogg Park

Owner: City of Plymouth

Approx. Acres: 1.14 ac

MDNR Accessibility Rating: —

With its central location in the heart of Downtown Plymouth, Kellogg Park is one of the City's most visible and busiest parks and community spaces. Kellogg Park includes a central water feature, drinking fountains, benches, trash receptacles and brick walkways. The park is most commonly utilized as a gathering, eating, people watching and resting spot for visitors and patrons of Plymouth's Central Business District. Many festivals and events are held at the park throughout the year including Art in the Park, Plymouth Fall Festival, Plymouth Ice Festival, Music in the Park Concerts, and private weddings.

Caster Park

Owner: City of Plymouth

Approx. Acres: 0.42 ac

MDNR Accessibility Rating: —

Caster Park is located near the corner of Farmer Street and Holbrook Avenue in the northeastern portion of the City. This 0.42 acre mini-park is in close proximity to two other City parks: Starkweather Park and Knights of Columbus Park. Caster Park includes a gazebo, benches and walkways connecting to Holbrook Street and the Starkweather Lofts.

Lion's Club Park

Owner: City of Plymouth

Approx. Acres: 2.15 ac

MDNR Accessibility Rating: —

Lions Club Park is a 2.15-acre neighborhood park located along Burroughs Avenue between Coolidge Street and Harding Avenue in the southeastern corner of Plymouth.

Lion's Club Park is comprised of two segments, divided by Burroughs Avenue. The parkland on the north side of Burroughs Avenue is undeveloped and maintained as natural open space along Tonquish Creek. The park's active recreation facilities are found on the south side of Burroughs Avenue including a large shelter with picnic tables, a playground area, grill, swing sets, benches, dog waste station, trash receptacles and outdoor lighting.

Point Park

Owner: City of Plymouth

Approx. Acres: 0.67 ac

MDNR Accessibility Rating: —

Point Park is a triangle shaped open space located in the northern portion of the City near Wilcox Lake at Starkweather Avenue and Mill Street. Point Park serves as an entryway to the northern portion of the City from Plymouth Township. Point Park does not include active recreation facilities. The park contains a central landscaping feature with shrubs that are shaped to spell "Plymouth," a flag pole, benches, paved walkways and outdoor lighting.

Starkweather Park

Owner: City of Plymouth

Approx. Acres: 0.24 ac

MDNR Accessibility Rating: —

Starkweather Park is a small, 0.24-acre park on the north side of Caster Avenue between Starkweather Avenue and Mill Street in the northeastern corner of Plymouth. Facilities in the park include a gazebo, benches, dog waste station, landscaping beds, trash receptacles, brick walkways and outdoor lighting. The park is sometimes used as a location for private weddings.

Veteran's Memorial Park

Owner: City of Plymouth

Approx. Acres: 0.75 ac

MDNR Accessibility Rating: —

Veteran's Memorial Park is located at the intersection of Main Street and Church Street, just south of the PARC facility in the center of Plymouth. The park includes open spaces, paved sidewalks and landscaping features. The park also features long-standing stone walls at its entrances and perimeter. The centerpiece of the park is the memorial plaza with a number of war memorials, flags and monuments. The park was privately funded by a conglomerate of veterans groups and multiple fundraising efforts. In addition, the local Veterans group established a park trust fund derived from the sale of a house located on Main Street in downtown Plymouth that was previously used for veteran's programs.

Hough Park

Owner: City of Plymouth

Approx. Acres: 1.95 ac

MDNR Accessibility Rating: —

Hough Park is a 1.95 acre mini-park located between Maple Avenue and Park Place in the western portion of the City.

The park is undeveloped open space with significant trees and natural areas. The park is utilized mainly by the neighboring residents for passive recreational purposes such as dog walking.

Tonquish Creek Park

Owner: City of Plymouth

Approx. Acres: 1.72-ac

MDNR Accessibility Rating: —

Tonquish Creek Neighborhood Park is a 1.72-acre neighborhood park and walking trail that is located north of Sheridan Street and connects to Harvey Street in the western portion of the City. The park is undeveloped open space with an informal walking trail, extensive trees, benches, lamp posts and natural areas. The park is utilized mainly by the neighboring residents for passive recreational purposes such as nature walks.

Plymouth Township Park

Owner: Plymouth Township

Approx. Acres: 63 ac

MDNR Accessibility Rating: —

The Amrhein farm property was purchased in 1969 and developed into Township Park which is located adjacent to the Township's 18-hole Hilltop Golf Course. The approximately 63-acre Township Park includes 4 shelters, walking paths, ¼ mile nature trail (2016), 2 large playgrounds (1 added in 2017 that is ADA accessible), fishing pond and accessible dock, 4 baseball diamonds (3 lighted and 1 planned), sledding hill, and spray/splash park. Other features include the Rockwell Sculptures installed in 1986 by Peter Rockwell, and Alexander's Express Train (play piece) for young children installed in 2014. Tonquish Creek traverses through the golf course and park with interpretive signs installed within the park.

The 4 shelters/pavilions are available for reservation. The 3 outdoor-covered shelters have an 80-100 person capacity with tables, electricity, restrooms attached or nearby as well as grills. The newest four-seasons pavilion is located at the top of the sled hill and adjacent to the ball diamonds and includes a covered outdoor area with seating for 120 as well as an indoor, airconditioned, 1500 square foot area with seating for 80 people, indoor snack bar and indoor restrooms.

The spray/splash area (2003) is open from Memorial Weekend through Labor Day each year (weather permitting). The walking paths (with benches) intertwine and can range in loop distances of 1/3 mile to nearly 1 mile. A park maintenance building is in the southwest corner of the park.

Hilltop Golf Course

Owner: Plymouth Township

Approx. Acres: 89.05 ac

MDNR Accessibility Rating: —

The 18-hole Hilltop Golf Course (approximately 89-acres) and pro shop is a par 70, 6,009-yard course adjacent to Township Park. The golf-course is owned by the Township and managed by Billy Casper Golf. Lessons, memberships, leagues and footgolf are offered. The golf course includes a clubhouse, golf shop, practice chipping/putting green and parking lot. Residents receive a discount on membership prices and greens fees.

Lake Pointe Soccer Park

Owner: Plymouth Township

Approx. Acres: 12.09 ac

MDNR Accessibility Rating: —

The 12-acre Lake Pointe Soccer Park (opened in 2004) is in the northeast section of the Township between Schoolcraft and Haggerty Roads. It includes two irrigated soccer fields, a loop pathway with benches (approximately ½ mile) around the park, a shelter/pavilion (80-person capacity) with grill, picnic tables and restrooms, and a playground area. The 275 Metro Trail runs between the south edge of the park and M-14.

Kiwanis Point Park

Owner: Plymouth Township

Approx. Acres: 4.57 ac

MDNR Accessibility Rating: —

The approximately 4.5-acre Kiwanis Point Park is a triangle of open space formed at the intersection/split of Ann Arbor Road and Ann Arbor Trail on the west side of the Township. It includes a landscaped area with plantings that spell out "Plymouth".

Miller Family Park

Owner: Plymouth Township

Approx. Acres: 3.67 ac

MDNR Accessibility Rating: —

Miller Family Park is an approximately 3.67-acre neighborhood park on the east side along Ann Arbor Trail. It includes open space, a playground area, drinking fountain, benches, bike racks and picnic tables. The park property was donated by Claire Haske in memory of Pete, Adele and Keith Miller.

Brentwood Park

Owner: Plymouth Township

Approx. Acres: 1.67 ac

MDNR Accessibility Rating: —

Brentwood Park is an approximately 1.67-acre neighborhood park within the Lake Pointe subdivision, along Brentwood Drive, in the northeast portion of the Township. The park includes general open space, playground area, benches and picnic tables.

Friendship Station/Seniors

Owner: Plymouth Township

Approx. Acres: 0.98 ac

MDNR Accessibility Rating: —

The Friendship Station Senior Complex is on approximately 1-acre of land in the northeast portion of the Township along Schoolcraft Road, just north of M-14. The building is utilized by the Plymouth Community Council on Aging (PCCA) – a nonprofit organized to coordinate programs that promote and safeguard the independence and well-being of senior citizens of the greater Plymouth community. The PCCA is sponsored by Plymouth Township, City of Plymouth, Plymouth Department of Parks and Recreation, Plymouth Community United Way and Senior Alliance. Activities at Friendship Station are varied such as line dancing, cardio exercise, yoga, chair exercise, bingo, knitting, cards, lunches, and a variety of talks on subjects such as elder care, diabetes, etc. Day trips are also organized to a variety of restaurants and activities throughout metro Detroit. The PCCA publishes a monthly “Senior Sentinel” newsletter highlighting the various activities.

The Friendship Station is also home to the Plymouth Community Senior Transportation program. The program provides rides to residents 60 years old and older within and around the Plymouth community for a nominal fee.

Thank you for your interest in the 2018 Joint Plymouth Community Recreation Master Plan!

A five year Recreation Master Plan is required to be recorded with the State of Michigan to be eligible for grant funds through the Michigan Department of Natural Resources. As part of the Master Plan process, open community input is a required element for completion.

Please feel free to fill out the questionnaire below with your views and suggestions. Not all fields are required to be completed for submission. This information will be compiled and listed within the completed Joint Community Recreation Master Plan. Thanks again for your input!

1. What do you think are the key issues concerning parks and recreation in the Plymouth Community?
2. What are you or your organizations recreational priorities for the community?
3. Do you participate in programs offered by other communities? If so, what types of programs and in which communities?
4. Are there any Recreational Facilities would you like to see developed within the Plymouth Community in the next five years?
5. What role do you see the City of Plymouth and the Township of Plymouth having in providing programs and facilities in the community?
6. Which of the programs currently being offered in the Plymouth Community do you think are the most popular?
7. What type of programming do you think is needed in the community both right now and in the future?
8. Are you a member of a Plymouth Community Organization? If so, what organization(s)?
9. If you are part of a community organization, What role do you see your organization playing in the development of Recreational and/or Community Services?

10. Please list any issues of special concern or particular importance that you may have or feel the need to be addressed in the Plymouth Community Recreation Master Plan.

11. Any additional comments?

12. How great is the need for the various types of programs listed below. Rate them as adequate services already exist, some need exists or a great need for additional programs exists.

	Adequate	Some Need	Great Need
		Exists	Exists
Senior Citizens			
Teens			
Arts and Cultural Activities			
Adult Sports Opportunities			
Preschool-age Activities			
Community Special Events			
Youth Sports Programs			

13. Indicate which of the following activities are you or members of your household interested in?

- | | | |
|------------------------|---------------------------|-------------------------------|
| Archery | Baseball | Basketball |
| Bicycling | Canoeing/Kayaking | Children's Special Events |
| Cricket | Concrete Jungle | Cultural/Historical Programs |
| Concerts (Local) | Dance | Day Camps |
| Dirt Bike Golf | Dog Parks | Enhanced Reality Video Gaming |
| Festivals | Figure Skating | Fishing |
| Golf | Fitness Classes | Football |
| Gardening | Geocaching | Hockey (Ice) |
| Hockey (Floor) | Health & Wellness Classes | Hiking/Walking |
| Ice Fishing | Miracle League | Natural Areas |

Thank you for your participation!

Recreation Master Plan Open On-Line Questionnaire Responses:

- Questionnaire data collected from 1-8-18 thru 1-30-18.
- Deadline for Questionnaire final submittal is 2-18-18
- On-Line Questionnaire results are all open format individual comment only.
- There is no statistical reliability available from the data collected.

Question #1

What do you think are the key issues concerning parks and recreation in the Plymouth Community?

City & township working together, using shared facilities, paying for them equitably--building, maintaining, etc.

1) Continued progress toward cohesion & mutually agreeable plan for city & twp.

2) The future of Hilltop(?) golf course

1) Continuing to maintain and improve the excellent park space we have

2) improving the recreational options of members of the community

1. We need to sell the Hilltop Golf Course

2. Fully integrated recreation services with City of Plymouth and Township

3. Integration of PARC into any joint recreation service model

1. The ability of the city and township to work together.

2. How will a community parks and recreation plan be funded?

soccer organization, youth baseball, basketball, etc.

2. Long-term funding for maintenance and improvement of the PARC (former Central Middle School)

3. Long-term funding for maintenance and improvement of ALL fields for youth sports (soccer, baseball, etc.)

4. Avoid losing any more money on township public golf course

5. Consider funding public pools

1. Enabling PARC which will further integrate both the township and the city.

2. Determining a better fate for Hilltop Golf Course -- it cannot continue as is.

1. Need to consolidate oversight to reduce costs; 2. Need to provide recreational services that are needed by the residents; 3. Need to provide a balance of parks & services in both city and townships and among all age groups;

4. Need to keep operational cost to a minimum, e.g. Don't snow plow all parking areas if there is no demand; 5.

Don't need more parks; there should be a standard number & size of parks per 10,000 of population; 6. All

1. The facilities are inadequate.

2. The funding is pathetic.

3. There is not enough programming, especially for adults. (see 1 & 2)

1. Upkeep of the existing facilities and programs.

2. Reigning in expenses so that no additional tax dollars are needed.

A lack of a park for special needs children. It would be nice to have a park that is fenced in to accommodate

A lack of bike trails. It's too dangerous to ride along busy roads and expect drivers to share the road. There are too many distractions. Bike trails provide a safe experience for the whole family.

A lack of biking paths that connect the major parks. It also would be great to have a map online that shows you

A robust program created to maximize usability to use by the most number of residents of all ages and interests.

A shared plan and vision

Access to a variety of options for a variety of age groups. Having classes available evening and weekend (swim access to more open park spaces free of playground equipment and baseball diamonds.

Access to seniors. Walking paths, security.

Access to the parks without vehicles is not ideal/feasible right now. No sidewalks, no bike paths to Mclumpha

Accessibility (handicap accessible), cleanliness, family fun

Accessibility and inclusiveness. Linked trails.

Accessibility for persons of all abilities

Accessibility, include all age groups, most interests.

accessibility, relevant, safe, variety to serve majority of community

Accessibility. Plymouth Community has a beautiful park on Ann Arbor Trail and no sidewalks to the park. I

watch children and adults walking/riding bikes on Ann Arbor Trail road trying to get to the park. Dangerous.

Add a dog park; more bike lanes for safe cycling

Additional hockey rink, community outdoor pool

Adequate funding and maintenance of assets

Adult classes, pool

Adult sports leagues ages 18-40. Bike lanes are needed in our community.

Affordable activities for aging baby boomers on fixed incomes (early retirees).

An indoor and outdoor pool would be a great addition

AN UPSCALE COMMUNITY LIKE PLYMOUTH NEEDS SOME KIND OF JOINT PLAN.
WE ARE ONE COMMUNITY. IT IS NOT "US vs. THEM".

Aquatics

Attention to all age groups.

Availability

Availability of team spots, diversity of sports, hours of the Plymouth City Recreation Office; I have offered to coach a new team so my son could play soccer but I was turned down, and my son was not give a spot on a

Avoiding additional taxes

Avoiding any new taxes.

Being more aware of what is offered st the PARC.

Best use and updating of existing facilities/parks and investment in new facilities/parks to serve all ages, across

Better upkeep needed in existing parks

No city/township rec center...would love to see one with a variety of programs for all ages and abilities

Between the City and Township we have adequate outdoor park facilities. We need more performing arts and

Bottom line - the surrounding communities have some type of recreation center for their residents. As we speak - our family is deciding whether or not to join the Livonia Recreation. Top notch facility and utilized by many.

Bring back fireworks.

central location

Classes for community. A community rec center, similar to Canton Summit. Long, paved walking trails. Dog parks

Clean, safe parks for our children to play, development of PARC into a community centee

Cleanliness ,security, maintenance.

Cleanliness and safety

Collaboration between the City and Township governments must be strengthened. Duplication of offerings should be avoided and leveraging of PARC and under-utilized school properties should be persued.

native trees and wildlife to our public spaces. I was saddened to see large trees removed and parkinglots added to the Township Park. The brick structure recently built on the top of the hill in said park is an intrusive eyesore. I would have preferred no structure, or one which is more in harmony with the surrounding landscape.

Combining plymouth and plymouth-township activities. Letting the public know what is available to them.

group. I want to have the opportunity to meet my neighbors in the city. As a senior, an uptodate centering a central area for classes and activities would be helpful. Love the large variety of age levels in this community. I've found many widowed/ widowers remain in this community after the loss of a spouse. Within a short,

Community outdoor pool is needed. Walking path. Indoor Fitness area

for facilities and programs that meet those demographics (seniors, empty nesters, school ages families, and families with babies and toddlers)

Also, corruption like at Hilltop golf course and decisions made around owning a money losing business

Connectivity w sidewalks & bike lanes to get around the area.

Continuation of music in the Park along with other annual events

Continue to do what has been done. They are in excellent shape.

Continued cooperation and coordination between City and township has to be at top of list.

continuing the family friendly atmosphere
maintaining a safe mountain in Kenlogg park
Expanding the number of community classes available at PARC
I support the building of a community performance art theater.

Convenient, affordable and inclusive access to community based programs - arts, athletics, etc.

Cost

Cost -- maintenance, liability. Cost too much.

Creating a more centralized recreation system that leverages both City and Township amenities in order to
Creating sufficient demand while balancing equitable access

Deciding what to do with the golf course. This needs to be decided this year and most likely not kept as a

Demand for a multiuse recreation center, renovating PARC (former Central MS)

Difficult to go on bicycle rides with kids on their bikes

Dogs off of leashes

Don't have an opinion.

Duplication of the two communities. All the services are the same and the taxpayers in both groups pay for
Effective use of parks and communications to community. Special events to draw to parks and recreation items

Events are being discontinued! Plymouth is a great place for families and lately that focus seems to be
disappearing. Bring back the fireworks, the 4th of July party at the Township park, and the snow making

Excessive tax dollars being used for multiple parks when they are not all needed. Assess usage and needs.

Exercise opportunities for all, not just children's sports.

Expend facilities for all populations. Convert golf course into park area for broader and diverse use, including

Facilities & Cost

Family friendly and safe, inclusive for all ages and abilities

Financing & keeping politics out of it.

this area for 20 years and have always felt we were way behind the other areas. Next it has never been clearly
defined on what is currently offered. All I know is if I signed up for something I had to pay more. Yet, my taxes go
to educate their's and Canton's children.

Focusing on offering healthy physical activities for the school-age children in the community. This includes
Funding

Funding, land acquisition, upkeep, credibility

Getting carried away wasting money

Great parks

Greenspace for city and township residents to enjoy; repurposing the township golfcourse to activities for
residents/children; the clubhouse could be the west side station for people to get together of all ages. Residents
Having a nice central location for arts & recreation. There is not a nice exercise facility close in this area. The
closest is lifetime fitness / livonia rec center, which are not very easy to access.

Having programs that parallel those of neighboring cities

Having things for our kids and families to do in our own city instead of having to go to Canton or Livonia.

Hilltop golf course - no fun to play, lots of alternatives. Any question why it continues to lose money? Also,

Hilltop golf course upgrade and retention by township.

greens and squeezed in 18 holes that are fine if you are a low handicap player.

Next biggest issue is a property tax increase for funding. This is one of three millage requests that have been
discussed recently - PARC, Safety, and Schoolcraft college. No way.

I appreciate the number of parks in the community and also feel that they are in good condition (besides the
PARC)! I do feel like the cost to participate in some of the rec activities that are hosted at the parks are too

constant talk of building more homes, condos, etc. We need to focus on what makes the Plymouth community distinct from Canton, Novi, even Northville. It's a quaint, destination downtown and excellent parks and green space, making it ideal for young and old families.

I feel we need a nice, family oriented, indoor/outdoor community recreation center-- think Livonia Rec Center. Somewhere kids and families can gather for fun and physical activity- swimming, climbing, exercise, basketball, I have not thought much about that as I don't use the parks.

I like that Plymouth Canton has classes at schools around town for adults and kids, but I have not tried them because kids classes are usually in the evening. I really miss being able to go on a long bike or walking trails (for families), not just bike lanes, since I moved here. My former community trails connected to all the parks.

I used to live in this town and their parks and rec department was great:
<https://parks.westerville.org/parks-home-page>

I love all of the festivals and concerts that we have, but it makes downtown plymouth really busy. I think this is great for local business, but the only businesses that are really busy are the ones that are able to serve alcohol. I love the idea of a community theater.

I have been enjoying some of the opportunities the PARC has to offer.

I love the large number of parks in Plymouth City and Plymouth Township! It would be nice to see more sports team activities provided through the Parks and Rec department, for both youth and adults

I primarily deal only with the Plymouth Arena / Cultural Center. Over the last 6 years it has always been a very professional arrangement. Everyone I have dealt with has always been very professional and knowledgeable on I think there is a divide on what people want. Some, like me, would like to have lower taxes and keep the status quo. Others want to create recreation facilities/programs that rely on tax payers to fund.

I think everything is fine. The friendship station is great and the golf course is a place for all to play golf. And I think people are not aware that there is very little funding for the seniors and sometimes they are forgotten. The building is provided, the utilities and the salaries. But there is no budget for programs.

I think Plymouth is in dire need of a public pool. I know PARC currently has a pool that had public hours, but I think an outside public pool would add a ton of value to the town. There is no where to go swimming

I think that the community should have joined forces years ago when it comes to the recreation department. I hope that the township is truly serious about having a joint recreation department with the city.

I think the city of Plymouth needs more opportunities for recreation. We have lots of pocket parks, which is great for little kids, but we offer few opportunities for adult recreation: the tennis courts at PARC are not in great

I think we need an affordable city-run fitness center that is geared towards residents of all ages, but includes I think we need an indoor facility similarly to the summit in canton.

like the township golf course and other park areas to undergo development under the notion of increasing the tax base.

We also need a high quality, comprehensive recreation facility like Livonia and Canton have.

I think we need to survey the public to see what they would like to see. I would like to see cooperation between Plymouth Township and Plymouth so we can use each others' facilities.

I want to keep the parks preserved in the city. We have great green space and I don't want that to change. It's great to have the sports programs like soccer and hockey available through the city so I also want to keep that pool is being used, but it is a long walk from parking and thru locker room and down steps to reach the pool which is difficult for people with disabilities or health issues. The locker/ shower area is very old and dingy also. Maybe more basic cooking classes using healthy ingredients, but not too fancy as to discourage people. Outdoor

I would like to see a dog park.

I will not support any project that calls for an increase in taxes.

I'd love to see more community sports leagues for kids, aside from soccer and basketball. Volleyball would be great. More opportunities for adults as well - more open basketball or basketball leagues.

If the golf course is losing money, it should be sold.

Impact (increase) on Property Taxes.

Improve the fitness and health of the residents. Improve safety.

Improving our existing facilities/spaces/programming. Transforming money losing areas such as golf course into

Inclusiveness of all abilities

Increase in property taxes for those who will not use them

Increased public access to preserved natural areas. Increased facilities for non-motorized

Indoor facilities which would include swimming pool, pickle ball, open gym for basketball and volleyball etc.

Indoor recreational space.

Insufficient parks and recreation facilities and programs. Not enough outdoor green space for families and

Joint efforts to provide for Plymouth and Ply Twp residents

Joint recreation is a great idea. The Plymouths need an indoor health club like the Summit - especially indoor

Just length of time for renovation.

Keep the city and township separate. Tired of paying for the city

Keep them clean and safe.

Keeping and growing green spaces for use, creating and continuing opportunities for recreational sports across

Keeping and improving Hilltop golf course

Keeping and maintaining the township for public use.

Maintenance of equipment, safety and appearance.

Keeping enough green space and preventing the conversion of green to new housing

Keeping parks clean, making sure the citizens of Plymouth are informed on all recreation activities available,

key issues include accessibility and location. The parks need to be located throughout the area--not all clustered in one general area. Also, the recreation opportunities need to include things for all age groups.

Kill the Mcclumpha amphitheatre, DTP parking

Lack of a community center, similar to the Livonia Rec. Center. Family focused activities, not separated by age.

Lack of affordable, and varied recreational programs for our senior population. Inadequate food resources for

Lack of building that houses year round recreational opportunities

Lack of coordination leading to service gaps and duplication of services

Lack of facilities

Lack of facilities for seniors and lack of aquatic program (except at PARC).

Lack of field space for practice and games for youth soccer, lacrosse, etc.

lack of fields for soccer, lacrosse.

Lack of fireworks. Used to enjoy them. Also going to the Fourth of July parade and then the picnic at the

Lack of first class swim facility like Livonia has.

Lack of green space

Lack of green space to hold practices, games, events for organized sports

Lack of green space within the community boundaries. Fewer parks and facilities than some of the surrounding

Lack of non-automotive access to parks from homes.

Lack of places to take dogs

Lack of programs

Limited indoor recreation facilities (compared to Livonia and Canton)

Lots of large Outside concerts open to not only Plymouth residents that make parking truly difficult for seniors. (A lot of us 60+ people can drive but long walking is rough.)

Maintain what we have without committing any more tax dollars. Sell the golf course.

Maintaining enrollment and maintaining adequate facilities for activities

maintaining existing properties AND determining how to make use of the PARC in ways that will be revenue

Maintaining green space for youth & adult recreation team sports, maintaining good condition of park

Maintaining or expanding parks; maintaining or expanding sports and recreational programs for kids and teens; finding areas to provide walking and jogging trails; developing adequate spaces for fitness classes.

Maintaining the grounds, especially in Kellogg Park which is heavily used.

Maintaining the parks in the city, increasing both youth and adult activities and options, more outdoor athletic

Maintaining what we have, both in the city, the township, and on Hines Drive. Getting the funding for the PARC, Maintenance

Maintenance/upkeep of park structures.

Making sure there is enough opportunities for all ages in a sustainable parks and rec program.

McClumpha park has a no dog rule. I'm sure it is a liability issue but Heritage Park in Canton does not have this

More activities, toddler play areas

More baseball/little league ball fields for community teams (gcy and Plymouth canton little league) so we

More bike trails

securing a partnership with Plymouth Twp. on PARC (which should be rebranded as "Central PARC", to honor it's heritage as Central Middle School, distinguish it from P-CEP's The Park and Kellogg Park (also sometimes called "The Park") and allow Plymouth Twp the opportunity to name their future joint recreation facilities "West PARC" or "Outer PARC" to truly create a brand that both municipalities can use.

More parks, cheap organized athletic activities for kids and teens

More public restrooms. More baby changing station and family restrooms.

More Senior programs

forthcoming on exactly what percentage the township residents will be pay vs. Plymouth residents. We are are much larger tax base then the city and our funds should stay in the township. I'm satisfied with our current parks and rec facilities that are in the township but I did notice the Hilltop golf course is in some financial distress. Has our board gone to the mayor in Plymouth and asked for some of their tax revenue to save that recreational operation that also contributes to the well being of our community? I would venture a guess and N/A

medium size parks similar to Waterford Bend in Northville, with play structures appealing to older children, plus the creek, bridge, etc. There seems to be plenty of formal sports programming; would like to see more opportunities for activities on-the-fly or short term 4-6 week programs for kids.

Need a dog park - it should be like Hines Park where you apply and have a key

Need a few parks in city to have a restroom.

Need a recreation center with workout center and pool

Need a Recreation Center. Need more park facilities/pavilions. Need dog parks.

Need dog park

Need for public pools

Need marked bike lanes in and around the downtown area. Designated bike routes in and out of town would also be helpful. For example, a marked bike lane on Harvey in and out of town. Also a marked bike lane on

Need more green space and natural areas for people to enjoy the our doors. Our streets need to be designed to accommodate bikes. We do not have any bike lanes. Lets get some bike lanes on main street.

Need more programming for families.

Need skatepark
Need swimming pool.
Like the many types of parks available and good upkeep.
Need to be dog friendly park
Need to keep the hilltop golf course
Needs more soccer fields, like Northville and Canton.
No community rec center (see Livonia/Canton)
Arbor trail, and N.Territorial all have sidewalks that end. cannot even connect to Township/McClumpha park directly from City via walk down AA trail. need to connect outer reaches of township like Novi, Northville, Canton do. this would promote city and reduce traffic as bikers and walkers could easily access from parts west of Beck. sidewalk down Beck is needed (east side seems very achievable along golf course (or even within the
No main rec center to be used for either membership, drop in recreation or adult classes/rec teams. Pool access
No public outdoor pool
No dog park
no real issues; need to balance "wish lists" without over-spending
No true community/fitness center
No up to date public swimming pools / recreation center like Canton
Not enough
Not enough green space and connecting sidewalks.
Not enough indoor facilities for activities
Not enough park areas to walk our dog. More pool space for swimming. Outdoor and indoor.
Not enough soccer fields and baseball fields included at area schools. Major parks are the Plymouth McClumpha
Not meet needs of seniors
Not paying attention to seniors outdoor activities.
Only outdoor pool is Lifetime
Open green space with adequate access for the handicapped
Open land. Indoor and outdoor structures for year around activities.
Senior activities.
Our parks have a friendly and small community feel that we should maintain.
Our parks should be safe & well manicured places for families to enjoy outdoor activities.
Outdoor parks are fine and abundant. There are no options for indoor, inexpensive (or free) workout facilities
Parking
Parking answer accessibility.
Parks are gated and locked now. Also township residents pay more than city residents for recreation when the parks are too small and not enough of them
Play places for kids, green and wild life areas to explore, family centered activities that are accessible for all,
Please do not spend tax payer money on the PARC. User fees should pay for the PARC is it's viable. Taxes should have something developed upon it. The Parks & Rec in our communities needs to focus on buying up additional plots of natural lands; especially in Ply Twp, while there are still green spaces left. When we lived in Salem Twp with a Plymouth address and schools; we did not have a park within several MILES of us to go to with our children. While land sat for sale and vacant, and could have been purchased at a reasonable price, Ply Twp spoke about investing in their main park with some items that many did not even want. A park doesn't have to
Plymouth Township needs more outdoor parks. I feel we need a center, similar to Canton and Livonia, that is
Pool space
Pool, teen space
Poor grassroots support, modern facilities, more offerings for seniors who have most time for leisure activities.
Preservation

Preservation of public parks.

Providing activities/services for all ages and abilities.

Providing excellent services and making good use of our resources without increasing taxes.

Providing facilities and programs for all ages, WITHOUT INCREASING TOWNSHIP TAXES.

Quality of the turf.

Recreation in the Plymouth community would benefit from a greater variety of well designed, well maintained, Re-purposing Central Middle School into a state of the art Community and Recreational Center; providing therapy/or opportunities for special needs kids like musical programs, play based programs, sports programs, Residents would like parks, recreational and arts opportunities close to their homes if possible. If not, then have Rules, rules, rules! No dogs allowed at parks, give me a break! recreation spaces!

A central rec center.

Safe biking and walking paths that hopefully, connect city and township

Safe places for families to spend time and have fun together

Safety

Safety & cleanliness of the parks and rec areas. Only spend money on parks and rec. that benefits the majority

Safety

Cleanliness/well maintained

safety, cleanliness, accessibility

Security for young kids

Senior exercise programs every day during the day. But more exercise and fitness programs early in the day or Senior programs. Also charging Township residents more for crossing Ann Arbor Road .

Shade at the baseball diamonds

Shared management to keep costs down & improve programming/availability

Sharing between Plymouth and Plymouth Twp. We need to come together as one community,sharing expenses,

Stewardship, access to ample open space

Streets for biking safely. The future will be less cars and more bikes. We need a bike route to old village and

Supporting PARC, a tremendous community resource.

Taking advantage of resources available.

Tax increae

test

Test

That there are ample green spaces for use by all.

That there are not enough available spaces and green space for the arts and recreation. We need to encourage

The amount of people using the facilities that are available are greater than the amount of resources available.

The building needs total rehabilitation. The locker room is not handicap friendly and to get to the pool there isn't a handicap ramp. It is very difficult for me and others to get up and down the steps.

The community needs a rec center!

The cost of refurbishing PARC (the old Central Middle School) and building a new theater if Plymouth Township votes to join. Please do not piece meal this. Tell us the total cost and resulting millage required to fund this.

The cost versus value/use. Special events in the parks are great but need to bare the impacts on the surrounding neighborhoods. Finally how to leverage facilities with the Plymouth-Canton school district to offer a complete

The key issue is the potential cost to township home owners for the PARC. This is unacceptable to increase our

The lack of indoor space for kids to play basketball, workout, swim, ect..

The mentality seems to be to always do what you've always done & not to spend money. Not everything can be done, or will get done, with a grant. Should be more forward thinking. If there is a good plan in place, I believe The outdoor parks are wonderful and well kept up...I think the only issues are 1) converting more green space to condos or houses (which we have done plenty of already...please stop) and 2) we need to add more trails and 3) The PARC and its future.

The PARC is in need of some modernization, seriously. There are lots of new equipment at mclumpha park which is nice, but there existing wood equipment needs serious work. It looks like a prison from the outside and there is not central location to find information & access to recreational events. Residents must pull together sources from the City & Twp, from Cultural Center, Chambers, P-CCS Community Ed, PCAC, PARC, Run DTP, etc. There should be a central location & calendar for recreational opportunities in Plymouth.

organizations and the Township park along with many neighborhood parks throughout the city. However, prior to the creation of PARC it lacked an indoor community recreation center. PARC has been a great addition to the community and, with upgrades, it could be an excellent focal point for residents and visitors.

The Plymouth Parks staff are not very helpful and seem more concerned about just executing programs than the well-being of the kids/adults and providing them a positive and worthwhile experience.

The pool at the PARC is so old and run down that I won't take my kids there any more; and the pool water is so The run down football stands, stadium and track next to Central Middle.

The WEBSITE (one inclusive webpage) , nature programs, sports and exercise.

There are not enough for the quickly growing needs of this community. We have great football, soccer, and baseball programs that do not have the fields to meet the number of teams that need them.

There are not enough of them...

There aren't many options •

There does not seem to be a cohesive plan. The city and township can't seem to get together to cooperate (I live

There is a need for recreational opportunities for young people such as swimming, basketball and other gym

There is no outdoor swimming pool!

I would like a flag football league

There is no public pool. There are very few craft classes (knitting, sewing, pottery, etc). There is a lot of wasted land (the weed filled lot at the corner of Main and Haggerty, The wasteland on Lilly, etc) that could be used as

There is not one place to go to for our families recreational needs.

There needs to be a balance between providing the appropriate programs and making sure they are affordable for the person and the community. As always the draw of new people to our community hinges on the what is Old-fashioned Picnic have been cancelled. Livonia, Northville and Canton all have a TON of great community events that bring people into their parks. Our parks are pretty boring.

Downtown Kellogg Park does have some happenings, but parking is HORRIBLE for events there and it's too small They are adequate, and no new tax should be introduced.

They are disappearing! Next up? Hilltop golf course....this needs to be developed into a community asset, not sold off to developers. No more condo or housing projects, the road infrastructures are turning into Cantons

They need to be ADA compliant. Our daughter has disabilities and it is hard to find a park where she can play in.

Threatened closure of Hilltop Golf Course, a beautiful course that brings people into Plymouth and a factor in

To maintain the high quality and diversity of programs offered to all age groups without having to increase fees,

To make sure they are fiscally managed

are often additional participation charges to twp residents. Not enough free or non-structured amenities for teens (ie skateboard park, basketball/tennis courts/pool) especially on east side of twp where most older subs do not have their own amenities like newer subs on the west side.

Unity between city and Twp.

Saving historic structures and a unique feel to the area.

Updating PARC and other park facilities.

Very little programming, no central cultural hub

Visibility/sight lines

Walking/hiking trails

We are not in a position to be able to afford any increases in Property Taxes. We are all for cooperation between Plymouth and Plymouth Township in all areas including recreation, but not if it means increased

We do not have a full recreation center like the Summit or Livonia Rec Ctr

We do not have enough parks in the township.

There is no dog park.

We don't have a decent rec center. The PARC is so old and doesn't function as a true rec center should.

we don't have a rec center or big pool like Livonia or Canton. If the latter IS true, most people don't know about

We have no tax funded community center or pool. This is ridiculous with our tax base and neighboring cities

having both. PARC is doing a fantastic job building a sense of community but why is this not handled by the City

We have too many

We miss the Fireworks and the Picnic at the Township Park.

friends to take them to the Summit, or wait for me to be able to drive them to a metropark. The last 3 years, we've paid for a membership at Murray Lake, which does not do water-testing and that worries me. The locker room/shower at the PARC is disgusting, so we've avoided that for quite a while.

facility that can accommodate both community swimming education (learn to swim) programs as well as local

USA swim club training and meet hosting. Many other surrounding communities are able to host large swim

meets that attract people to their communities for entire weekends. Having a swim facility capable of hosting

USA swimming club meets would be an incredible opportunity to draw people to our community multiple

We need a community swimming pool!!

We need a complex where we can exercise, swim, have meeting rooms and other current recreational

We need a dog park, walking trails that allow dogs, littering, loiterers in the parks.

We need a local dog park.

We need activities for all ages, not just children and senior citizens. Something like the PARC is needed to provide exercise and cultural programs for adults who are not yet senior citizens.

We need more green space.

We seem to be shutting down things that are enjoyed, like the Independence Day fireworks, and the golf course.

Lack of public transportation, or even safe sidewalks/paths along major roads to get to events, parks, etc.

We should support Plymouth Arts and Recreation Center (PARC). PARC is awesome!

We were disappointed that the fireworks were cancelled. I would very much like to see a rec center with an

Well maintained facilities and easy accessibility.

What will the increase in taxes be?

Who will pay for improvements? DTP property taxes are unbearable as it is....

Working drinking fountains. Matinence on wooden play structures

Working together as one community to share resources and simplify; ability to fulfill demand for programming and facilities for residents so they don't need to travel to Canton, Novi, or Ann Arbor (and thus patronize other

Working together to offer best services for the city and township.

Would like areas that are more interactive, such as soccer fields and baseball diamonds. Maybe an ice rink in the winter. It would be nice to have a walk, run and bike event to support the community.

Would love to see an indoor gym/pool/activity place similar to the Summit on the Park in Canton.

x

x

you should allow dogs in the parks

Question #2

What are you or your organizations recreational priorities for the community?

Parks. Would like to see cross country ski paths at McClumphia; love the kid section with splash pad, etc. Love concerts in Kellogg Park, but they've become so packed--with more than Ply & Twp. residents! We need a more ??

1) A place to walk our dogs w/requirement they must be licensed, shots up to date, and waste picked up as the city allows in Kellogg Park. 2) Walking and jogging trails for all to use.
township

2) expand the recreational offerings, especially outdoor

3) I'd love to see a dog park added to one of the large park areas such as fairground park

1. exercise programs 2. Bike routs. 3. Walking routes and not runs for those that cannot run.

1. Recreational facilities for youth and adults; 2. Easy & close to parking access for seniors who watch youth sports; 3. Restroom facilities close to fields; 4. Better handicap parking and access including paved walkways

1.beautiful, peaceful areas for picnics and family activities

2.areas for organized sports (ball fields, tennis courts, basketball courts, swimming pools, etc.

3. open areas for walking, and nature viewing

A community center like Livonia's or Canton's. A public pool

A good facility for after school activities such as volleyball, dance, etc, instead of having to drive all the way to

A new pool and locker rooms!

A place to swim, workout and take exercise classes.

A recreational center - pool, fitness center, fitness classes, good parks

Ability to swim competitively, help our children become strong and disciplined, and interacting with other kids at
Access

Access to green space.

Access to kids sports activities, safe biking/walking paths

Accessible parks, plentiful classes

ADA playscape compliance

Adding dog park in DTP

adding outdoor public pools to the community.

Additional soccer fields - indoor/ outdoor

Adult weight loss classes and or work out area, walking track, pool

Affordability

affordable senior activities in the area. Ask Don Shoenen. One of his pet peeves as well. Pickle ball is a good start. \$3.00 is affordable. \$6.00 exercise classes at PARC is also not a bad price. More affordable senior classes for those on fixed incomes is needed.

Special discounts to seniors for swim and exercise classes at PARC and elsewhere would be a good start. Livonia has a nice senior center. They have their priorities straight when it comes to serving their seniors. Defining senior

An affordable and share local vision

and I believe it would be a huge quality of life benefit to offer a cool outdoor aquatic facility (not just a standard pool), which people would pay a membership for. The indoor pool at the PARC does not meet this objective.

This would also provide summer employment opportunities for teenagers.

Aquatics

As a healthcare provider, I want to provide my patients and our citizens options to live healthy lifestyles.

Community parks and programs are very helpful for providing people with opportunities to improve their health

At the Plymouth Community Council on Aging (PCCA), we seek to enrich the lives of seniors living in the

Plymouth community by offering them a variety of affordable life enriching activities which are appropriate

Avoiding any new taxes.

Baseball fields and soccer fields. The baseball fields at McClumpha are also too small. Need to be bigger for Baseball, swimming, basketball

Bicycling and walking

Bike lanes - make the Township a premiere biking community connecting Plymouth to Ann Arbor and Detroit
Bike Paths

Nature Walks

Bike trails, hiking trails, green space, dog friendly

Bike trails.

Biking

Broadening the diversity of programs offered, including the range of free vs fee and indoor vs outdoor

Build a family and senior friendly infrastructure to add value to homes and improve quality of life and fitness.

Build a Romulus athletic gym where PARC is! That building is useless to seniors

Central parks with nice equipment and grassy areas for kids to play.

Children organized sports leagues, open and safe places to walk outdoors, clean and kept up parks, facilities and

Clean and safe parks. That's it.

Clean playgrounds, events for kids and families, activities year round

Clean public pool with open swimming, more small park shelters for summer parties, etc., More options for

Clean, inviting, and inexpensive indoor workout and health recreational facilities that offer people such options as weight lifting equipment, treadmill access and other cardio equipment, and possibly even court access (i.e.

Clean, safe areas for gathering of all ages and proper structures for recreation and gathering.

Clean, safe parks. Already in pretty good shape in that regard.

Community aquatics center, with indoor and outdoor facilities

Community center with aquatic programs similar to those in Livonia and Canton

Community outdoor pool is needed. Walking path.

Community pool options, Skate Park, the fireworks show, and park rentals. Additional creation of park areas

Complete streets and outdoor swimming options.

Connected walking/biking paths. Dog park, or removal of township prohibition on dogs in parks.

Connecting existing park and recreation services with walking and bike trails should be a priority. Bike trails and walking paths have an economic benefit (connecting residential and commercial areas) as well as a health

Connectivity

Consistent programming guidance without political prejudice.

Convenient hours, easy parking, sufficient parking, lots of things for families to do.

Diverse programs for all ages.

Dog park

dog park - indoor/outdoor

Dogs walks/parks,

Drop-in classes for all ages...fitness, fun, art. Indoor track. Family oriented classes or opportunities (where the Events for families and sports for kids.

Exercise programs for people over 55 that don't want to sit in a chair and exercise or do jumping jacks. More art

Expanded services for both the day time and resident population.

Facilitating easy exercise and enjoyment of nature.

Facilities open after business/working hours that can be used by all ages, without increasing our taxes. Things

Family activities

Family Activities

family fitness

Family friendly outdoor locations as well as indoor, updated, clean facilities that offer many different things
Family friendly park settings & healthy environments.
residents.

Establish bike lanes on roads, provide more bike racks in downtown

Find ways to link Hines Park to our recreation plan through better access (bike routes, jogging/walking paths)
and/or programming and activities.

Have more inclusive large scale community programs. Music in the Park is fine, but there needs to be some
other things.

For us: educational,entertainment,and conditioning. We don't have the money for something like Livonia rec
Free availability to all who want to use it.

Funding for Parc

Get our youths and teens moving and away from tv, phone's, etc at least 5 hours per week

Getting outside, playing, community centered, cost appropriate indoor recreation for all ages

Getting/staying fit.

Golf and community concerts

Golf course, shelter and facility rental

Golf course,walking paths

Golf.

Green space and family events

Green space, parks and connectivity via sidewalks for families.

Green space. It seems that every possible inch of land is being developed.

Green spaces for outdoor exercise

Have a safe walkable community. Have field space for the recreational needs of the community. Not interested
in paying for fields for "for profit" soccer programs and coaches. Keep the recreational activities local and for

Have a variety of recreational opportunities available for ALL kids who want to play; not only limited to the

Have programs that fit residents needs and improve life-lifestyle

Have wanted a community pool for years that could both be recreational and potentially make money as a

Having ample fields and facilities for youth sports, and making sure they are all safe to use. (In safe places, and

Health and fitness, social/communication based opportunities, athletic opportunities including Hilltop golf

Healthy/fit community and a variety of social/recreational/competitive opportunities.

High quality, comprehensive recreation facility shared by Plymouth Township and the City of Plymouth.

If the Hilltop golf course needs to close, keep the land natural as a park. This land should NOT be sold to

Hiking, and other outdoor activities for the active senior.

Hilltop Golfcourse and maclumpha park

Hockey, soccer, swim, workout classes for kids

I am an individual and I believe that there are a good variety of recreational opportunities already available. I
technically in Canton) available at parks around the Plymouth area. The few other courts available (6 at Central
Middle/PARC) are very poorly maintained. It's disappointing that an area as nice as Plymouth is so far behind
other cities like Ann Arbor or Northville in terms of the number/quality of public tennis facilities.

I find senior (55+) activities to be lacking. Many other communities have activities, groups, trips, etc.

I like places where families can gather and have fun. Ice skating rinks, playscapes, picnic areas. I also like classes
be something of concern for any community- and with most of our parks here, my students complain that they
cannot even get to them because they can't ride their bike or walk there without proper places to do so in terms
of sidewalks. This MUST be included in any plan for moving forward with our parks systems. Access.

However, I really would want a nice rec center where you could exercise/sauna. I don't think LA fitness and the
surrounding places are enough. If you look at the livonia rec center, it's great. It's family friendly has exercise
tracks, sauna, pool, rock climbing wall.

I think the city and twp. should continue to work together.
Keeping areas green for walking and enjoying the outdoors.
I use PARC for swimming several days each week. My wife and I raised our children in Plymouth and would have benefited greatly had there been a center like PARC available during that time.
I would like a fitness center with both free weights, cardio machines, access to a pool and a variety of fitness
I would like a full community facility where we can have workout, entertainment, classes, community forum
I would like an all year round easy accessible pool with aqua fit classes at all levels for people. Great for seniors
I would like to see at least ONE public tennis court in Plymouth.
I would like to see more "dog friendly" areas. There are many devoted pet owners in Plymouth Township
I would love to have a community outdoor pool in the summertime.
I would love to see PARC built out into a first-class rec facility. I believe it would benefit the joint community.
I'd like to be able to walk to everything in my community. If I'm not able to walk, A properly paved parking lot
hiking/biking trails and integrated into the adjacent Plymouth Township Park.

Plymouth Township should participate in the PARC facility management and operation.
Indoor games, cards, exercise and mind enhancement.
Indoor & outdoor pools
Indoor pool, running track, and work and fitness center
Indoor recreation space
Indoor sports and walking areas for all ages. Possibly some outdoor lacrosse fields for practicing.
It would be great to have an indoor walking path for use in the winter - with views of the outside - maybe
It would be very helpful to have an indoor track for the cold snowy winters.
Keep departments separate. Let the residents of each community determine their own priorities.
Keep the golf course open, adding more outdoor sports and fitness areas, and add more trails (in addition to the
Keeping playground equipment updated at all parks, continuing concerts in the park, and helping to support/
keeping the family in mind
Kellogg Park events, music in the Park, events in summertimes. Love the existing use of Kellogg, not too sure
about usage of McClumpha. Definitely like fireworks there, kid's waterpark. Ballfields there nice, kids past that
Kid and dog friendly open space to play and congregate.
Kid and pet friendly. Green space. Running or walking trails
Kids sports, gym/fitness/pool (outdoor and indoor), parks, adult fitness, summer camps
Kids/teens having places to practice and play pick-up sports
Learning programs, education, music, arts culinary arts for the entire community!
Library, swim, parks, family activities
Linked trails for non-vehicular traffic. Adaptive and inclusive sports.
Live theater
Place to walk indoors
Exercise classes
Local Golf league at hilltop
Long paved walking trails, dog parks
Low costs for Township & City residents. Prices should be the same for both.
Maintain quality programs, opportunities for all ages, transparency, more facilities and open spaces.
Maintaining or expanding parks; maintaining or expanding sports and recreational programs for kids and teens;
finding areas to provide walking and jogging trails; developing adequate spaces for fitness classes.
Make an active lifestyle easily accessible and encouraged in our community.
make programs accessible to all regardless of financial status, physical or mental capabilities.
Meet neighbors, fitness, quality of life, property values

More and improved soccer fields. More areas for outdoor activities.
more athletic fields

-More exercise opportunities/equipment for senior citizens. I attend an exercise class on M & W at the Cultural Center. Some of the sessions at the Friendship Center conflict with those at the Cultural Center.

-Theater, concerts.

More free and low-cost activities for youth & teens, especially physical activities during the cold weather

More green space for recreational use. Significant growth and development of PARC facilities and programs!

Walking, biking trails. Exercise facilities. Art, music, science, clubs, classes, programming for adults, young adults

More greenspace for public enjoyment and the ability to walk, bike and jog seamlessly from the city to the programs and classes, etc.

more options for city residents in township for hiking, nature, cross country (at the golf course with ski rentals?)

More outdoor opportunities

More passive recreation

More variety and parks

More variety, year round.

Music in the Park, Penn Theater, Main Street Opera, PARC, PCCE adult education (dance)

My organization serves the community with arts and educational programming for people of all ages. We believe that arts and recreation contribute to the vitality of a community and are essential to addressing

My organization would like to see more music and arts in the Plymouth community.

My personal recommended priorities: Incorporate recreation opportunities wherever possible: bike lanes throughout our compact town and connecting with the township (why is there no continuous bike lane or

My son plays hockey at the cultural center. We are from the township and I do not mind paying more than a city

My young family finds most value in sports activities.

N/A

NA

Need community access to an indoor pool - not the PARC pool it is OLD and inaccessible (open to public only few hours a week). Also consider putting up outdoor handball courts in the township Park.

Need to improve the golf course and bring back sticks and pucks at the ice arena.

NO taxpayer money for PARC.

None

None

Obtain, prepare, and make available good quality practice girls for our youth.

obviously biking. Also need to keep tennis courts in our community. Need variety of recreational activities.

OFFER A VARIETY OF PROGRAMS FOR ALL AGES AND SEE WHAT STICKS.

on Home Owner Group and part time work

Open availability to baseball field rentals

open space for hiking and cross country skiing

Open space is the most important

Options. Where's the ice rink? Pool?

Our community needs a concert venue.

Our family enjoys the soccer field, baseball diamonds, play structures and all open green space for running and

Our neighborhood does not have any parks next to it, so when the people go to the parks we would like more

Our parks should be safe & well manicured places for families to enjoy outdoor activities.

Outdoor activities, including "how-to's." For example, how to snowshoe, how to train for a trail run, etc.

Outdoor fitness area for seniors in township park. Pave more walking paths.

Outdoor ice arena
Outdoor pool
Outdoor pool and ideally a very large competition pool with seating/parking that could be rented out. SE MI is HUGE in swimming and we lack quality meet pools abke to hold large events.
Outdoor programs that offer better walking, gardening, fishing and strengthening and promoting healthier
Outdoor swimming pool
Parks, Playgrounds, Pool for swim classes
Parks, swimming pools, recreation center
Performance space!
Performing arts
Nature exploration
Low cost physical activity for all ages
Picnicing, golf, running and other exercise, tennis and other outdoor sports
Place to have fun and meet others in the community
Places that are safe for my children to play.
Places where the community can gather or our children can be active year round
Play
Play area for kids, ways to stay cool in the heat, fun community activities that we can do with other members of
Play for all seasons
Playing golf. Township does not do an adequate job of maintaining Hilltop.
Plenty of things for children
Plymouth Canton Steelers- the ability to support the community thru football and cheer
Plymouth Township park - keep as is.
Pool that has the heat regulated at the same temperature all the time. Good filtration system.
Pool, good walking/running paths connecting neighborhoods, some specifically identified bike routes
Positive family fun for adults and kids
Preschool programs - sports, music, dance, gymnastics
Prioritize green space and slow down development to preserve the integrity of the community
Programs for senior adults since that is the largest growing population.
Promote healthy living.
Providing as many children (and adults) with as much pool time as possible for fitness and recreation
Providing diverse recreation options for my family. Neighborhood parks, Kellogg Park, and PARC should be the Public pools
Reasonable recreation (cost free) for all.
Rec center
Recreation activities and classes for my family and children
recreation for middle aged and older citizens
Recreational activities available to all age groups throughout he full calendar year. Joint participation by City and
Recreational priorities are green space and family friendly, safe outdoor amenities - parks, walking trails, open recreational sports. Too much emphasis on "travel" sport, which is nothing but a money generating machine for the coaches and organization leaders. Need to focus on recreational sport and just let kids PLAY, without the
Rehabbing the old Central Middle School and making it a place for all ages with varying interests.
Retired adult activities, starting at a younger age. 60 year-olds don't participate in the same activities as 80-year
Safe fun place for everyone.
Safe place for senior exercise and senior walkers
Classes for the differently-abled (adult and children)
Safe, accessible all hours and day, spacious, flexible, affordable places

Safe, clean and interesting activities.

Safety, inclusiveness

Safety.

same as #1

Same as #1 above

Same as above, I would like to have access to a rec-facility with an indoor running track, and we'd like to see the See above

Seeing friends, neighbors and clients in classes offered would be so great to build that community spirit!

Senior activities

Senior activities, such as exercise and social activities.

senior citizen targeted activities, physical, hobby, etc.

Senior facilities .. not enough programs for senior (ie. Canton and Livonia) I know Plymouth and the Township do not have as large a population. But more can be done for Seniors.....

Senior programs.

Senior Services

Serving all ages without raising taxes

Sidewalks and bike trails connecting neighborhoods to parks such as Ridgewood hills (Ann Arbor Rd) to Plymouth Soccer facilities. Upgrade and add fields. This is a highly active sport for people of all ages but especially youth.

Soccer, baseball

Something that gives people a place to go, especially in the winter months, for fun and activity; a gathering place to meet with friends... It could be a place that holds affordable classes in art, craftiness, etc as well.

spend time with family and friends, meet your neighbors. Keep sense of community and belonging.

Sport facilities and playgrounds for the children.

Swim, exercise equipment, indoor/outdoor running/walking track. Offer classes/memberships that are Swimming

Swimming! We need a brand new swim facility with a MINIMUM 10-lane pool, with bleacher seating that can accommodate hosting large multi-club, multi-day swim meets. The Livonia Recreation Center's aquatic test

Test

That my children can be involved in summer activities with their fellow students so that they have those

The parks are great. As I stated above in #1 all is good and the taxes are covering these places.

Therapeutic recreation for those under 14

There are plenty of private gyms in the community's... the new L A Fitness in the township is fantastic. No

To be able to walk or bike in the outdoors free of the fear of getting hit by cars.

To be able to take a dog to a dog park for them to play and socialize in a safe environment.

To be involved and have a sense of core community

To continue in the vein of PARC; ie, a variety of activities (sports, crafts, cultural) that are relatively low cost. to continue quality programming

To enrich lives through quality arts, educations, and recreation programs for all ages.

the accommodations so that there are parks available to meet the needs of the youth programs we offer within the city and township. Many in state and out of state communities offer phenomenal sporting parks for their home teams and visitors to play on. There is a lot of potential to make money from visitors coming from outside

To maintain the existing structures, landscapes, and playscapes

To provide a safe and fun environment for our children and ourselves to enjoy. Obesity is an epidemic (even in children) and we must find a way to get people active. The more choices available, the less excuses people will

To provide the best service and experience for the area seniors.

Track and field opportunities for young kids. Free pop-up yoga classes for parents

Us private facilities

variety and having numerous parks

Greenspace

Youth sports

Variety of activities available so there is something for everyone

Variety of activities to meet all needs and preferences

Various Plymouth Township organizations, including HOA and working at PT part time.

Walking my dog

Walking paths, keep golf course - if not use it to expand the township park and provide more recreational space

Walking space, bicycling, green spaces, playgrounds, spray park

Walking, bicycling, running, disc golf

walking, kids sports, preserving natural areas and enhancing public access without development (parks trails).

walking, running, improving natural areas.

Walking, sports

Walking/running/biking paths. Any winter activities would be nice as well.

We are a young family, so parks are huge for us.

We have wonderful parks with playgrounds.

We need more trees and natural area for our children and adult to connect with nature.

We use Township Park for walking.

We use Township Park, Miller Park (it is in our neighborhood) and we like to go to PARC for swimming, theater,

live music, ceramics classes, etc. My elderly dad (who is also a resident of Plymouth Township) likes to walk

Well balanced number of activities for all ages levels.

Well maintained enjoyable fun for kids and adults

Well maintained facilities, and a variety of things to try

With two toddlers, I love all of the parks available in Plymouth.

Working collaboratively with the city and township.

Working together to support PARC and complete the vision of a complete performing art center a

Workout center. No gyms in the area. No pool in the area

Would like to see more cultural events, concerts,

it would be to join Lifetime Fitness or the Canton Summit, then I think the demand is there. Other ideas include

an ice skating rink and partnering with the Master Gardeners Association to green our public spaces and add

native plants which attract butterflies and help the monarchs from going extinct. Also love the idea of

Would love to have fireworks at park again

Would love to see dogs allowed in Plymouth Township Park. Seems unbelievable that one cannot walk one's

Year round aquatic center. There are people paying \$700 or more for colony swim club and it's not that

Year-round quality music, such as classical, ethnic, Broadway, etc.

Year-round swimming. I can currently get that at PARC. In general though, I like to see a good variety of adult

Youth activities and places to play

Youth sports. Outdoor spaces

Question #3

Do you participate in programs offered by other communities? If so, what types of programs and in which com

Greater Canton Youth Baseball.

We utilize the PARC.

CYO Sports.

Grosse Pointe tennis lessons and ice skating on outdoor rink

Gym/fitness/pool in Livonia and Canton.

Have always been interested in the adult ed classes.

Have taken yoga classes in Northville. Rooms used for yoga there are much nicer than those at PARC.

Hiking trails at Farmington's Heritage Park.

Hines park bicycle riding

Hockey and exercise classes for kids

hospice-Livonia

I am a frequent visitor to Maybury State Park. I love the trails there.

I attend children's soccer games frequently in Northville, Novi, and Livonia. We attend both indoor and outdoor

I attend the parks in both communities.

I belong to Planet Fitness. It is nice to spend \$10 a month and use the equipment, but there is no sense of

I cannot afford the Canton program and others are too distant. I use the PARC facility at least twice a week. The

I do not participate because I did not think I was eligible for anything in Plymouth (city) and I am aware of no programs through the township.

I do the Monday and Wednesday senior fitness program. I used to do the Tai Chi programs but had to quit due

I go to Cantons Summit regularly and have gone to the Livonia Rec Center also. I utilize the pool, kids camps, workouts, and other activities

I go to Mayburry State Park, Hines Park, and Belle Isle regularly for running, biking, and hiking to be in nature.

I also attend Iyengar Yoga classes at Schoolcraft College.

I do plan on taking up Ice Skating and using one of the two ice rinks in Plymouth.

I have a gym membership with LA Fitness. I'd much rather have a place I could take my whole family for fun as well as go on my own for exercise.

I have enjoyed pottery classes in Plymouth, swim at the PARC, classes at the Summit in Canton. Gym

I have taken classes and participated with my children in gymnastics programs, karate instruction, etc., but it was not convenient as it was at a distant location (high school, martial arts studio).

large and too old and serves too small a geographic area for the investment needed to bring it to a quality facility.

We already have arts and athletic programming in existing facilities (school community education, Plymouth Cultural Center, Plymouth Arts Council, LA Fitness and other gyms, community pools and splash pads) that meet

I participate in recreational programs in Livonia - member of Livonia YMCA and attend concerts and program in Detroit, Canton, Northville, Ann Arbor and other surrounding communities in addition to Plymouth.

I participate in soccer and cheerleading programs within Huron Valley and Westland as related to my

I swim 2 days a week and yoga 1 day at Schoolcraft College...

I use the facilities at the Summit and the Livonia Y & rec center.

I use the Summit in Canton as they are the only local option for an indoor running track. Plymouth residents are not offered the "local" rate and it is logistically inconvenient, but it is a very nice facility. It is very expensive for a non-Canton resident, so I use it as little as possible, but during inclement weather it's sometimes the only option.

I was a member of the Livonia Rec Center until I changed jobs 3 years ago. I frequented the workout classes and used the equipment.

Ice skating and bike riding in several other communities. To be fair, bike riding often starts and ends in the Plymouth area, even if it encompasses several adjacent communities. However, most of my ice skating is

Ice skating, dance, swimming, bicycling.

I'm a Senior Director in Northville. I have close relationships with Northville, Novi and Livonia senior centers. They have constant activity. People just drop in to have coffee and visit with others. They bridge all the generations with art classes, exercise, lectures, etc.

In the past have participated in both Ann Arbor Rec & Ed fitness classes and facilities memberships, and Northville youth basketball (starts at a younger age than Plymouth-Canton).

In the past we've participated in the Plymouth Soccer club. We also attended dog training classes and been involved in the Plymouth Arts Council's youth theater.

Indoor Soccer in Novi

I've participated in rec & Ed classes offered at the Plymouth Community center.

LA Fitness

Learn to Skate at the Novi Ice Arena.

Livonia has an amazing gymnastics studio that offers open hours for tots!

LIVONIA rec center

Livonia rec center

Livonia Rec Center

Livonia Rec swimming, Zumba and yoga.

Livonia recreation center, we utilize many of the programs offered there because the facility is nicer (pool/locker rooms), and programs and equipment that is not offered or available through Plymouth recreation.

Livonia recreational center. Use of their lazy river, indoor water slides, workout facilities

Livonia soccer program (under 6 year olds)

Livonia YMCA has better classes for adults

Livonia YMCA volleyball

Mother toddler

Music in park

Music in the Park - Family Camp Out Night - Family Field Day and so much more in Canton.

Also Music in the Park in Livonia.

Very limited.

Walking Hines Park.

Walking my dog at Heritage Park in Canton. Swimming in Livonia

Walking, children's activities

We are Livonia Family YMCA members and use the exercise facilities, swimming pool, and fitness classes.

We belong to a gym that has a pool but it is quite pricy. If plymouth had one similar to the one in canton for resident prices I would join with my family.

We enjoy the Youth baseball and youth basketball programs that are provided by local YMCA more because these programs are not well attended through Plymouth Rec.

We frequently use the state parks for cross country skiing, walking and biking.

We have participated in soccer, swimming, flag football in other communities along with adult sports.

We have used the swim facilities and rock climbing at Livonia Rec and Canton Summit. Also check out Carmel Clay recreation near Indianapolis--they have amazing facilities and programming. <http://carmelclayparks.com/>

We participate in indoor soccer programs in Novi and Canton. There is no indoor soccer facility in Plymouth.

we participate in sports recreation in Northville

We play golf in Canton at its Pheasant Run courses.

We try to do everything here in Plymouth/Canton.

We use the pool facilities in Canton.

We've used the Livonia YMCA for many things over the years like swimming lessons, tennis lessons, and gym classes. We don't use Canton's Summit or LifeTime Fitness due to outrageous costs. We have had a membership at Murray Lake Swim Club for the past few years.

When my children were small they took swimming lessons at the Summit and then a private neighborhood pool in Livonia because the township offered no options

Wider sidewalks for biking (Northville), rec classes (Livonia)

Wine class through schoolcraft

Youth soccer (my grandchildren) - in various communities.

Zumba classes, Soccer clinics, volleyball clinics

munities?

Question #4

Are there any Recreational Facilities would you like to see developed within the Plymouth Community in the next five years?

- a dog park
- a public, outdoor swimming pool
- groomed cross country try skiing at existing parks / golf courses
- outdoor ice rink
- outdoor theatre / performance space
- bike lanes and improved maintenance of sidewalks / vegetation near existing Bike paths

- Would like to see a dog park developed in downtown.
- Community Gym/Fitness center

1. Full development of PARC; 2. Significantly improved golf course and club house operating at a profit; 3. Purchase from PCCS 20 acres of land on NE CORNER of Ridge & Powell maintaining the climax forest and A better (warmer) pool at PARC. A skatepark would be cool too.

A central community center, a community park in New England Village subdivision, a youth basketball and A community activity center (like Canton has at the Summit) - it seems like the PARC is the likely venue for this. A community center with gym equipment and classes. I would also like to see an archery range a community outdoor swimming pool a community pool for the City of Plymouth residents.

A community pool for township park. Modernization of some of the parks. Better management of Kellogg Park. Bike and walking trails. A modernized YMCA similar to other communities

A community pool/aquatic center. There is a 4+ year waiting list for Colony Swim Club and I believe it would be a huge quality of life benefit to offer a pool, which people would pay a membership for. The indoor pool at the A community rec center. With a workout facility, indoor and outdoor pool with little children features and zero entry, classes available for all ages, all at an affordable yearly membership.

Also a long, paved walking trail. A greenway trail system

A community recreation center

A Dog park on the golf course triangle parcel

A Dog Park!!!!

A family friendly rec center. Large pool (with optional kids recreational stuff), full gym, climbing wall, etc. Doesn't have to be huge, but we have nothing that fills that role.

A fantastic dog park!

A full service workout facility

A nice recreation center with workout center. Parc is nice idea but not interested in orchestra hall at tax payer

A pool would be great. Getting rid of the golf course and making that one huge park would be awesome.

A proper theater for performing arts programs. Several great performing arts organizations are within the PARC building and the stages within the building need several improvements.

A public pool and a properly groomed track for running or walking. Also, a dog park.

A rec area with a swimming pool. Similar to the grosse pointe communities.

A Recreation Center like Livonia.

A rev center like the Livonia rec center

A safe indoor walking facility for seniors

A senior center modeled after the Northville center

A space that offers indoor/outdoor recreation and dog park space

A splash pad

A swimming pool for adults to be able to do laps, and aqua classes and not just filled with kids. More adult only hours. A sauna or steam room. Maybe a nice walking area in the woods or park with benches, bird feeder, nature learning centers along the way. This would be wide enough for strollers and wheelchairs. Bikes restricted. A theater that shows independent and foreign films. Outdoor pickleball courts and indoor courts specifically for A wade pool or small man made beach

A Waterpark like the ones they have in VA and MD.

Access to swimming

Additional all ice facility

Additional practice fields and quality game fields for youth Athletics

Additional walking/running paths. I would love to see additional baseball/softball fields. Fishing ponds. I would love to see some kind of kayaking or the utilization and cleaning up of the Rouge River and the lakes it feeds.

adult baseball fields, youth baseball fields, more soccer fields, biking pathways connecting Edward Hines to Old

An outdoor ice arena connected to the cultural center.

An outdoor nature area with hiking/bike/running paths.

An outdoor public pool.

An outdoor skating/hockey venue established at one of the City parks, similar to Buhr Park in Ann Arbor.

Establishment of a Community Recreation Center with space for arts, athletics and community gatherings.

Another sheet of ice would be great. I know it is a great expense but I think with the tremendous staff you have in place they could make another sheet of ice work

At least one public pool. Take a look at one of the five public pools in Cedar Rapids, Iowa! A community recreation center with a gym, exercise facilities, a track, tennis courts. An updated hockey arena.

Basketball courts would be amazing. A community pool would be awesome. Walking paths for summer/spring/fall walking and jogging, and trails for winter snow showing, skiing, walking.

Being able to walk my dog in the park

Better community indoor pool than what is at PARC. They are making a good effort, but the locker room needs updating and it's so hot in there! And the pool is too cold.

Better theatre would be great.

Bike and walking paths.

Bike lanes on the roads.

Bike path connecting Kellogg Park to Plymouth Township Park and to Hines Drive.

Biking paths : connected sidewalks

c

Community theater.

Continue to update the PARC and lots of possibilities for the PARC and great location.
Continued work to increase programs at The Parc, especially for kids. Also more upkeep ay football
Continuous bicycle/walking paths on all the main roads: North Territorial, Beck, Ann Arbor Trail, Sheldon, Joy.
Converting a portion of Hilltop Golf Course into walking trails.

Definitely a theater / performing arts space

DEVELOPE PARC ASAP.

Disc Golf.

Additional off-road hiking and bike trails.

XC skiing at the golf course.

Dog park.

Dog park

dog park

Dog Park

Dog park- or at least a nice park where dogs are allowed (unlike McClumpha)

Dog park, exercise/fitness trail similar to that in Hines Park

Dog park, outdoor ice rink, outdoor pool, splash pad

Dog walking areas, swimming and archery.

Don's plan for the PARC sounds pretty cool

Downtown Plymouth and something in the West of the Township, so that we do not have to drive so far.

Exercise facility-not everyone can afford those private clubs.

Expand and upgrade golf hilltop course

facilities similar to what Canton has achieved, with a place that can be a gathering spot for the community and a
Fields for soccer and lacrosse

Fitness area. Outdoor community pool

Fix golf course

Focus on senior facilities. Offer transportation, activities, trainer instruction, healthy snack & drinks. Planned
Further development/support of PARC has been successful - let's develop McClumpha Park and its green space
to be a haven for city and township residents.

Get your own

Golf Course seems to be a money loser. Maybe make better use of that property. I golf and do not enjoy the
course. No driving range, and sadistic greens. I would not put any money into that course, but would see about
Good baseball fields, better use of the PARC.

Gym facilities

Gym/fitness/pool

High-quality gym at PARC - would be willing to pay membership fee to have access to a gym close to home

Hiking and biking paths.

Hiking and biking trails and roadways.

I attended the PARC mtg. My husband and I love every bit of the plan. We would love to have a performing arts
center nearby and happy to pay the extra tax for it.

I believe in the PARC, but would ask for the field to change to artificial turf to help support as many sports as
possible, along with getting new lighting, stands, etc.

I believe the community offers a good range of facilities. There should be more emphasis on the active senior.

I hope to see the PARC expanded to include a Performing Arts Center as well as renovations made on the facility
to improve the current programs offered there.

I liked the idea of having the small bandshell sort of gathering place in McClumpha Park that was discarded. Too
bad, it would have allowed for small weddings, local bands, street performers, and children's plays,

township get involved so that the facilities and offerings can be even better.

(I don't support PARC's proposed multi-purpose performance venue, however - we want things to do, not a place to view).

I support the current plan to build a performing arts theater in Plymouth.

I support expanding services at PARC to include more community classes.

I support increasing the number of green spaces, especially wooded walking/running paths.

I think that the recreational needs of the younger population could be helped.

I think we are lacking a large pool for the high school or community that would allow students to practice AFTER school if high school is going to begin so early, so that simultaneous teams could practice and that we could have

I think we need an affordable city-run fitness center.

I would like better walking and bike trails connecting parks and recreational services, such as connecting Plymouth Township and City of Plymouth with safe walking and bike trails.

Please do not invest money in the PARC.

the high school pool programs do not seem to work well. Something along the what Warren Recreation center offers. A skate park would be a nice add. A local dog park. More access to indoor gyms with basketball and racquets/Volley ball courts.

I would like to see a nice, indoor walking facility which could be an alternative for Mall Walking. I'd also like to have an outdoor track where we can run and bike.

I would like to see more public tennis courts available around Plymouth.

I would like to see the PARC project succeed. I especially would like to see the old building restored, and the old theatre in PARC brought up to today's standards. It would be nice to have the new large theatre as well.

I would like to see the PARC supported and developed by the City Of Plymouth. I would be nice if the PARC has a gym with tread mills and other machines and also weights.

I would like to see the Schoolcraft senior center more developed. They need furniture for seniors to come in and sit, as other senior centers have. It needs to be warm and welcoming. They need exercise equipment to draw in I would love to see a performance center built!

I would love to see an outdoor swimming pool! Also, a dog park would be nice.

and culture offerings we could also see improved athletics in that space as originally outlined several years ago. This community is missing an outdoor pool, indoor tennis courts, rock climbing wall, work-out facilities with equipment (treadmills, stationary bikes, etc.)

I would to see more money invested in the PARC.

I'd like to see a pool for adults. One for children of all ages with a water slide etc. like other towns have such as Livonia and Canton. Also a work out facility for adults. Complete with jacuzzi. Let it be a sliding scale though.

Ideally a community pool and tennis courts.

If taxes don't go up, a nicer pool and/or theater would be ideal. But nothing is free!

If the PARC is further developed, I would need more information, particularly concerning costs. Our tax rates in the township are good now and I would not like to see additional tax burden for this development.

If you have ever walked in downtown Plymouth what do you see but lots of people with their dogs. We are the only city or township in the area that does not have a designated dog park. Northville's dog park is not free but it is very carefully run. We certainly have enough room at the Township park.

Indoor basketball courts. The one at the PARC is not big enough. Bike lanes for roads leading into downtown and indoor basketball courts. Walking areas, swimming pool and workout area.

Indoor running track

Indoor soccer. Yoga center

Indoor track

Intentional plans for connected running / walking trails, possibly connecting to other neighboring communities. It might be a pipe dream but something like Livonia's city rec center would be amazing!

It would be great to have an indoor walking path - with views of the outside - maybe adjacent to a park/nature area. We need a safe place for seniors and handicapped people to get exercise.

It would be great to see a gym for community use, including exercise classes, an indoor swimming pool/splash pad, gymnastics and an indoor track for recreational use. We make use of the Livonia rec facility.

Just bike trails, walking paths, cross country ski paths

Large competition pool as noted above

Larger and more assessable pool

League programs

Maintain the golf course

Maintenance of the golf course, improved clubhouse bathroom facilities

mentioned above (dedicated soccer fields (or multi-use like lacrosse/soccer). dedicated Bike and walking paths connecting western township with City.

Model the PARC after the Livonia Rec center, basic workout & Gym along with the current Arts tennents.

Modernization program for PARC building, former Central Middle School. Particularly to the pool and gym

More development of PARC -- for both cultural and recreational activities -- with participation from both the City do not live in Plymouth city or township. We don't need to build fields for travel programs for non-residents, lets not repeat the Northville experience where the government built fields for non-residents and to provide income to individuals as professional coaches.

More green space! Fix the concrete mess at McClumpha Park and restore it to more green space. Connect sidewalks on Ann Arbor Trail and Ann Arbor Road so residents can walk and bike with families to DTP. And

More in plymouth township park

More indoor and outdoor pickleball courts

More natural areas

More running walking trails

More walking trails/outdoor parks geared toward NATURE and without the play equipment/water park etc

More walking, biking, trails that connect to Hines Parkway and other trails. A bike lane or access to connect along Sheldon to access teh bike path in Northville without entering traffic on Sheldon Road. A way to get

More walking, hiking, biking, cross-country skiing trails. Rock climbing and/or bouldering. Outdoor basketball courts and additional tennis courts (especially if PARC removes half of theirs as planned). Roller hockey rink.

recreational facilities that match similar communities. Would like to see vastly improved swim facilities and higher level instruction at PARC. I have great respect for what the PARC aquatics people have done with that program but ultimately we found a pool that is a little farther away, but much more pleasant and easier to access (no freezing treks through a dark, icy, broken up parking lot, decent showers, reasonably sized lockers, no frighteningly slippery narrow pool deck, no 100-degree bleacher seating...) for our child to take lessons. The

PARC pool, seating, and locker rooms just need to be completely overhauled. Would love to see an addition of water facilities including lazy river, flowrider, etc. More bike parking in DTP. Safer bike access to Hines Park...I

won't allow my family to bike on Northville Road or Wilcox for safety reasons, but wish it could be different. In Multi-purpose recreation center with indoor and outdoor pool; focused on physical health, gym equipment, classes, kids Center, (see summit and livonia for examples)

Music lessons for all ages. Also dance classes"â€"all ages.

N/A

Nature trails, more ADA playground equipment.

New community pool. Tear firm Central middle school and create something like the Summit in Canton. The

courts, track, fitness center, etc. PARC complex is a possibility but needs a ton of money for major renovations. Seems like the size of the land (tennis courts, football field, track) and building could definitely support such a center. I'd support a tax proposal to fund this. I live in the township and don't care that it's in DTP- the township "vs" the city mentality in previous administration was ridiculous.

no

No

No

No

No

No

No

No

No

no

NO

No especially not the 800 seat theatre. These venues are close enough to us without cause a fortune for the tax No more. We already have too much going on and residents are often crowded out by out-of- towners attending No new ones, just improve what we have.

No, between the two PT and P there is all we can afford.

No.

No.

No.

No.

No. I don't think it is the Townships responsibility to provide recreation.

No. I would rather see the city out money to improve the facilities that already exist.

No. What we have is sufficient.

None

None

None

None

NONE. Nothing at all.

Non-motorized trails for safe bike riding. Large number of disconnected sidewalks. Quite a few heaved sidewalk hazards. Unsafe route along Haggerty Road to Hines. Unsafe underpass on Ann Arbor Road at rail. Unsafe route on Beck Road crossing 14. Add bike lane for safe bike route on south side of 5 Mile from Beck Road to Hines.

Nothing specific, but expansion of what is offered, especially at PARC, would be great!

and will be valued by them. The Ply YMCA seems unpurposed then, there is no meeting place for them. Will they move to the PARC?

I would also like to see more adult ed offerings for physical fitness. Team sports and community competitions are healthy and fun ways to get everyone to better know each other and have access to physical activity in any Off leash dog park

the gardening/greening effort I mentioned above. There are some great people in the Master Gardeners Association, and I think a partnership with them would raise everyone's spirits and pride in their yards and community spaces.

Outdoor community pool - it is crazy that there is a 6 year wait for Colony and the fees are outrageous. Grosse Pointe has multiple outdoor pools that create a sense of community and it's not just for the elite. More soccer Outdoor community pools

Outdoor community pools

Basketball courts

Outdoor ice rink

community building with ping pong, pool, football, room rental for bday parties, tables for card games or board games, areas to chat, healthy vending machines, desk with staff to manage amenities and free rentals with collateral

Outdoor ice skating rink

Outdoor swimming pool - only if a business model makes sense, since this is expensive to build & operate.

More Tennis courts - especially if PARC is able to move ahead with performing arts building, requiring removal of some or all of existing tennis courts in downtown Plymouth.

Skate Park - if it has been proven successful at other communities (Farmington Hills & Ann Arbor have them, I think) and is not a detriment by bringing a "bad teen/young adult crowd" to a park area, then this would be a good asset to have.

Outdoor pickleball courts.

Outdoor pool

Outdoor pool

Outdoor pool

Outdoor pool for summer. Outdoor hockey rink would also be great. Skate park.

Outdoor pool pickle ball courts dog park

Outdoor pool, additional outdoor soccer field, indoor soccer fields, dog park

Outdoor pool.

Outdoor public or nonprofit (open to public) pool

Large capacity performing arts center

Outdoor walking/nature trails

Outdoor public pools would be a wonderful addition.

Outdoor skating rink. Update the facilities at PARC. A theater would be great - plays, musicals, performances.

Outdoor skating rinks, tennis courts, and a community outdoor/indoor pool

Outdoor swimming pool

P.A.R.C and current proposals for that building are appealing. It would be nice to have a nicer pool available for residents, with an outdoor pool option for Summer.

Parc

PARC

PARC

PARC

PARC is a huge asset. Id love to see a gym workout facility here rather than paying a fee to large corporate gyms

PARC renovation, open to concert venue

PARC will hopefully continue to be developed, and I hope the township will put some money into the golf course

PARC, Downtown Plymouth. A WONDERFUL location and a WONDERFUL space.

Parc.

PARC. Space is there and can accommodate

PARC. More community PARKS, pools, tennis courts, bike/walking trails, exercise facilities, etc.

PARC; would like sidewalks all the way to township park from DTP so we could ride our bikes there

PARC--outdoor swimming pool and splash pad
Theater for plays and musicals
outdoor shell at Kellogg Park for bands
more trees in neighborhoods

Park in Lake Pointe Sub Division could be better.
Perhaps a fully loaded gym facility, similar to a YMCA.
Perhaps some soccer fields, and a skateboard park.
Plymouth Arts and Recreation Center (PARC) should be supported.

Pool

Pool for exercise / laps- NOT a kiddie fun pool.
Pool, Gym and related facilities remodeled.
Pools and out door ice rinks. Dogs allowed at parks.
Pools that offer swim lessons indoor for year round, but outdoor would be nice in the summer as well. A work out gym with equipment would also be beneficial. With discounted rates for residents of plymouth.
Preserve resources and open space with a multi decade view.

Programs for seniors and those with a disability.

Public indoor and outdoor swimming facilities.

Public outdoor pool

Public pool, skateboard park, climbing wall, tennis courts on east side of twp.

Public pool.

Public pools

Public swimming pool (outdoor and/or indoor) and recreation center

Rac

Rec center

Rec center for fitness activities

Rec center like Livonia has would be nice

recreation fitness center similar to what Livonia has for its citizens would be really wonderful to have for

Recreational center similar to the Livonia recreation center or the Summit in Canton

Recreational Center that offers more school-age and family activity programs such as Ping Pong, Computer labs, Swimming, Rock Climbing, Basketball, work out facility, Yoga classes.

Recreational center with workout area and pool

Additional small shelters at community parks for family/organization events, concessions at Township Park near playscape (or at least keep the water fountains in good working order!). Hot water and soap in Township Park restrooms.

Renovations of the PARC pool is desperately needed. The facility is outdated and the locker rooms need to be

Repurpose the golf course so all can enjoy the open space.

Restore the playscape at Plymouth Township park. Each year something is removed or boarded over and nothing

Safe bicycle lanes.

dog park

Salt water swimming pool and arthritic pool.

Indoor walking path. Yoga tichi and dance floor. S

Same as mentioned in answer 1.

see #1

see #1

a nice outdoor soccer field and/or basketball court could be added to a park -- maybe Plymouth Twp park? or elsewhere? There is a small soccer field downtown, I know, but no restrooms.

See above.

See above.

see above...family oriented community center

See answer to question #3.

Senior exercises, games for older people, classes, etc

Similar to Livonia rec

Similar to Livonia rec center

Since Plymouth Township doesn't use the corner of Beck and West Ann Arbor Trail any more for parking during the fireworks; can it be used to expand the Golf offerings? I.e., expand the hole #1? or create a Pitching Practice skate park and community outdoor pool

Skateboard park

Soccer fields (turf) swimming pool (public)

Soccer fields. Maybe a skateboard park.

Softball fields, and not just for kids.

Some kind of technology center for kids to learn about science/technology. Leverage local industry (automotive, manufacturing, etc.) in th Plymouth-Canton area

Something along the lines of the Livonia Rec Center

Something like PARC with classes and swimming

Something like the summit in canton

Something similar to Livonia Rec. Center, but with more family oriented activities. Outdoor swimming.

Swim, open track for multi purpose use, community exercise facility, swimming pool

Swimming pool!!! Flag football league

Swimming/pool, update and repair of existing facilities in the city and township

Tai Chi, pickleball, symphonic programs, community theater, golf/golf-related activities, senior activity center or locations within other centers that provide interests for a wider age range, speakers (some things that the library targeted toward the general population

Test

That would be a dog park

The completion of the renovation of PARC and building the performance center. Also abetter utilization of the Friendship station. It is very difficult to get information about the senior program .

The Farmer Street building and grounds

the old central middle school building and the outdoor recreational activities, but am against the separate 800

The PARC at the old Central Middle School. Offers so many valuable sports and recreation opportunities.

The PARC is a joke and we need what Livonia has.

The PARC seems to have a lot of potential, community parks, possibly partnering eith the Village Arts Factory in

The PARC, The cultural center, the track and football field behind the PARC

the Plymouth Arts and Recreation Complex!!!!

The popular soccer program could use some investment and management of outdoor field space.

The Township Park had a very nice wood-chip trail developed recently which creates a very comfortable and serene environment for walking and running. It would be nice if that could be extended to a greater distance.

PARC upgrades to present a complete fitness center should be considered.

The water park is great but there is only one. Perhaps another sprayscape would be good.

Theater, of course.

Township park expanded into the golf course property. Expand trails for running/biking. Schools could use for cross-country. Possibly add more fields in the flat area. Just more flexible open gathering/play space. Use existing club house as a seasonal restaurant/bar/concession area for the park to help fund upkeep.

Updating the PARC facility

Upgrades and overhaul of Kellogg Park. There should be a permanent bandstand and ensure Kellogg park ties both the East and West side of Downtown together.

Volleyball courts and dog park; also more sidewalks throughout the community. Better integration with Wayne Walking and jogging trails; enhanced areas for fitness classes.

Walking paths and bicycle paths.

Walking trail similar to 275 metro trail, perhaps out on the west end of Plymouth. Would love to see hilltop stick around (I play there several times per year).

Walking trails and parks to have a picnic.

Walking/running paths

Water park

Winter Sports

Without question, PARC. The opportunity to provide the Plymouth Community with a facility that provides arts and recreational opportunities is too big to pass up.

Would like to see an ice rink at township park and snow machine for the hill. The warming station would get more use and people would like this in my neighborhood. Also, have people asking for a dog park.

Would like to see more activity class offer, It would be nice to see in the community a rec center to offer dance, gymnastics, soccer... there are only minimal exercise classes, hockey or swim.

Would love to see Parc developed according to current Master Plan. New theatre building would be major plus

Yes

Yes

community OWNED AND OPERATED facility. Not one that is outdated like the Cultural Center with few offerings and definitely NOT the PARC - which is nothing more than a private business with private tenants that want community tax dollars but not our input or say in their operations. I also want to see the Plymouth Fireworks and picnic brought back - I don't care how much hate the current administration has for the past administration, it shouldn't have taken away something the community loved that brought us all together.

Yes - something similar to The Summit and/or Livonia Rec Center. There's been discussion of converting a tennis court or two into pickle ball courts at the PARC property. Would like to see that done. We drive to Canton now to play. All-season dome would be good. Should be have at least (2) full field capacity.

Yes (see above). A facility with comprehensive exercise areas (indoor track, exercise equipment, gym).

Community performance venue with auditorium.

Yes a gym

Yes a true rec center where all classes meet.

Yes as mentioned above. Open gym activities such as volleyball, basketball, etc., and an indoor running track and gym/weight room would be awesome!

Yes see previous answers

YES! A community health club with indoor walking/running track and pool!

Yes! Build a covered open air basketball court like the one on Marco Island in Florida at Mackle Park! This structure would be inexpensive to build and get lots of use! Please check it out! ☺

Yes, I believe the PARC facilities and sites such as Allen School could be better developed.

Yes, I would like to see the PARC utilized as a community rec center. However, to effectively do this, the facility and its parking needs to be modernized and upgraded. A new indoor pool would be ideal. A theater like Cherry Village Theater is also needed for the community. PCEP is lacking a new pool and a moderately-sized, modern theater so the Plymouth Community could fill these voids AND make some money through rentals.

Yes, see #2 above.

Yes, something like the Livonia facility or a YMCA that is an actual building. It is not cool to go to classes at elementary school facilities.

Yes, something similar to the PARC plan but with a very nice fitness facility added with family friendly fitness

Yes, something very similar to Livonia Recreation or Canton Summit.

Yes, we need a swimming facility similar to the Livonia Rec Center that is capable of being used for swim lessons, recreation, lap swimming, and most importantly, USA swimming club meets.

yes, with a big pool. at Livonia, they always have lanes tied up for swim teams, etc., so general members get

cheated out of use. Livonia wanted to make 2 pools: 1 for teams, 1 for members, but that didn't happen. If we

Yes. I would like to see a recreational facility on par with the Livonia Recreation Center. I would take advantage of a pool similar to PARC, weights, classes, indoor running track. I would frequent the rec center at least 4 times

Yes. A community fitness center with indoor and outdoor pools.

under tremendous pressure; at our current burn rate, we will either have to slash many of our programs and services or we may cease to exist within 24 months.

This community needs to make a major commitment to it's growing senior population and it needs to do this now. This needs to be a line item and part of the budget as our surrounding communities have done.

Question #5

What role do you see the City of Plymouth and the Township of Plymouth having in providing programs and facilities in the community?

100%

1. Combining recreational organization; 2. Approving an elected representative Board to oversee all recreational activities based on each community's population based on 10 year census data; 3. Find a way to reduce City & Township millage to establish a mileage to operate recreation programs and facilities.

100 percent

A central role

A community Recreation center. Would like to see township to provide a more interactive park, since the city A coordinated plan and schedule to maximize the use of all assets

A joint fund could be created to promote arts & culture in Plymouth like the Livonia Arts Commission. I would like to see the Plymouth community support the PARC project.

A joint role. Nearly everyone views it as one community.

A leadership role of organizing the citizens which fulfills and responsibility and an obligation.

A role of unification between communities bringing various age levels together. Let's make this area one of the most want to live in areas for families and retirees.

Accessibility, variability, lower cost

Advertising of existing programs, sourcing of new programs, scholarship/grant awards for individuals and organization to facilitate community based, all inclusive access

ALL parks/rec activities should be coordinated/shared to the highest degree possible to save on overhead and have a cohesive plan for the greater community

Anything that brings the community together should be the community's goals, and adding to the fitness level of their constituents I would think would be important as well.

Aquatics, improved senior services (fitness and recreation).

As a family oriented community, they should be very focused on programming.

As in other communities Senior Centers are supported by the governments by the way of taxes.

At some point the Plymouth Senior needs should also be worked into the tax base.

As much as the current mileage would allow.

Better and safer routes bike routes between the City and Township.

Big part of what our governments should do!

Big role lots of families and teens in the area needing space to play

Both need to work together and share costs for the betterment of our community.

Plymouth and Plymouth Township are ONE, not separate cities!

Both sides considered equal

Bring seniors center to center of town. Develop s programs like choir, seniors orchestra without auditioning, ukulele club, film club, book club and memoir writing.... many more.

Build and maintain

Building and maintenance

c

Charges for activities should be the same for residents of the City of Plymouth & Plymouth Township. There has been too much division through the years. Let's get along!

children's sports

Senior activities

Music performance

Class workshops when kids off school, summer camps, exercise classes for kids

Collaborating together to bring in funding to expand the great, green spaces we have to make them even better.
Coordinating the various programs and their communication to make it easier for citizens to access and learn
Combined programs if no additional taxes
Communities which make a commitment to support arts and recreation and other programs which contribute to the quality of life for their residents create the most desirable places to live and work.
fabric. Love our public libraries. I would like to see lots of educational programs to update skills and knowledge.
Also, parents are hungry for *affordable* quality programs for their kids. Lego Leagues, literacy programs, clubs, educational opportunities: these build community.
Continue to provide support, staff and activities.
Continued support between the two.
continuing to create opportunities for public input.
Cooperation where possible without increased fees and/or property taxes
Coordinate services and provide equal access of all services to the City & Township.
Coordinate with existing recreational organizations to provide information, access, & to fill gaps.
Coordination and administration.
Coordination of community resources, provide facilities that are not available through private sector (open
Coordination of efforts.
Creating a community center with a pool similar to Livonia and Canton
Creating a unified plan that benefits both communities. Perhaps a recreation board with a budget and representative of the interests of both the city and the township.
Creating and promoting youth recreational activities will allow the community to attract families for years to come. This emphasis is a key to sustaining growth and nurturing a diverse community.
Cut costs for both.
Cut costs, there is a lot of duplication in the two groups.
Cutting costs for having two groups
Definitely feel that a joint-run recreation program makes sense. I have always felt that since moving here 20+
Developing the facilities, co-ordinating space and officials for league activities.
Development of new Parks, maintenance of existing parks and creation of a fitness center
Do things jointly, no more duplication.
Don't think the city and Twp need to sponsor programs, plenty of folks to do that. Just need good facilities and
Ensuring that the programs leasing space through plymouth facilities encourage inclusion
Exercising fiscal responsibility by careful, prudent expenditures and limiting tax increases.
Existing facilities can be enhanced to cover activities for a broader range of people.
Facilitating formation and administration of recreational sports leagues and cooperating with more competitive local clubs. Provide facilitation if the formation of community art and fitness programming, so that like minded
Financial support through grants and property taxes. Assessing needs and developing relevant programs.
Evaluating programs. Maintaining facilities and ensuring safety
Finding organizing running regulating
funding, awareness, taking public opinion into account
Further development of current programs.
Government should help facilitate the availability of services in the community by private organizations but minimize their involvement in managing those facilities.
Guidance and oversight of the recreation authority.
Having a joint dog park for residents.
Health
Hell no
High Priority along with strict guidelines on Residential development to uphold real estate values of existing

residents have different values there. I don't want my Township tax dollars to be spent in the City of Plymouth - I want them spent IN the Township - making our roads and parks nicer and our streets safer. Each thing needs to be focused on THEIR residents. If residents wanted to support other areas, they would live there. I chose Plymouth Twp for a reason over City of, Livonia, Northville, Canton, etc.

Hopefully none.

Hoping for a major role in growing the activities available for residents - its a major reason for us living here HUGE role. We moved to this community due to the family environment. We love the Kellogg park activities and we really loved the 4th of July activities, especially the fire works. Its those activities that brought us to Huge roll. And they do a great job with up keep!

Human resource management of staff, buildings and grounds maintenance, Building facilities, marketing, ADA I am glad that the city and township seem to be working better together now than they have in the past. I think the "one Plymouth" idea is crucial to developing more and better quality recreational and cultural experiences I applaud your efforts to develop an overarching strategic recreation plan which address the current needs and those needs trending upward in our community.

I believe that the city and the township should work together to develop programs and facilities instead of duplicating and trying to out-do each other. The citizens work together in their jobs, schools and churches—the I believe the City and Township should develop shared management, planning, security, maintenance, and funding for events, programs and facilities.

I believe we have the tax base to support a modest parks and recreation program. I wouldn't mind paying a little more to increase the amount of opportunity.

I do not distinguish between City and Township. I view them as one in the same. We should leverage ideas, facilities, and resources as one Plymouth Community.

I don't know.

increases that would be the best option. It seems the independent ideas that have come to this area are not serving everyone well in the community. There are lots of gyms in the area, but community centers and places like the YMCA serve everyone. It's disappointing that families in Plymouth go to other communities or places like Lifetime fitness that are in other communities and pay a lot of money. Kids are losing out because parents take them to these "gyms" and put them in childcare instead doing activities with them or enrolling them in I expect the city and township to develop more programs and facilities. These 2 towns have had a major turnover in population in recent years and the younger families need the governing bodies to catch up.

I have lived in the city for 30 years, have rarely used the city or township recreational facilities...my families recreational needs were met by the school system or private companies (gyms, clubs, golf courses).

I just want there to be a website that makes it easy to find and sign up our children for activities.

I like the idea of a joint venture.

I really like in Davison that they connect a dog trainer/yoga instructor/aquatic classes with the parks over the summer. Parks & Rec doesn't facilitate but helps process some transactions for payments. Cleared sightlines would be great at some of the parks along EN Hines and parks in the center of neighborhoods.

I see it as a major responsibility of the city.

I see the City and Township working with the schools, Wayne County, and Parks and Rec to coordinate recreational development plans so that all can benefit and avoid duplication. I don't see the governments jointly I see the city managing a more robust rec program and facility, similar to what Livonia has.

I see them as sharing the responsibility and offerings. Would love to see a theater for plays and music.

I think community recreation is very important for those who want to be active and enjoy a sport without the pressure of being super competitive. The parks should be well maintained with work inking water fountains and I think in order to fund this both communities must work together

I think it is important that the City and Township work together to provide facilities and programs that create a vibrant, active community that is a desirable place to live.

I think it should be a joint venture.

I think joint programming would be great to increase the quality of the programs within the entire community. Existing facilities are adequate with the exception of township park/ lack of fields.

I think the governments should join together and offer robust programming, plus supporting private business programming (yoga in Kellogg Park, for example) across all of the available facilities. Joint programming with i think they should be combined to save money and increase our recreation choices

I think they should fully integrate their recreational services for all residents at the same fees and ease of access.

I think they should join together to create a program that serves both the Plymouth city and township as one community and not two separate communities.

I think they should lead/drive programs and facilities that improve the standard of living in the community.

I think they should work together as the Plymouth Community for the good of all the residents.

I would expect some use of tax dollars and probably a usage fee, with great discounts for Plymouth residents.

I would hope that they work with PARC to provide more spaces and opportunities for residents of both the

I would like to see both communities working together in the future.

I would like to see both working together to bring citizens together

I would like to see them build a brand new aquatic center that can accommodate high level USA swimming club meets, just like the Livonia Recreation Center does.

I would like to see them work together, as one.

I would love to see more baseball, multiple use turf fields be built that can be used for high level soccer games to

I would think that it should be one of their priorities

Improving the safety for all the students who ride their bicycles and walk to school. Improve fitness of everyone (children, adults, seniors) by providing walking/bicycle paths.

Integration and networking local industry and government funding. Gather public opinion and develop the vision.

Investment

It depends. As a township resident, I do not want to pay anywhere near the taxes the city of Plymouth people pay. So if by joining them it means a tax increase, I don't want it.

and make One Plymouth work already. I've lived here for 30 years, and recognize that there are issues to overcome, but I have never understood why two small communities right on top of each other do not work together. I see the city and the township cooperating on a comprehensive recreation plan, with reduced usage rates for residents.

It makes sense.

It would be great to see more programs offered for youth in the community

Joint effort please and reciprocal registration for both City and Township residents

Joint effort to build bike trails that go throughout the township and city.

Joint effort with equitable financial support.

Joint partnership, communication, cohesiveness.

Joint planning

Joint Recreation Facility and programs

Joint role, split equally financially

jointly working together to provide new athletic fields and organizing more youth sports.

Jointly, very little. I see a potential (significant) change in future millage requests if this becomes a joint effort, even with potential new grant monies.

Just provide the outdoor space and upkeep

Key part of being community together with activities

lead and support

Lead role

Leaders in the proposal and development of a community rec center

Leadership and cooperation

leadership to include business leaders in funding the facilities.

Leading the way in supporting overall community wellness/inclusivity.

Listening to citizen input and reasonable cost containment.

Listening to residents, proposing solutions, asking residents for approval of proposals, spending our money efficiently, maintaining facilities.

new within an existing footprint. An example of that would be construction of a skateboard park either in the township park on Ann Arbor Trail or near the city's Cultural Center. I don't think either the city or township needs to acquire new properties in order to expand programs. The local governments do not need to be the sole provider of recreational facilities.

Main institutions for developing and maintaining parks and other outdoor facilities. Key source to regulate the use of parks and other outdoor facilities used by sports and recreation programs.

Main role

Main role. Would be great to have everything from the city.

Maintain the parks and the equipment. Make sure it's clean, safe. Painted if needed.

Maintaining and developing beautiful and useful spaces for the community to gather and enjoy the outdoors or recreation with family and friends (including furry friends!)

Maintaining parks and running athletic programs.

Maintenance

Major

Major role

Major, cooperative role.

Managing center

Managment

Many different sports, with spots for every kid who want to play

minimal

Minimal role; only if can be done with no taxes.

Money and volunteers from both communities

More employment and more opportunity for all.

More for seniors the neglected people

na

Nearly all residents identify with the concept of Plymouth, not of township or city. The two entities should strive to share resources and develop a common vision (e.g., arts in the city and recreation in the township where

Need more. I feel like I need to go to livonia or canton to get a rec center

Need to be sure the PARC is not funded by taxpayers.

no

None

None -- the existing relationship is fine. I do not want to see my taxes increase for any reason to support any recreation programs or facilities. If you want the program, pay for it. Don't want to use it, don't pay for it.

none except getting back the money the city owes us

None.

Not sure

Nothing beyond what is done now.

Nothing beyond what is done now.

Obviously if trustees have opportunities to suggest improvements that can improve our quality of life and make Plymouth a more desirable place to live, by all means do so.

Only as much as can be funded with existing taxes.
Only that which can be provided with already existing taxes.
Organize groups, make connections, coordination activities, make promises available
Organizing activities for seniors.
Overall management of program and facilities, but a local board or group overseeing everyday activities, and day
Oversee, provide the necessary administrative oversight. If there are additional programs and facilities needed,
the cost should be borne by those who use those programs and facilities. In other words, pay for play.
Overseeing it with financing and managing a recreational facility.
Park upkeep. I do not think tax payers should be responsible for additional facilities or any additional programs.
People who use them can pay to use them.
Part of their responsibility.
Participate in building facilities, funding and operating them.
Partnering to offer more options?
Partnerships with already established programs even if they are private. Providing good space to promote
programs. Fields, courts, pools, etc. There is a lack of brick and mortar and grass to support our communities
Plan and implement programs
Planning activities
Planning, Development, Contracting and Administration of a facility such as what the city of Troy offers its
Plymouth Township doesn't really have facilities other than McClumpha Park. Figure out Hilltop golf course
without more strip malls or homes. Additional rec classes would be awesome!
Plymouth, city and Twp, already have a lot to offer. Improving the Parks & Rec offering is overdue and very
Primarily Administration
Provide a variety of recreational opportunities for broad variety of abilities and moderately priced spaces for
meetings and social occasions.
Provide clean, safe parks. Provide sidewalks and bike paths for active transportation options in the community --
not just for weekends athletes, but everyday active transportation options for everyone, including children and
Provide Community space and organization for rec activities
Provide the fitness facilities and charge money to use them making it more affordable for residents
provide the open park space and maintain it.
Provide/maintain facilities and security
Providing a common area where family and friends can gather and meet.
Providing excellent resources and venues for recreational activities; developing strategic plans with community
Providing good services without raising taxes
Providing space and funding
Providing the forum and organization of them and acquiring instructors for these programs.
Quit building monstrosities of house and preserve land.
Recreation should be a priority after public safety.
Request joint funding from Federal & State programs to partner in comprehensive bicycle plan - then implement
by phase. Work w adjacent communities to connect dots w trails between communities. Detroit, Dearborn &
Ann Arbor are much more advanced w miles of connected trails & ride share programs.
pay taxes on PARC. The facilities should be conveniently located for both communities; far and near locations.
Basic programs offered in both the city and the township with larger programs facilities shared. How can the
high schools be used?
Responsible tax money managed if possible for parks and rec.
secure federal grants, feasibility studies, collaboration of the 2 communities. determine population interest and
look at future demographic trends and needs (aging population? younger families, etc.).
See question #4.

Senior programs, children programs
Setting equal access/fees for residents of city and township
Shared facilities, including PARC and all parks.
Shared input, shared cost, shared use
cooperation.

Should work together to develop.

Some activities can be combined to decrease the participation costs. This is more for children's activities.

Something like the Livonia Rec Center.

Stewardship and leadership in the preservation, Maintenance and promotion of our park system.
substantial

Support and work together to provide services and avoid duplication of services. They should not be involved a
LA fitness or Life time kind of program. There are many of those already.

Supporting people that are organized and providing spaces that are designed for these activities.

Take advantage of each communities inherent resources.

Test

The City and Township should have a major role in providing programs/facilities to the community.

The city and township take good care of their citizens. That's why we moved here. I see them providing the
facilities that the citizens can utilize.

The City and Township would have to be the primary role in maintaining the rec center.

The City does an excellent job of running recreational programs. They are the professionals who have the
knowledge and experience to keep the focus on recreational programs.

to follow their example

The City-PARC

The Township - Soccer, Skateboarding

The leader!

to be offset by recreation memberships. The government should contract outside service to run and
manage/maintain the facilities. Ensure they host proper events, maintain members levels, administrate rentals,
etc. (Give them performance incentives for achieving high level of goals.)

The municipalities should take the lead in offering programs and providing facilities. Obviously, this will have to
be done with tax dollars, but I really think both Plymouths need to offer these for the residents.

The role of the local governments should be to maintain existing services and augment these services in limited
ways that have both a livability and economic benefit.

The same ones we have had.

The two entities should be developing joint programs/facilities.

The two governments should partner with one another and the school district and local nonprofits to coordinate
and co-develop recreational offerings and seek foundation and federal funding to add to local funding

The two jurisdictions should merge their park and recreation operations to the greatest extent possible.

The two Plymouth governments should work together to facilitate the formation of the facilities I have
there needs to be a dotted line to city governments, but not to extent of promoting pet projects & interests

These entities own huge swaths of property that could be further developed to diversify and broaden the free
outdoor activities available to the public. A strong, central facility can provide great one-stop shopping for many

They absolutely must work together for the good of the people in the city and township, creating an atmosphere
of community that all can embrace.

They are catalyst - it all stems from the government. Cities that offer affordable, accessible, activities to the community have lower obesity rates, cancer, and smokers. (look at the Philadelphia project)

They are the facilitator for community based activities. They need to keep the parks clean and patrol the parks to keep them safe. They need to not only plan the activities, but communicate to the citizens about the

Private sector will destroy whatever they can to build condos and a retention pond. Therefore I think government is the ONLY entity that can handle parks and rec and has a duty to preserve and protect assets for our whole community, not just the rich few.

They must work together to create a master plan keeping in mind controlling costs to the citizen taxpayers.

They need to bridge the communities together and create a vibrant senior program.

They need to grow up and work together as one community.

They play a huge role in attracting and keeping residents of all ages. Ke

They should be drivers of creating plans, finding funding and managing the facilities.

They should be leading this for the community.

They should be separate. I live in township for the low taxes and want to keep it that way.

They should be the primary driver in driving all programs.

They should be working together to provide programs for everyone in the city and township.

They should help publicize what is available and help make regular transportation for seniors to and from many

They should remain separate

community organizations and interests in developing community events and programs by making facilities available, and mentoring them through the process, thereby multiplying options available for people in our communities.

They should stick to providing high quality facilities and programs that keep things local. Not interested in helping out for profit soccer programs like Northville has.

They should work together to offer a variety of programs for all ages and work together to develop PARC since it benefits both city and township residents.

This is the responsibility of our city and township to provide park and recreational services to its residents. Our services are sorely lacking in this area.

this is the role of government....to provide services and programs that benefit everyone in the community.

TIME FOR BOTH SIDES TO GROW UP AND PUT POLITICS ASIDE.

To develop and maintain an attractive and desirable recreational and open space master plan for the general population. Without it we become a less viable community for future generations.

To do it properly, they need to create it.

To have a variety of programs that appeal to all age groups and get the community to come together.

We would love for these two separate entities to become one on all levels, but at least in community services, it makes sense. There is one library- in Ply City. One main park all go to- in Ply Twp- and I've never once asked/noticed/cared which of the two any of my community members was from. This needs to change.

Why do surrounding communities, including one that shares a school district have better options than plymouth

Work as one

Work together and open up field availability and not just give control to an outside organization and let them

Work together to collaboratively and creatively use community input to plan, develop, and oversee,

Work together to fund PARC through community donations and a milage in perpetuity for City and Township residents. Good communities need good community centers.

Work together to offer programs and facilities for your residents

Work together. Share resources. One community!!

Working closely together aligned in a transparent and working partnership.

Working together - NO ONE I know says "I live in Plymouth township" or "I live in the Plymouth city

Working together and continuing to assess desires/needs of the community. Some funding.

Working together is the only thing that makes sense, they need each others support and commitment.

Working together to plan parks, facilities, and recreation programs that support residents' pursuit of a healthy lifestyle and social interaction.

Working together to provide affordable, intermural activities in the athletics and arts for kids, adults, and seniors

Working together to spend our tax dollars wisely. I am fine with spending \$1 more in tax if the \$1 creates value.

That's the concept. You're already doing great things, just keep it up.

Working together, combining resources to make our community healthier

Working together, pooling resources to make an increased variety of programs and facilities widely accessible to members of the entire Plymouth community. Working with existing organizations like the library to amplify and

Would like to see continued partnership between the two as opposed to adversarial role previously.

Would love to see a more cooperative plan with the two...whether it's at the PARC facility or not

Your job is to present the options, cost structures, pros and cons. Then let the voters decide. Please don't let your individual biases hinder the development of a world class plan. Plymouth deserves that.

Question #6

Which of the programs currently being offered in the Plymouth Community do you think are the most popular?

(Don't know)

?

?.

?? Youth sports??

A lot of the new activities at PARC (swimming classes, pickleball, open gym, open pool)

Plymouth city soccer program

Activities at PARC are very popular

Activities for youth.

Activities in downtown Plymouth @ Kellogg Park

Adult exercise

All offerings by the cultural center, PARC.

All programs at PARC

All the activities in the downtown park.

all the festivals in DTP, music in the park. miss the Independence Day fireworks!

All the vast activities downtown.

Any sport.

Art in the Park, Fall Festival, ice fest, music in the Park and other such cultural gatherings in and around Kellogg

Art in the Park, open air concerts, ice festival.

Art in the Park. The ice festival.

arts

Athletic leagues (soccer in particular). Music instruction and performance at old middle school in town.

Baseball

Baseball

Baseball, soccer, hockey

Bridge, yoga, exercise

c

can not comment

Certainly sports for the children.

Certainly, children's programs are done very well. The music in the park is very effective and brings out all ages.

Children's extra curricular classes

Children's outdoor programs such as soccer

City of Plymouth festivals, PARC plays, private programs (eg, Creatopia)

Concert in the park

concerts in Kellogg Park

Concerts in Kellogg Park, Exercise programs in Kellogg Park

Concerts in the park in Downtown

Concerts in the park, fireworks were nice.

Concerts in the park, playgrounds, festivals

Concerts, Art in the park and the other downtown events.

concerts; park facilities at McClumphia; Cultural Center --esp. ice rink.

Count your attendance stats then you will know which are most popular. People's perceptions of popularity will vary depending on what they are involved in. If you want to measure actual popularity, do it in an unbiased

Currently the existing programs have a good following

Don't know. Art and soccer I see in flyers

Don't know. Probably soccer and softball.

Downtown festivals/music, shopping nights. Many like the plays put on in the area.

Drama, aquatics, music, culinary arts and art program

DTP running club

During the Spring/Summer/Fall it seems the parks are well utilize with soccer, baseball, football, and other rentals. So those seem most popular. Also what may not been seen the the jogging and bike trails. (Which we can use more of and maybe start connecting them too.

Enrichment classes for children and adults as well as a gym and pool facilities.

Events hosted in Kellogg Park

Exercise and art programs.

fall fest fair, holiday lights, ice sculptures, art fair

Fall Festival, Ice Festival, the Township Park, and the smaller parks in and around DTP. The Fourth of July

Fireworks was so popular and loved - they need to be brought back.

Festivals & concerts

Fitness, aquatics, theatre, music, recreational sports.

For me and my family art programs at the Arts Council, sports programs for younger children. Would like to see that continue for older children as well.

Free music in Kellogg Park is wonderful. PARC offers great programs. McClumpha Park is also a lovely park.

Friday night concerts in Kellogg park.

Golf at Hilltop

Golf at Hilltop, Plymouth Park.

Golf, swimming, card and game programs, exercise.

Hockey

Hockey and ice sports.

Hockey swim lessons

Hockey, baseball, soccer

Hockey, swim

I am not sure. I know the programs at McClumpha Park and at the PARC each have constituencies that should be served by a future Plymouth-wide program.

I basically deal with Senior needs and programs.

I don't use any because I don't think any are what I'd use.

I don't have a clue....I think that Kellogge park is a true Gem....Weds in the summer they have a great program of young children and mothers.

I don't know the full scope of programs offered by the community. I believe it is important that the Township and City act as one in coordinating and promoting programs for the community and creating an awareness

I don't know. Swimming at PARC? Theater? Not sure.

I have to say the Township Park is great it meets so many needs and is a real source of pride.

The City Park holds so many runs, festivals and charity events. It is a pleasure to go to town

I like Golf, especially the Early Bird specials.

I only walk the park occasionally, don't have children, so I do t know.

I think the swim programs because there aren't many facilities equipped with a pool in our immediate

Ice fest, art n the park, summer concerts, Wednesday workout in park

Ice Festival, fall festival and various library events.

Ice skating and hockey , basketball , adult excercise classes

I'm not sure which are the most popular. I like art, nature, cooking, and exercise.

Kellogg Park activities.

Kellogg Park concerts

Kellogg Park concerts and activities. McClumpha Park facilities and activities. Community classes. Penn Theater. Kellogg Park downtown events, Plymouth Museum, and Plymouth Library events

Kid sports only needed

Kids

kids soccer

Kids soccer.

kids sports but there seems like a lot of potential to offer facilities and programs for families, adults and people of all ages. Rochester Hills has a really nice senior facility.

Kids sports- soccer

kids team sports, hockey, swimming

League Soccer, baseball. The CYO athletic program has 11 sports with over 800 participants and has been successful for decades. Community support is vital.

Library programs and school programs are immensely popular...don't know about PARC

Library, all downtown activities and festivals, the Parc

Little league and soccer

looks like many love the music offered at Kellogg during the summer. My husband and I do not attend these. We don't care for rock star wannabes.....old rehashed rock music. Two summers ago, there was a jazz series offered on Sunday afternoon. I did attend a couple of those and enjoyed the music offered. I love music and would enjoy a better grade of performers at Kellogg and at our future performing arts center!

Lots of children's programs are available. The classes offered in the catalogs are geared more for children. Not too much for adults except things like crafts or cooking.

McClumpha Park

McClumpha Park

McClumpha Park

Movie theater and concerts in the downtown park.

Music in park,

Music in the air, Music in the park, PARC activities (swimming, pickleball)

Music in the park

Music in the Park

Music in the Park

music in the park

Music in the park . The library.

Music in the park downtown. It brings the WHOLE COMMUNITY together..

music in the park ice sculptures fall festival all of which city has provided for 50 years and these programs currently overwhelm parking and facilities. I don't think of lovely communities need more traffic and crowds

Music in the park, although the Kellogg Park location has grown beyond its capacity; ART in the Park/Fall festival, although these have evolved into more of a carnival than a community gathering; McClumpha park water park

Music in the Park, Art in the Park, McClumpha Park

Music in the Park, Fall Festival, ice festival

Music in the park, festivals

Music in the park, festivals and art in the park

Music in the Park, fireworks.

Music in the Park, Ice Festival and Art Festival. We like the community in general

Music in the Park, Ice Festival, Art in the Park

Music in the park.

Music in the park.

Music in the Park. Fireworks on July 4th were popular, disappointing they are gone now. Farmer Market, art fairs, yoga classes, art for kids at PCAC, Miracle League baseball.

Music, art in schools, team sports sports, senior community programs

NA

na

No idea, I do not use any of them

No idea.

no idea. there is no publicity on what is offered and how popular those offerings are. I do know that my son used to take skating lessons at the Plymouth community center and openings were so scarce that you had to line up hours in advance to have a chance at a slot. Those who were later than about tenth in line were out of luck.

No idea/. We don't tak advantage of any.

no sure

None

none

Not much anymore - Ice Fest is usually an epic fail with dirty grounds and over-crowding and uncooperative weather. Art in the Park is more for out of the area visitors than the actual Plymouth Community. We lost our fireworks and community picnic. Probably Music in the Park.

Not sure

Not sure

not sure

Not sure

Not sure, recreational?

Not sure.

Not sure.

Not sure.

though they are not state of the art exactly. This shows the need and demand for recreation facilities here.

Offering recreation clasees in meeting rooms at the Cultural Center is a little sad, the rooms are not clean and inviting.

Of those offered by Plymouth/Plymouth Townships Rec & Ed, outdoor parks, youth baseball and football. For other community organizations, arts classes and ice skating/hockey.

Open parks, splash pad

Our experience has been with the popular soccer program.

Outdoor activities and running/walking at McClulpha Park. Indoor basketball at the PARC.

Outdoor concerts in Kellogg Park

Festivals

youth and adult recreational oppportunities (sports, exercise, enrichment classes through community ed.)

Outdoor sports

PARC

PARC

running events

PARC, soccer programs for youth, miracle league

Parks

Parks are great in both the City and Township. Plymouth Cultural Center along with the YMCA and PCCS Community Ed offer a range of classes throughout the community.

parks, kid stuff

Parks. Also, programs such as youth sports seems to be heavily used.

PHA Hockey.

Pickleball at the Parc. Number one growing sport in the U.S. Outdoor courts would be a great addition, (maybe behind the Parc?) to handle the ever growing sport. Classes could be developed. Tournaments would consider Plascape and splash pads, youth sports leagues, and efforts to build out the PARC. Obviously anything in Kellogg Plymouth Twp. Park and PARC

Probably soccer.

Probably the soccer program. It involves a lot of kids.

Rec sports, music in the park.

Recreational activities are probably the most popular, however, my family has participated in both sports and art and music activities including programs at the library.

Recreational and the arts, primary since the schools have eliminated

Recreational team sports.

senior center stuff, youth sports, outdoor concerts in the summer

Senior fitness.

Services for youth sports seem to be the most popular.

soccer

Youth sports, unless you call all the activities in Kellogg Park

Youth sports, yoga, fitness classes

Question #5

What role do you see the City of Plymouth and the Township of Plymouth having in providing programs and facilities in the community?

100%

1. Combining recreational organization; 2. Approving an elected representative Board to oversee all recreational activities based on each community's population based on 10 year census data; 3. Find a way to reduce City & Township millage to establish a mileage to operate recreation programs and facilities.

100 percent

A central role

A community Recreation center. Would like to see township to provide a more interactive park, since the city A coordinated plan and schedule to maximize the use of all assets

A joint fund could be created to promote arts & culture in Plymouth like the Livonia Arts Commission. I would like to see the Plymouth community support the PARC project.

A joint role. Nearly everyone views it as one community.

A leadership role of organizing the citizens which fulfills and responsibility and an obligation.

A role of unification between communities bringing various age levels together. Let's make this area one of the most want to live in areas for families and retirees.

Accessibility, variability, lower cost

Advertising of existing programs, sourcing of new programs, scholarship/grant awards for individuals and organization to facilitate community based, all inclusive access

ALL parks/rec activities should be coordinated/shared to the highest degree possible to save on overhead and have a cohesive plan for the greater community

Anything that brings the community together should be the community's goals, and adding to the fitness level of their constituents I would think would be important as well.

Aquatics, improved senior services (fitness and recreation).

As a family oriented community, they should be very focused on programming.

As in other communities Senior Centers are supported by the governments by the way of taxes.

At some point the Plymouth Senior needs should also be worked into the tax base.

As much as the current mileage would allow.

Better and safer routes bike routes between the City and Township.

Big part of what our governments should do!

Big role lots of families and teens in the area needing space to play

Both need to work together and share costs for the betterment of our community.

Plymouth and Plymouth Township are ONE, not separate cities!

Both sides considered equal

Bring seniors center to center of town. Develop s programs like choir, seniors orchestra without auditioning, ukulele club, film club, book club and memoir writing.... many more.

Build and maintain

Building and maintenance

c

Charges for activities should be the same for residents of the City of Plymouth & Plymouth Township. There has been too much division through the years. Let's get along!

children's sports

Senior activities

Music performance

Class workshops when kids off school, summer camps, exercise classes for kids

Collaborating together to bring in funding to expand the great, green spaces we have to make them even better.
Coordinating the various programs and their communication to make it easier for citizens to access and learn
Combined programs if no additional taxes
Communities which make a commitment to support arts and recreation and other programs which contribute to the quality of life for their residents create the most desirable places to live and work.
fabric. Love our public libraries. I would like to see lots of educational programs to update skills and knowledge.
Also, parents are hungry for *affordable* quality programs for their kids. Lego Leagues, literacy programs, clubs, educational opportunities: these build community.
Continue to provide support, staff and activities.
Continued support between the two.
continuing to create opportunities for public input.
Cooperation where possible without increased fees and/or property taxes
Coordinate services and provide equal access of all services to the City & Township.
Coordinate with existing recreational organizations to provide information, access, & to fill gaps.
Coordination and administration.
Coordination of community resources, provide facilities that are not available through private sector (open
Coordination of efforts.
Creating a community center with a pool similar to Livonia and Canton
Creating a unified plan that benefits both communities. Perhaps a recreation board with a budget and representative of the interests of both the city and the township.
Creating and promoting youth recreational activities will allow the community to attract families for years to come. This emphasis is a key to sustaining growth and nurturing a diverse community.
Cut costs for both.
Cut costs, there is a lot of duplication in the two groups.
Cutting costs for having two groups
Definitely feel that a joint-run recreation program makes sense. I have always felt that since moving here 20+
Developing the facilities, co-ordinating space and officials for league activities.
Development of new Parks, maintenance of existing parks and creation of a fitness center
Do things jointly, no more duplication.
Don't think the city and Twp need to sponsor programs, plenty of folks to do that. Just need good facilities and
Ensuring that the programs leasing space through plymouth facilities encourage inclusion
Exercising fiscal responsibility by careful, prudent expenditures and limiting tax increases.
Existing facilities can be enhanced to cover activities for a broader range of people.
Facilitating formation and administration of recreational sports leagues and cooperating with more competitive local clubs. Provide facilitation if the formation of community art and fitness programming, so that like minded
Financial support through grants and property taxes. Assessing needs and developing relevant programs.
Evaluating programs. Maintaining facilities and ensuring safety
Finding organizing running regulating
funding, awareness, taking public opinion into account
Further development of current programs.
Government should help facilitate the availability of services in the community by private organizations but minimize their involvement in managing those facilities.
Guidance and oversight of the recreation authority.
Having a joint dog park for residents.
Health
Hell no
High Priority along with strict guidelines on Residential development to uphold real estate values of existing

residents have different values there. I don't want my Township tax dollars to be spent in the City of Plymouth - I want them spent IN the Township - making our roads and parks nicer and our streets safer. Each thing needs to be focused on THEIR residents. If residents wanted to support other areas, they would live there. I chose Plymouth Twp for a reason over City of, Livonia, Northville, Canton, etc.
Hopefully none.

Hoping for a major role in growing the activities available for residents - its a major reason for us living here HUGE role. We moved to this community due to the family environment. We love the Kellogg park activities and we really loved the 4th of July activities, especially the fire works. Its those activities that brought us to Huge roll. And they do a great job with up keep!

Human resource management of staff, buildings and grounds maintenance, Building facilities, marketing, ADA I am glad that the city and township seem to be working better together now than they have in the past. I think the "one Plymouth" idea is crucial to developing more and better quality recreational and cultural experiences I applaud your efforts to develop an overarching strategic recreation plan which address the current needs and those needs trending upward in our community.

I believe that the city and the township should work together to develop programs and facilities instead of duplicating and trying to out-do each other. The citizens work together in their jobs, schools and churches--the I believe the City and Township should develop shared management, planning, security, maintenance, and funding for events, programs and facilities.

I believe we have the tax base to support a modest parks and recreation program. I wouldn't mind paying a little more to increase the amount of opportunity.

I do not distinguish between City and Township. I view them as one in the same. We should leverage ideas, facilities, and resources as one Plymouth Community.

I don't know.

increases that would be the best option. It seems the independent ideas that have come to this area are not serving everyone well in the community. There are lots of gyms in the area, but community centers and places like the YMCA serve everyone. It's disappointing that families in Plymouth go to other communities or places like Lifetime fitness that are in other communities and pay a lot of money. Kids are losing out because parents take them to these "gyms" and put them in childcare instead doing activities with them or enrolling them in I expect the city and township to develop more programs and facilities. These 2 towns have had a major turnover in population in recent years and the younger families need the governing bodies to catch up.

I have lived in the city for 30 years, have rarely used the city or township recreational facilities...my families recreational needs were met by the school system or private companies (gyms, clubs, golf courses).

I just want there to be a website that makes it easy to find and sign up our children for activities.

I like the idea of a joint venture.

I really like in Davison that they connect a dog trainer/yoga instructor/aquatic classes with the parks over the summer. Parks & Rec doesn't facilitate but helps process some transactions for payments. Cleared sightlines would be great at some of the parks along EN Hines and parks in the center of neighborhoods.

I see it as a major responsibility of the city.

I see the City and Township working with the schools, Wayne County, and Parks and Rec to coordinate recreational development plans so that all can benefit and avoid duplication. I don't see the governments jointly I see the city managing a more robust rec program and facility, similar to what Livonia has.

I see them as sharing the responsibility and offerings. Would love to see a theater for plays and music.

I think community recreation is very important for those who want to be active and enjoy a sport without the pressure of being super competitive. The parks should be well maintained with work inking water fountains and I think in order to fund this both communities must work together

I think it is important that the City and Township work together to provide facilities and programs that create a vibrant, active community that is a desirable place to live.

I think it should be a joint venture.

I think joint programming would be great to increase the quality of the programs within the entire community. Existing facilities are adequate with the exception of township park/ lack of fields.

I think the governments should join together and offer robust programming, plus supporting private business programming (yoga in Kellogg Park, for example) across all of the available facilities. Joint programming with i think they should be combined to save money and increase our recreation choices

I think they should fully integrate their recreational services for all residents at the same fees and ease of access. I think they should join together to create a program that serves both the Plymouth city and township as one community and not two separate communities.

I think they should lead/drive programs and facilities that improve the standard of living in the community. I think they should work together as the Plymouth Community for the good of all the residents.

I would expect some use of tax dollars and probably a usage fee, with great discounts for Plymouth residents.

I would hope that they work with PARC to provide more spaces and opportunities for residents of both the I would like to see both communities working together in the future.

I would like to see both working together to bring citizens together

I would like to see them build a brand new aquatic center that can accommodate high level USA swimming club meets, just like the Livonia Recreation Center does.

I would like to see them work together, as one.

I would love to see more baseball, multiple use turf fields be built that can be used for high level soccer games to I would think that it should be one of their priorities

Improving the safety for all the students who ride their bicycles and walk to school. Improve fitness of everyone (children, adults, seniors) by providing walking/bicycle paths.

Integration and networking local industry and government funding. Gather public opinion and develop the vision.

Investment

It depends. As a township resident, I do not want to pay anywhere near the taxes the city of Plymouth people pay. So if by joining them it means a tax increase, I don't want it.

and make One Plymouth work already. I've lived here for 30 years, and recognize that there are issues to overcome, but I have never understood why two small communities right on top of each other do not work together. I see the city and the township cooperating on a comprehensive recreation plan, with reduced usage rates for residents.

It makes sense.

It would be great to see more programs offered for youth in the community

Joint effort please and reciprocal registration for both City and Township residents

Joint effort to build bike trails that go throughout the township and city.

Joint effort with equitable financial support.

Joint partnership, communication, cohesiveness.

Joint planning

Joint Recreation Facility and programs

Joint role, split equally financially

jointly working together to provide new athletic fields and organizing more youth sports.

Jointly, very little. I see a potential (significant) change in future millage requests if this becomes a joint effort, even with potential new grant monies.

Just provide the outdoor space and upkeep

Key part of being community together with activities

lead and support

Lead role

Leaders in the proposal and development of a community rec center
Leadership and cooperation
leadership to include business leaders in funding the facilities.
Leading the way in supporting overall community wellness/inclusivity.
Listening to citizen input and reasonable cost containment.
Listening to residents, proposing solutions, asking residents for approval of proposals, spending our money efficiently, maintaining facilities.
new within an existing footprint. An example of that would be construction of a skateboard park either in the township park on Ann Arbor Trail or near the city's Cultural Center. I don't think either the city or township needs to acquire new properties in order to expand programs. The local governments do not need to be the sole provider of recreational facilities.
Main institutions for developing and maintaining parks and other outdoor facilities. Key source to regulate the use of parks and other outdoor facilities used by sports and recreation programs.
Main role
Main role. Would be great to have everything from the city.
Maintain the parks and the equipment. Make sure it's clean, safe. Painted if needed.
Maintaining and developing beautiful and useful spaces for the community to gather and enjoy the outdoors or recreation with family and friends (including furry friends!)
Maintaining parks and running athletic programs.
Maintenance
Major
Major role
Major, cooperative role.
Managing center
Managment
Many different sports, with spots for every kid who want to play
minimal
Minimal role; only if can be done with no taxes.
Money and volunteers from both communities
More employment and more opportunity for all.
More for seniors the neglected people
na
Nearly all residents identify with the concept of Plymouth, not of township or city. The two entities should strive to share resources and develop a common vision (e.g., arts in the city and recreation in the township where
Need more. I feel like I need to go to livonia or canton to get a rec center
Need to be sure the PARC is not funded by taxpayers.
no
None
None – the existing relationship is fine. I do not want to see my taxes increase for any reason to support any recreation programs or facilities. If you want the program, pay for it. Don't want to use it, don't pay for it.
none except getting back the money the city owes us
None.
Not sure
Nothing beyond what is done now.
Nothing beyond what is done now.
Obviously if trustees have opportunities to suggest improvements that can improve our quality of life and make Plymouth a more desirable place to live, by all means do so.

Only as much as can be funded with existing taxes.
Only that which can be provided with already existing taxes.
Organize groups, make connections, coordination activities, make promises available
Organizing activities for seniors.
Overall management of program and facilities, but a local board or group overseeing everyday activities, and day
Oversee, provide the necessary administrative oversight. If there are additional programs and facilities needed,
the cost should be borne by those who use those programs and facilities. In other words, pay for play.
Overseeing it with financing and managing a recreational facility.
Park upkeep. I do not think tax payers should be responsible for additional facilities or any additional programs.
People who use them can pay to use them.
Part of their responsibility.
Participate in building facilities, funding and operating them.
Partnering to offer more options?
Partnerships with already established programs even if they are private. Providing good space to promote
programs. Fields, courts, pools, etc. There is a lack of brick and mortar and grass to support our communities
Plan and implement programs
Planning activities
Planning, Development, Contracting and Administration of a facility such as what the city of Troy offers its
Plymouth Township doesn't really have facilities other than McClumpha Park. Figure out Hilltop golf course
without more strip malls or homes. Additional rec classes would be awesome!
Plymouth, city and Twp, already have a lot to offer. Improving the Parks & Rec offering is overdue and very
Primarily Administration
Provide a variety of recreational opportunities for broad variety of abilities and moderately priced spaces for
meetings and social occasions.
Provide clean, safe parks. Provide sidewalks and bike paths for active transportation options in the community --
not just for weekends athletes, but everyday active transportation options for everyone, including children and
Provide Community space and organization for rec activities
Provide the fitness facilities and charge money to use them making it more affordable for residents
provide the open park space and maintain it.
Provide/maintain facilities and security
Providing a common area where family and friends can gather and meet.
Providing excellent resources and venues for recreational activities; developing strategic plans with community
Providing good services without raising taxes
Providing space and funding
Providing the forum and organization of them and acquiring instructors for these programs.
Quit building monstrosities of house and preserve land.
Recreation should be a priority after public safety.
Request joint funding from Federal & State programs to partner in comprehensive bicycle plan - then implement
by phase. Work w adjacent communities to connect dots w trails between communities. Detroit, Dearborn &
Ann Arbor are much more advanced w miles of connected trails & ride share programs.
pay taxes on PARC. The facilities should be conveniently located for both communities; far and near locations.
Basic programs offered in both the city and the township with larger programs facilities shared. How can the
high schools be used?
Responsible tax money managed if possible for parks and rec.
secure federal grants, feasibility studies, collaboration of the 2 communities. determine population interest and
look at future demographic trends and needs (aging population? younger families, etc.).
See question #4.

Senior programs, children programs
Setting equal access/fees for residents of city and township
Shared facilities, including PARC and all parks.
Shared input, shared cost, shared use
cooperation.

Should work together to develop.

Some activities can be combined to decrease the participation costs. This is more for children's activities.

Something like the Livonia Rec Center.

Stewardship and leadership in the preservation, Maintenance and promotion of our park system.
substantial

Support and work together to provide services and avoid duplication of services. They should not be involved a
LA fitness or Life time kind of program. There are many of those already.

Supporting people that are organized and providing spaces that are designed for these activities.

Take advantage of each communities inherent resources.

Test

The City and Township should have a major role in providing programs/facilities to the community.

The city and township take good care of their citizens. That's why we moved here. I see them providing the
facilities that the citizens can utilize.

The City and Township would have to be the primary role in maintaining the rec center.

The City does an excellent job of running recreational programs. They are the professionals who have the
knowledge and experience to keep the focus on recreational programs.
to follow their example

The City-PARC

The Township - Soccer, Skateboarding

The leader!

to be offset by recreation memberships. The government should contract outside service to run and
manage/maintain the facilities. Ensure they host proper events, maintain members levels, administrate rentals,
etc. (Give them performance incentives for achieving high level of goals.)

The municipalities should take the lead in offering programs and providing facilities. Obviously, this will have to
be done with tax dollars, but I really think both Plymouths need to offer these for the residents.

The role of the local governments should be to maintain existing services and augment these services in limited
ways that have both a livability and economic benefit.

The same ones we have had.

The two entities should be developing joint programs/facilities.

The two governments should partner with one another and the school district and local nonprofits to coordinate
and co-develop recreational offerings and seek foundation and federal funding to add to local funding

The two jurisdictions should merge their park and recreation operations to the greatest extent possible.

The two Plymouth governments should work together to facilitate the formation of the facilities I have

there needs to be a dotted line to city governments, but not to extent of promoting pet projects & interests

These entities own huge swaths of property that could be further developed to diversify and broaden the free
outdoor activities available to the public. A strong, central facility can provide great one-stop shopping for many

They absolutely must work together for the good of the people in the city and township, creating an atmosphere
of community that all can embrace.

They are catalyst - it all stems from the government. Cities that offer affordable, accessible, activities to the community have lower obesity rates, cancer, and smokers. (look at the Philadelphia project)

They are the facilitator for community based activities. They need to keep the parks clean and patrol the parks to keep them safe. They need to not only plan the activities, but communicate to the citizens about the

Private sector will destroy whatever they can to build condos and a retention pond. Therefore I think government is the ONLY entity that can handle parks and rec and has a duty to preserve and protect assets for our whole community, not just the rich few.

They must work together to create a master plan keeping in mind controlling costs to the citizen taxpayers.

They need to bridge the communities together and create a vibrant senior program.

They need to grow up and work together as one community.

They play a huge role in attracting and keeping residents of all ages.Ke

They should be drivers of creating plans, finding funding and managing the facilities.

They should be leading this for the community.

They should be separate. I live in township for the low taxes and want to keep it that way.

They should be the primary driver in driving all programs.

They should be working together to provide programs for everyone in the city and township.

They should help publicize what is available and help make regular transportation for seniors to and from many

They should remain separate

community organizations and interests in developing community events and programs by making facilities available, and mentoring them through the process, thereby multiplying options available for people in our communities.

They should stick to providing high quality facilities and programs that keep things local. Not interested in helping out for profit soccer programs like Northville has.

They should work together to offer a variety of programs for all ages and work together to develop PARC since it benefits both city and township residents.

This is the responsibility of our city and township to provide park and recreational services to its residents. Our services are sorely lacking in this area.

this is the role of government....to provide services and programs that benefit everyone in the community.

TIME FOR BOTH SIDES TO GROW UP AND PUT POLITICS ASIDE.

To develop and maintain an attractive and desirable recreational and open space master plan for the general population. Without it we become a less ciabile community for future generations.

To do it properly, they need to create it.

To have a variety of programs that appeal to all age groups and get the community to come together.

We would love for these two separate entities to become one on all levels, but at least in community services, it makes sense. There is one library- in Ply City. One main park all go to- in Ply Twp- and I've never once asked/noticed/cared which of the two any of my community members was from. This needs to change.

Why do surrounding communities, including one that shares a school district have better options than plymouth

Work as one

Work together and open up field availability and not just give control to an outside organization and let them

Work together to collaborativly and creatively use community input to plan, develop, and oversee,

Work together to fund PARC through community donations and a milage in perpetuity for City and Township residents. Good communities need good community centers.

Work together to offer programs and facilities for your residents

Work together. Share resources. One community!!

Working closely together aligned in a transparent and working partnership.

Working together - NO ONE I know says "I live in Plymouth township" or "I live in the Plymouth city

Working together and continuing to assess desires/needs of the community. Some funding.

Working together is the only thing that makes sense, they need each others support and commitment.

Working together to plan parks, facilities, and recreation programs that support residents' pursuit of a healthy lifestyle and social interaction.

Working together to provide affordable, intermural activities in the athletics and arts for kids, adults, and seniors

Working together to spend our tax dollars wisely. I am fine with spending \$1 more in tax if the \$1 creates value.

That's the concept. You're already doing great things, just keep it up.

Working together, combining resources to make our community healthier

Working together, pooling resources to make an increased variety of programs and facilities widely accessible to members of the entire Plymouth community. Working with existing organizations like the library to amplify and

Would like to see continued partnership between the two as opposed to adversarial role previously.

Would love to see a more cooperative plan with the two...whether it's at the PARC facility or not

Your job is to present the options, cost structures, pros and cons. Then let the voters decide. Please don't let your individual biases hinder the development of a world class plan. Plymouth deserves that.

Question #7

What type of programming do you think is needed in the community both right now and in the future?

?

?? It looks like the current ideas to make the PARC pay for itself, and maintain the fields/courts at old Central is

1. Entertainment; 2. Travel; 3. Improved senior programming; 4. Improved youth programs by working with A broad spectrum -- for everyone from tots to seniors. Open up a method for those interested to form their own groups. I would like to see a local pickleball organization start up. I am looking into that myself, but help from the township to bring together others interested would be nice.

A community rec area with a swimming pool. Similar to the grosse pointe communities. I would prefer this over festivals, personally.

A good mix for all ages!!

A more varied program of physical activities for senior adults. I know pickleball exists at the PARC but expanding with different times and days would be helpful.

A robust seniors program.

a variety of sports, fitness, and other recreational activities. Would like to see expand cultural arts programming and sensory friendly options.

A venue for a large audience, 800 seats perfect. Plays, dance recitals, music, etc. A rehabbed building downtown Plymouth, leased to non-profits, start-up non profits, and swimming.

A zillion times more summer options!!!!

Access to all residents

Add whatever folks want PROVIDED it is self funded. Do NOT tax me more for ANY additional programming

Additional programming for adults. An aging in place population will grow if programming is provided for adults at younger senior levels.

Adult (senior) programming

Adult and seniors

Adult entertainment in a high quality local facility - plays, concerts, speakers....

adult rec teams

Adult recreation

Adult soccer league

Adult sports and recreation, more variety in youth offerings

Adult sports leagues.

Adult sports programs, broaden special needs programming, junior golf league at Hilltop, etc...

Advocacy

Affordable daycare that blends fun and physical activity. More indoor rec opportunities. Outdoor walking

Affordable Education for kids including special ed.

All the athletic programs are good. Need to keep kids active and give them opportunities for rec leagues. Too many travel teams are taking over but the city rec programs are very affordable.

for short hikes. It would be nice to have some biking opportunities. Hines Park shuts down to motor vehicle traffic on Saturday mornings during the summer. It would be nice to build on that for some roadways leading to that section.

An out door pool

Answer 1.

Any programs that increase the quality of life and programs we need to be offering. People can choose to live almost anywhere if it's close to their place of work - so making our community more appealing to young people by increasing the cultural infrastructure is critical.

Anything outdoors that doesn't involve sports.

Anything that brings diverse people together

Anything that caters to disabled, low income youth. These kids need a place to express themselves creatively

Aquatics

Arts Activities

Arts, crafts, children, senior

Basketball

Recreation areas for non-competitive play

Better dog parks, little free library

bike paths, youth athletic fields

Bike to school week, bike to work week, bike to shops event for downtown merchants

Bike trails, dedicated bike space

Biking -focus on bike safety, provide places where safe biking can take place

More senior fitness programs

HIGH PRIORITY - More young kid outdoor activity programs, especially in summer - need to get kids outside and away from their video games and mobile phones, tablets, etc.

Bring back the fireworks.

Bring back the Motorcycle/Chili Cookoff event, more learning centered activities such as golf lessons, music lessons, writing and leadership seminars.

c

Child care needs and programs

Community center with a recreational facility offering a gym, swimming, track, exercise equipment, classes, meeting rooms at an affordable cost especially for seniors and the disabled.

Community events that bring us together for fun and help us meet new neighbors - like the Fireworks.

Community pool, senior community, opportunity for people to more easily use the current facilities (schools, building at Plymouth Twnshp Park(s),etc.)

Connected designated walking, jogging & biking trails w leadership reps from community to lead exercise programs & facilitate recurrent community exercise.

Continued arts and entertainment as well as increased recreational groups

Continued development and activities downtown.

Continued service to non profits. Continued placemaking within the community.

Continuing to provide best opportunities/programs for kids and families to attend together

cultural museums

Dog park

Dog park, Indoor classes and facilities, large heated pool with zero entry for kids

Dont think changes are necessary. Either for the city or the township.

Don't understand this question

Education (science/tech)

Sports

Health

Environmental awareness. Educational opportunities that are worthwhile and affordable. Getting community members together for things like board games, lecture series, and book discussions. Community gardening.

Expanding the farmers market, maybe Sat downtown and a weekday evening in Plymouth Township. More events partnering with the museum and libraries.

Expansion of ice skating programs. Perhaps a maintained outdoor skating rink would be popular in the winter, even if it's just a temporary structure. Ponds don't count as they take too long to freeze and are often unsafe.

Extend adult education classes- preschool classes for stay at home moms with kids and also at times for parents

Family oriented

Fitness classes at times convenient for working people

-Fitness classes

-Youth fitness (not just sports teams, but instructional leagues and kids fitness courses)

-More robust swimming program

-Rec facility

Fitness programs for all ages.

Future a larger separate senior facility supported by the residents taxes.

Girls volleyball

golf and winter sports

Green space!! Sidewalks

Growing local veggies

Shared cooking spaces

Gym/fitness/pool

health and fitness programs, recreation programs, social and entertainment programs

Healthy activities - Less junk food at the downtown parties

I believe arts could use a boost.

I don't think you need a lot of programs. You need open, clean, first class facilities.

I think the programming we need/want already exists. It just seems too scattered. Centralizing existing services into a facility like PARC could provide a one-stop shop for recreation and arts.

I think there is a need for unity. Regardless of city or twp residency people are coming together for youth

I would like better walking and bike trails connecting parks and recreational services, such as connecting Plymouth Township and City of Plymouth with safe walking and bike trails.

I would love to see more family-focused activity options. Not things just for kids, or just for adults. (fitness, the I would rather see interested groups form their own leagues rather than rely on the local government.

summer. But we are interested in swim lessons at a facility we can also go swimming for the day. Middle school level art classes, and more classes for middle school children would be nice too. They seem to be mainly for elementary. Also private lessons for musical instruments.

If demographics move towards an older population, there could be the need for additional fitness programs

If this question is inclusive of PARC, it is programming to encourage physical health/movement of residents from Improved maintenance. Ball fields should be some of the best in the state and should be mowed regularly.

Indoor health and recreation. I would be will to pay more in my taxes for a facility such as the Canton Summit or Indoor space for kids and adults to exercise.

It was great having the traveling art from the DIA. It would be even better having sculptures placed around the city too. (Like the art trail in Tecumseh) We have a lot of talented people living in the community.

It would be nice if the morning adult classes for yoga etc. started at a time that would accommodate those of us dropping off kids at elementary school, right now they start too early to get there.

It would be nice if the ice arena offered figure skating lessons in addition to hockey (like Livonia does).

Keep doing what you have been for the last 18 years. We do not need a performing arts center in downtown.

Such a thing would be better placed at the site of the old K Mart.

Keep parks. Build performance venues and arts, cultural and recreational offerings at PARC>

Lacrosse - both girls & boys. Although not traditional -things like pickle ball and cornhole are activities that would draw people out of their houses - away from screens/devices. I would like to see the master plan include Larger soccer leagues?

Live theater, concerts, indoor recreation

Live theatre performances would be a great addition.

Maintenance of the existing programs without tax proposals to add new programs.

maybe a Travel day program by bus to different places of interest...there should be a fee for this service.

Middle school programs
minimal
Modernized facilities to draw people
More access to indoor recreation
More acreage and open spaces for general.
More active classes for kids
More arts classes, music performance opportunities, special needs programming
More bike trails and connection to the communities. More walkability in the Township. Add an outdoor ice rink in township park (like Elizabeth Parks in Trenton), place the snow hill back and integrate with other outdoor
More communication and development of programs already in place. Advertising of programs. When we lived in the township I don't think we ever received information about offered programs
More family friendly recreation center programs
More family or preschool-inclusive programs
more fitness classes
More for active seniors.

Indoor walking area for poor weather days.
More green space that is properly managed. The Haggerty Road soccer park is not well managed, people don't seem to have a clue on how to run the park to facilitate recreational programs.
cooking classes be for adults with their kids. Don't make such fancy stuff, but easy ways to prepare and select food for better health. More classes for exercise for aging people and people with disabilities, and afternoon classes, not just early morning or evening. Swimming is best! Also a need for a playground designed for special ed kids with wheelchair accessibility.
More historic walks sponsored by the Historical Museum. More recognition given to community groups of all ages, less to out-of-town groups, especially in the summer.
More musical programs, to coincide with the approaching PARC performance venue to be built.
More options for older kids, teens, and young adults.
more organized activities out at the township park (e.g. summer concert on sledding hill, food festival, etc.) - something to get people out and enjoy the facility.
More programming for tweens...research what is genuinely appealing to that age group and create opportunities for them. Some local private programming for that age group feels a bit clique-ish and like you have to be "in the know" to participate. Would also like to see more figure skating at the Cultural Center & fun casual ice skating events as well as more open skate hours. Also the cultural center could use some updating.
More programs at the schools right after dismissal. We have participated in golf lessons at Isbister and love the time (4:15-5:15) and that we are not car pooling the kids around.

Again, I feel a strong need for a outdoor community pool.
More senior citizen programs.
More senior trips and activities of quality and cultural significance.
More structure and employment around the effort's.
More things that are easy and low cost for Senior Citizens.
more variety in fitness classes
More variety, more childhood and teen programming
Much more offerings for adults and seniors
Multicultural programs promoting an inclusive and welcoming Plymouth
n/a
need more field space.

New sports such as Lacrosse, field hockey and rugby.

none

None

None currently, and unknown what the future will bring

None enough is offered

None needed.

None, leave it to the private sector, no taxes for anything new

None.

None.

None. I don't trust this board

Not sure

Not sure

Not sure.

Not sure.

Nothing in particular. Primary interest is to establish/keep/maintain recreational facilities.

Options for preschoolers

other sports: lacross, field hockey, etc.

seniors (ages 55 and up) are needed. More senior services in general, including transportation.

As property values increase and the size of City homes increase and become more upscale in design, people will expect services that fit that lifestyle. Sprucing up the Cultural Center, providing more programs that fit that demographic will keep up with expectations.

Outdoor learning experiences for children and adults

Outdoor programa

areas for walking).

Community and youth theater

PARC is doing a great job, hopefully grants will allow them to redo locker rooms etc to update facilities. Would like to see a gym there with ellipticals, weights, etc.

parents and middle age events. There are a LOT of senior stuff and kid stuff. Really only the library does teen

PATC is the correct amount.

Planning so we can all enjoy the open spaces without added taxes.

Pool.

Preschool gymnastics and sports, open swim

Programming for middle-school aged children, adults/seniors.

of roads (would LOVE a bike lane!). We need a complex like Livonia has in which we can offer programs for all ages in a Rec Center. We need adult programs (18-55 especially) that offer healthy alternatives with team sport options.

Programming that brings people together for a common cause.

Programming that encourages compassion for others is needed.

Programs and events for senior citizens. Skating at PCC

programs to increase health and fitness--also awareness of good nutrition and healthy ways to exercise.

Promoting healthy living and exercise for all ages

Rac and a performing arts auditorium

Recreational center

Recreational facilities for all ages.

See above

See above

see above

See above re: youth sports, public pool, improvement of PARC facilities

ADULT rec sports leagues - softball and soccer

PUBLIC gym facility (would be willing to pay membership fee for high-quality indoor gym in the downtown Plymouth area...PARC would be a great site!)

See above.

See item 4 above

See my comments below

see previous comments

Senior activities

Senior activities

Senior activities at the community center.

Senior activities, exercise, and outdoor sports.

Senior Center somewhere in downtown Plymouth or Plymouth Township

Senior programing.

Senior programming--everything from fitness to card playing. Family aquatics.

Senior programs and fitness as well as youth programs and fitness. Would love a venue for theater.

Senior services. I understand there is a "senior center" but I have no idea where it is and do not know what they offer. I have a neighbor I have tried to get to the center but we never seem to hear anything about it.

Senior, adult events. Singles by age group.

Seniors activity area in township park.

skating, swimming, tennis, golf lessons for all. open availability of resources like swimming, golf, tennis, softball, basketball, running, yoga, etc. for all residents

Something integrated with senior and assisted living would be great.

Sports

Sports, arts

Summer programs for elementary aged kids (similar to canton parks and rec program) - this may already exist and I'm not aware of it.

Swimming

Swimming and weight lifting/trining for muscle tone.

swimming lessons, book clubs, craft classes, an overhaul of the pitiful hockey program, family programs. A garden club that is more inclusive.

swimming pools

SWIMMING, EXERCISE CLASSES, DROP-IN SPORTS.

Swimming, Skatepark, dog park, and indoor multi use recreation facility. (Like the WARREN Program has!)

Taking advantage of the natural beauty of Plymouth Township park, and adding bicycle lanes to North Territorial and Ann Arbor Trail.

TBD

Teen programming, spaces

Teen, middle age Activities

Teenage programming would be great. A skate park and other safe places to hang out and get some exercise.

Test

the city needs a soccer field. Make the PARC football field multi use.

The senior's need to have more options. The senior center needs to be vibrant and needs to catch the younger seniors in their 50's and 60's.

The young families look for organized sporting activities. Could the success of hockey and soccer expand into other sports such as swimming, baseball, tennis, etc ?

equipment (treadmills, stationary bikes, etc.), groomed cross country ski trails (could use the Hilltop Golf Course property), outdoor ice rink for open skating (baseball diamonds at Township Park could be used). We'd also like to see basketball programs start at a younger age. Changing demographics may also see a demand for more senior services.

To have a variety of programs that appeal to all age groups and get the community to come together.

Unsure

Unsure what you mean by programming....more classes geared toward seniors

Unsure.

Use the ones we have now, they are not full at most any time.

Walking track, weight machine, pool

We had great softball and baseball leagues in the town I grew up in. That would be awesome though I know those sports aren't as popular as they used to be.

We have a lot of great stuff, and if we can implement the PARC plan, we will be even better off. The more baseball fields, football fields, basketball courts, and tennis courts we have, the better. And, build some

We have sufficient at this time.

We need programming after work hours for both adults (not just seniors) and school-age kids: fitness classes, swimming classes, tennis classes. Okay, we don't have giant budgets, but can't we have upgraded facilities, not We presently have a lot.

We should support athletics and the arts. We really need to support live music and theater for kids.

what do you consider "programming"? I'd like to see PARC renovated to attract even more community activities.

Wouldn't change anything, meets our current needs pretty well

You need to quit asking the same questions. Send out another survey to ALL taxpayers and pay attention to what they want. Your recent surveys are a scam

Youth and senior programming

youth sports, youth camps, adult ed, library programs

Question #9

If you are part of a community organization, What role do you see your organization playing in the development of Recreational and/or Community Services?

A big part, only program that represents football and cheer in the heart of Plymouth. PARC offers many programs that no other communities offer

A new Rotary but could engage in this as part of our local service efforts.
advertising/promotion

Being parts of moms groups we travel all over Detroit area for "activities" for the kids (jungle java, funatastic). I
c

Chamber of Commerce always supports the city and township on joint ventures and I would love to see great events that draw the public to our parks!

Coaching

Communcation in community of events offered to all levels of income

Concerned Citizens can help bring the two communities together for a cost efficient recreation plan.

Concerts

Continued support

Coordinating with other organizations to promote cultural opportunities

Development of programs to bring people in

Development of the outdoor ice arena.

Do not think more services are needed.

Does not apply.

Fund raising and possible development of community gardening projects in an educational sense.

Garden Club-use their services to help with landscaping, plantings, weeding, etc.

PCB-have a voice along with MI Philharmonic in planning what is needed in a "music" facility.

likely dissolve. If, however, the city and township do not want to provide senior programing, they could outsource those services to the PCCA. The city/township could partner with the PCCA and commit to funding the PCCA for the benefit of the community.

Helping where needed.

Homeowners association. Boy Scouts in the PT community.

I see no role. It seems the 3 of you in office promoting this PARC relationship. What a pity you are ignoring the people's survey that was previously taken

I see that they offer ways to keep kids involved in swimming year round.

I see the PCCA continuing to offer Senior Services as well as social, fitness and Health & Wellness Programs

I see the YMCA and LA Fitness providing the same services as currently do - all of which are based on consumer

I would like to be very involved with the process to he sure our voice is heard and xontributes to any

I would think that there would be many opportunities to partner with local businesses, churches, organizations, national business, YMCA, etc. to provide new programs, facilities, services, etc.

I would volunteer at various events.

I'm not.

Improve the beauty of the community.

Input, as any voter or resident of the area, but also communication to our homeowners group to expose them to opportunities and information so they can be informed and contribute to the decisions facing the Township/City.

Keep Plymouth Leafy can facilitate the planting of trees on our city.

Music

My role would be of a senior volunteer in organizing and planning activities.

Not applicable.

Not at this time.

Not sure

Not sure.

Opportunity for group outings and golf scrambles

Our gardening club already plays a role in the community.

PCAC should be official youth theater offering for Plymouth City.

People helping at not cost.

Possible input based on past experiences and personal background.

Possibly joint.

Potentially volunteering as program grows.

providing input as to desired programs and facilities needed. communication of community leadership direction and needs to our members to ensure public is aware and engaged to help government leaders when needed.

Providing recreational, cultural, and educational programs for all age levels

Rehabbing the old Central Middle School. It is the LARGEST preservation project ever to take place in the City of Resource and providing input.

Rotary is limited in scope but PARC can play a major role.

shared resources

Sharing of ideas and organizing against poor government practices.

Support and provide/coordinate and staff special activities healthy for the community like community

Support through communication

Test

concerts in Kellogg Park, and the area metroparks. In addition, the MI PHIL provides music education programs in the Plymouth Canton Schools for all 3rd and 4th graders (4000 students) as well as programs for all 90 Arts Academy students at PCEP.

Plymouth Rotary AM provides programs and support for the United Way, Salvation Army, Starkweather Ed program, ISEP students at Allen School, the Miracle League, veterans, and more.

The Plymouth-Canton Cruisers can help play a crucial role in providing input for the design of a new aquatic center that will meet the needs of USA club swim teams, as well as the development of young swimmers

The school organizations have historically helped at fundraising events such as Fall Festival. I see more opportunities at PARC to bring the community and schools together.

They already offer their facilities for other community organizations, i.e.. Detroit Concert Choir rehearses there.

Food pantry. Durable Medical Equipment Loan Closet open to Ply/Canton.

They can help clean up parks, maybe run a booth or two at a community event.

To find funding to help expand the role of the Council on Aging.

Unsure

Unsure. I may move outside the jurisdictions after graduation.

Usage of fields

Using performance spaces, pools, natural areas and creative arts opportunities

We are happy to support programming

We could provide help with construction, maintenance, it fund raising.

We will work to inform residents of the plans and encourage them to participate.

We're here to stay to provide history and nostalgia.

Willing to serve. Need direction and long term goal and vision.

x

Question #10

Please list any issues of special concern or particular importance that you may have or feel the need to be addressed in the Plymouth Community Recreation Master Plan.

- Parking Concerns
- Speeding

- we should improve maintenance of sidewalks and trimming of vegetation on key walk/ run areas (i.e. Sheldon near tonquish Creek has poor vegetation management, sidewalks near and entering Hines Park near Wilcox lake are in horrible

1064 William St

1150 S Harvey St

1361 Sheridan ST

14590 Shadywood Dr.

47249 Stonecrest Dr.

A central community and recreational facility.

a safe walking/biking path for twp. residents to downtown Plymouth. It would also be useful to residents who live off of N. Territorial or in downtown Plymouth who want to walk to the Twp. Park via the adjacent subdivisions.

A pool

A public pool and a recreation center!

â€œPay to useâ€ membership as fundraising for non-Plymouth residents

Accessible to disabled, seniors and families at an affordable fee.

ADA compliant playground equipment!

Additional parks in the township, athletic activities that are very affordable and less competitive. Older kids and teens need programs too that are not super competitive or specialized.

After school activities at all the elementary schools would be good. It seems that there aren't many where my son attends (Bird). If there is a program at another school, I can't get him from Bird and get him to the other

Aging population, quality programs, services, and facilities

All ages

Already said them above-- Aquatics, senior fitness.

Already stated my opinions

paid for the construction of the Plymouth Cultural Center, which includes a single-surface ice arena. If the taxpayers built that facility then the arena should offer more to the community than just hockey. I'm sure the city is concerned with costs. However, if the facility doesn't serve the community at large it should be sold to a private owner who would run it as it is currently being run -- serving the desires of just one constituency.

Answer #2.

As a senior citizen on a fixed income, I will be opposed to ANY increased taxes to support this. It must be funded by private and business donations. I have no problem paying for any event that I would attend there.

Assisting in promoting and encouraging community members to financially support a large entertainment

Availability of Pool & Gym related activities.

Best place to live for not only families with children but also seniors. Often seniors are relocated not only for the better facilities

Bike paths would be great

biking around town. sidewalks stop and start for no reason. it would be great to have a way to walk or bike around the township with out having to be on the narrow roads

Bring back the fireworks

Bring back the fireworks, 4th of July party, snow machine.

c

Careful consideration needs to be taken before assuming a new recreational facility will make our community 'better'. Without this careful consideration, you could be attempting to spend our way into prosperity when in Cleanliness, security, maintenance.

Community involvement

Community swimming pools that are open to all- no joining fees- pay as you use the facilities.

Concern with services being located outside of the city.

Connect the neighborhoods to Hines Park. There is currently no pedestrian connector to the park. I must walk in the street with automobile traffic. What if I needed to push a stroller? Or a wheelchair? Or walk with children?

Connecting paths and walkways throughout Plymouth community

Continue to maintain existing parks. Provide non-motorized options for residents to access parks and facilities. continue to make programs accessible.

Continue to make progress on the improved cooperation between Twp and City. We own a business in the city (Colonial Veterinary Clinic) and live in the Twp, so both are important to us.

Cost – no additional costs for homeowners, no millages, nothing. If you want to add programs, make the people who want to use it pay for it. My tax dollars already support too much that I do not use – RESA, DIA, Zoo, for

Cost is always an important consideration

Cost, control, facilities

Cost, maximizing asset usage, planning 3,5,10 year vision

Costs to taxpayers.

create more open park space and maintain it.

Develop dog park

Develop PARC and keep the golf course open. I am constantly reading about how well Plymouth Twp is doing financially now with all of the recent growth, so both PARC and Hilltop deserve some attention for the overall

Develop strategy for safer bike riding from township to downtown

Development of green space, historical preservation and appreciation, joint community collaboration

Novi and Canton have done. Plymouth lacks these things and had not done anything to address it. township park, Miller woods, City parks are all nice but lack the size and scale of what surrounding communities offer their residents. better connectivity to Hines park system for township western residents (bike/walk to enter instead of driving in - see above ideas)

Do not require the non users of the facility to help finance them. Seniors can not afford to fund programs that they will not use. We do not get adequate raises in social security to fund additional services.

Don't sell the golf course for more development. Would be great to see it groomed for winter cross country

Easy access to all facilities for handicapped and elderly including paved walkways, convenient access to

Equal fees for residents of the city and township

Expansion and support of PARC, more parks and walking spaces in the township, maintaining the golf course

Families with special needs children to have places to meet and have their children participate

Focus on Adult/Senior uses

Football field, stadium and track next to Centrall Middle.

facility instead of patching together old building. Maybe keep some outer walls or front entrance to save the look and architecture.

Do not want old interior refurbished.

Free or affordable activiites. Letting the public know what is available and upcoming events.

Funding on an ongoing basis. If the PARC can not survive without township public funding then it should be allowed to fail. The people in the City of Plymouth should determine and be solely responsible for this facility.
Funding, public/private partnerships

Get rid of golf course and not sell off or develop any of the property. Land is our most valuable resource and once its gone, its gone. Expand the park to add more value to the community. There are plenty of other much
Get rid of the Golf Course. It is a financial Albatross on the community and only benefits a select few.
getting the city and township together to develop, implement and manage a plan that benefits everyone.

Green space preservation

HAVE ONE WEBSITE, MAKE IT A GOOD ONE, INCLUSIVE OF ALL PROGRAMS OFFERED IN THE COMMUNITY FOR SENIORS TO PRESCHOOL AGE. (The cultural center has a website, the PARC has several webpages, the Senior High school can mark a time when kids who "are not good enough" stop playing soccer, basketball or other sports. Finding ways to keep kids involved in intramural opportunities such as colleges have would be a start. Higher TAXES you government officials have done nothing but raise our taxes since you took office.

Hilltop golf course

Hilltop should at least remain a green space. Walking/running trails at least if phasing out course. No housing
How to use and maintain green spaces with two communities and promote being outdoors for kids/families
I am concerned about the PARC complex becoming a huge drain on community resources.

between the city and the township. I think these are mostly people concerned about increases in taxes--they don't want any of their taxes supporting the "other" group. It seems very political and mean-spirited, but they are organized and capable of spreading distrust.

I believe a separate survey should be developed to determine the interests of the senior community, of which I believe I did that above.

to those that exist throughout Canton and Northville. Northville Township has paths along Sheldon and Beck Rds. that connect the subdivisions to the city of Northville. Construction of a similar path along North Territorial Rd. could promote active living through walking and biking from western subdivisions to the City of Plymouth. do not want to be responsible for paying for any additional services or facilities. There are enough private programs throughout the community. It is NOT the tax payers responsibility to fund programs. The township park is enough--I don't even think the new pavilion needed to be built.

I don't think the area can support a new theater. There is too great an expense and not enough parking. I think it is over-reaching. The building renovations should include a theater, but I am not in favor of a new

I don't want want to see anything on the ballots for increasing our taxes to pay for combined programs. Keep us separate - just like our police department, fire department, etc is.

I feel it is unfair that the Township let's GCYBSA control the baseball fields in Township park

I feel that we need to think about out seniors but also remember that we are strongly recognized as a family (Plymouth Township Park). I would really hate to see the Golf Course disappear, especially if new homes are built in this area. We enjoy the quiet, charming feeling of this area and would hate to see it continue to be developed with new homes.

I have a concern that the park employees are not being supervised and more could be done to make were younger. Central Middle School was always a major concern with the district due to the age of the facility and the layout. The District was very right in closing the building. Maybe part of the building can be saved, but I don't think future generations should have the expense.

I live in the city of Plymouth and pay a lot in taxes if this involves them going up I am not interested

I love how the city and twp are working together finally

provides more play opportunities than the standard large plastic play structures. The quality of the "grass" needs to be improved at Kiwanis Park, it is all weeds and dirt. The partial grading & seeding done last summer didn't work because it was done during the hottest part of the summer and not watered. Turf or irrigation would provide a better long term solution.

I think there should be a paved path from downtown to township park, so residents can have a safe way to get I want to know how these projects will be funded and what portion will be passed on to residents via taxes. I'm not opposed to a millage or tax increase, but I want to know that what I'm paying will address my needs and the in the City there is an increase in people bringing their dogs to the park. I have witnessed many dogs relieving themselves in the park (on the grass, light poles, bench legs, trees) and then watched young children playing barefoot in the park and sitting on the contaminated grass. Also, I think you should prohibit people from playing in the fountain. I think that is unsanitary and dangerous.

I would like to see more public tennis courts available around Plymouth.

I'm not familiar with the plans that are in place.

If Hilltop golf course closes, the land must be preserved for recreation purposes and not sold or developed. It is great for cross-country skiing and snowshoeing. Many other opportunities exist for this beautiful piece of land

If Hilltop golf course is going to close it would be nice to see more outdoor park space for the Township Park Beck/AATrail/Powell. With new condos already going in near the entrance to McClumphia Park--that area is going to become even more congested with traffic. Right now, it feels like that area is just on the edge of heavy residential--it starts looking like rolling countryside. That area serves as a beautiful segue/transitional point from city to country. Why muck it up to look like congested Canton?

If it is decided to close the golf course, the land should be kept as a park. With walking trails, sledding hills, disc that are better) then we should be looking at how better to use that land to benefit more of the Township residents and possibly a money maker if we offer service to non-residents at a cost or a higher cost. One idea could be cross country skiing in winter.

If the rehab of Central doesn't work....I worry about where all of the users will end up. We need to encourage entrepreneurship, sports, hobbies, healthy lifestyles!

I'm very concerned about the proposal to pave so much green space behind PARC. I think this robs the community of precious practice field space AND creates unnecessary water management issues in an area that Inclusion of children and adults with disabilities

Indoor and outdoor pools

Indoor recreation center

Indoor walking path

It is very important to preserve green space and not let too many large houses to be built.

It needs to be a balance of Government money and membership money. It should be a plan cater to all age groups but should be gear to providing a healthier life style.

Just to be clear, we do NOT need an ampitheater at McClumpha Township Park. However, the new year-round facility at the top of the sledding hill was a great idea. Have been to a few events there and it is great.

The township need to keep their distance from the city of Plymouth, the city is broke, they can't even pay in full the legacy costs for when they pulled out of the joint fire department. All the city wants is the township taxpayer money to bail them out again.

Keep Hilltop.

Keep the small town feeling going. Restrict number of bars in the downtown area.

Keeping and improving Hilltop golf course

Kellogg Park's turf and infrastructure needs to be upgraded to handle the wear and tear of all of the events.

Need to focus on more than just the fountain.

Lack of indoor facilities

Lack of public transportation issues, as mentioned earlier, both within the community, and in tying in to the

Leadership and taxes!

Long paved walking trails

Love the ADA play structure at Township park!

Maintaining Green space for team sports practices. More collaboration with school district to share resources,

Make sure everything is handicap accessible

McClumpha Park needs attention. The new parking lot is a disaster. It should also be dog friendly, except in

Monitor teenagers & young adults from hanging out in parks & drinking alcohol!

More public green spaces in township. Better, safer, neighborhood sidewalks for walkers/runners and bike lanes for bikers. More amenities for east side twp residents.

More sidewalks so we can safely bike from the township to the city. Would love more bike paths, walking paths.

My biggest concern is the cost to support changes. I live in the Township and we moved here vs the city for lower taxes. I do not want my taxes to increase. I would rather see the improvements funded from grants,

N/a

n/a

NA

Need community health club with indoor pool and walking track.

Need community rec center for both indoor and outdoor activities (see Livonia and Canton)

Need for more field space.

Need marked bike lanes in and around the downtown area. Designated bike routes in and out of town would

Need to address access to parks and recreation for all members of the community as well as support for arts and culture. PARC offers numerous programs for people of all ages and is centrally located to serve residents in both

Need to expand and upgrade hilltop golf course

Need to make current state & future proposals openly communicated. Residents should be solicited for ideas, ideas put out for comment, w resident vote on which ideas make the short list for design & implementation.

NO ADDITIONAL TAXES TO FUND ANY RECREATIONAL PROGRAMS. All new programs should be "Pay to Play" if

No continuous jogging or bike paths in the township. No ability to safely bike from township into downtown.

No duplication of services provided currently.

NO new tax for the projects.

NO NEW TAX.

No new taxes

No new taxes!

No new taxes.

NO NEW TAXES. WE ARE ON FIXED INCOME AND WILL VOTE AGAINST ANY RECREATION TAXES.

No opinion at this time.

No tax increases to support programsâ€”choose wisely what is planned.

No taxes raised to accomplish this.

None other than stated in previous answers

recreation). However, they are often linked. The obvious synergy is for people to walk, bike, or run to a park; but people could do those same activities without ever entering a park. It is important that we recognize that recreation happens in public spaces other than parks, and support it as a way of enabling more people to recreate within our community.

Not have a pool bathroom that smells moldy.

not jacking up the price years down the road b/c of mismanagement of funds. A good budget needs to be sound nothing

pedestrian and bike path (separate from car traffic) along Wilcox, across Hines and into Old Village. Too dangerous along Wilcox otherwise, and this is the best connection between the 800 homes in Lake Pointe, plus the thousands of other residents in that area, and the city of Plymouth.

Other cities offer more outdoor activities at their parks, such as cross country ski trails, just a thought.
Our taxes are too high already. This survey smells like the first step in trying to get the township to fund PARC.

Outdoor pool

Parking and how events impact the surround area.

Parking for locals to participate in local events vis-a-vis out-of-towners.

PARKING! There needs to be better options without a 2 hour limit. It often takes 2 plus hours to get a table and

Partnership between the township and city is very important.

Communication about offerings and how to sign up is needed.

Communication about how to reserve park space needs to be better, and the hassle-factor needs to be significantly decreased. Fewer restrictions and more online access would be great.

Pedestrian crossing to cross Sheldon at Junction.

(overhead or street level requiring traffic to stop if flashing). Provides better access to Arts council, PARC,

Cultural center, Auburn playground for New England Village sub.

Places to swim in summer, family-friendly facilities (clean bathrooms, changing areas, concessions), affordability.

Please bring back the fireworks for fourth of July

Please do not put any more concrete or play structures at the nicest park in the area, Plymouth Township Park.

It's more pleasant to walk around greenery than huge parking lots.

Please support PARC.

Possibly getting out of the golf course business. Not a good revenue generator for the county. Property could most like be used for a better purpose for more members of the Plymouth area.

Golf is a fairly small section of the community at large.

Pre-teen and teen services

Programming for young senior adults.

Quality of the old Cental middle school

recreational facilities for children

Repurposing Hilltop Golf Course to hiking and biking paths is a great idea if it can be done without raising taxes. I

DO NOT support raising taxes for PARC! Let those who use PARC pay for it.

Safe bike riding, complete streets

Safe biking and running

Safe pedestrian accessibility. Please consider cross walk and/or pedestrian activated light at McClumpha/Ann Arbor Trail for walkers to cross into Plymouth Township park safely.

safe walking paths for everyone.

see above

SEE ABOVE #5

See above comments on PARC. This is a very bad idea to build something that losses money in every other

Senior travel, events, activities. We are not decrepit, old thinking people, we still like to do fun things. Whittling

Sidewalk access!

Sight lines/Crime Prevention Through Environmental Design, traffic calming strategies near some parks

Special needs considerations and an aging population

STOP and/or at least SLOW DOWN the development of our communities - both downtown and particularly the Township. The Township has taken a "money above all else" approach to building a healthy community, and it's Stop commercializing everything and ruining the small town feel! That monstrosity they want to build in place of Saxtons is awful and does not fit with the surrounding areas. Parking decks are not attractive. Figure out how to

Stop wastng money

Stopping the deforestation of the area and adding native trees and plants to offset the overdevelopment

Swimming pool and theater venue and gyms at PARC are much needed.

Tax increae

reduced incomes from their automotive employment days, and who will be resistant to tax millage requests. With a growing tax base and a favorable investment climate for existing funds, the need for more money from the residents will have to be clearly demonstrated.

Tennis court preservation.

Test

The City Recreation Office should be open all day; the website needs to be updated; family data needs better management; children should be given spots on teams: in REC leagues in our small communities, there should be The community needs more hiking trails. As a relatively new member to the community, I talk to other newcomers and we miss the hiking trails available from our former homes.

The golf course area should be transformed into general recreational use. I fear that the Township leadership will sell it for private use (residential) , which would be a huge mistake. The land is a gem for the community. The PARC project is a wonderful opportunity for the community.

The township and city are over developed. Creating and maintaining green space is crucial. We are losing property value and being subject to law suits due to the flooding the over development is creating.

Please do not further develop it. For instance, there is NO need for an amphitheater there. It is PERFECT right now. Just make sure that the maintenance stays at this level and we are good. Keep up the good work at that park, it is the best, I appreciate it!!

The use of Kellogg Park. Parking issues created by the influx of visitors to the major events. We need more parking. (a second story on The meeting house lot or Saxton lot?) An outdoor community pool/ water park. There is no funding for programs for the seniors. The budget is made up of grants and donations from the board There needs to be more than maintaining expensive/costly athletic fields for youth and children.

Township and city must think and work as 1 re recreation.

Trails

Upgrading Hilltop but preserving the courses. It's a great place that needs to be kept for golf

Want to see the plan account for people who would like to age in place.

go unused by bikers because they don't like sharing with walkers and they don't like the major bumps in the paths. Paths need to be radiate from several directions and should not all be focused on the western side of Plymouth.

We do not need a private theatre built and maintained with public money. Lets be realistic in knowing that the PARC Theatre group really wants a home for their symphony to play in. While that would be great. It should be We don not want to enter into a partnership with the city of Plymouth. The joint fire department deal should provide the Township with enough history to know the city wants something and they want the township to pay improve housing values and increase local business. I'd hate to see this opportunity go to waste on making only some minor renovations to the existing PARC building, which is what I'm worried will happen. Make sure that parking and traffic flow issues are addressed in the process and we'll be good to go.

manage community recreation jointly. Our trepidation arises from the past attempt at joint fire and emergency services. Emergency services are much more important than recreation, and we can't jointly work through the important stuff, recreation should wait.

Before attempting joint recreation, Plymouth Twp and Plymouth City should work together to resolve the issues such as the pension costs for firefighters.

Once P & P (P squared?) can prove resolution on past fire services, we would support a joint recreation program if:

1. some type of arrangement like an independent, elected board would have authority over the joint program or

We need a dog park!

We need a river walk like the rac, I drive 1/2 4 to 5 Times a week to use river walk at rac. The one in canton is

We need more trees in the parks and on our streets so people can connect with nature and provide beauty. While I think a performing arts place would be great, I think recreational needs for kids is more important. While I am glad that downtown Plymouth is a safe place for kids to hang out, I would like to see more opportunities for While the arts may not be a direct part of the parks and recreation plan the arts have been seriously neglected over the years in the Plymouth Community. The old Central Middle School offers a tremendous opportunity to Would be nice to have the fire works come back. That was a great community event. Would greatly appreciate adding at least one outdoor public pool. Local swim clubs charge too much. I grew up on Dearborn, and always thought the outdoor public pools were a wonderful addition to the community. Would like a facility similar to Summit or Livonia rec Ctr. Would like to see more bike path lanes and walking trails. Would like to see Township park have more things to do year around that the City cannot provide. Would love to see plymouth granted whistle free zone for trains. Added benefit is the requirement to make the crossings safer and there are federal grant funds available to make this happen

x

those who have "œan axe to grind" or are very passionate about a limited topic. The results of all these open-ended questions will be very time/consuming to code and analyze. You should do qualitative first (e.g., interviews, focus groups) that gives you the responses for your close-ended questions. Then just have 1 open ended question such as "œare there other topics...". I work in research as you can likely tell - I'd be happy to help and would even do some hours pro-bono as my company (United Health Group) encourages and rewards Youth summer programs that address all-day activities

Question #11

Any additional comments?

A new Theater that has been positively presented could also be used for Town Hall lectures and lunch that Again, I do not use any of the Plymouth facilities.

Any additional funds that are required should be provided by charging the users of the facility.

ANY VOTE ON TAX INCREASE MUST ONLY HAPPEN DURING A MAJOR ELECTION DAY, NOT ON OFF-YEARS, TO ENSURE A FULL AND REPRESENTATIVE TURN OUT.

will help promote community jointly. creating City access to McClumpha via walk/Bike is an easy start along AA trail. then work to create more recreation/fields/nature/park facilities in the west and continue that connection along a corridor between City and township. Note I live in Trailwood so I have good access to City via walking. McClumpha access is "OK" but needs better public access from south side of AA Trail (Cross-walk, flashing light, proper side walk extending to park entrance as you walk in from McClumpha road, etc. you have a sidewalk into the park from west that does requires people to walk into traffic and on the entrance road to get in - this is a major safety issue and jsut poor design.

others in community out N.territorial or AA road have no real access back into the community except via car - this is a major issue that leaves a large amount of people (AND \$\$\$\$) isolated out west and likely to just drive elsewhere just as much as into City - if they have to get into their cars anyway, why not drive to Canton or Northville for dinner or entertainment?

also consider making a better path/stairway up the hill at Township park for use with winter sledding.

As much as I love the idea of the PARC (especially building a nice theater!) I will not be able to justify voting for a millage hike. Our taxes are insane as it is.

Avoid political and bureaucratic road blocks that impede progress and waste the tax payers money...!

Be happy to help and support planning committees if requested.

Before major developments are instituted, they should be voted on by local residents...not by a few persons on the DDA committee.

beware of budget bloat; city of Dearborn overspent by \$30 MILLION on a replacement rec center in previous decade; please don't let this kind of thing happen in Plymouth/Twp.

Bike safety is always a concern. Growing in popularity, and a great way for young people to get to and from the downtown area, especially with crowded streets and parking during summer events.

c

Do not raise taxes

Dog park please :)

Find ways to use existing land and facilities without increasing taxes.

G and

Given that the Plymouth/Canton area shares such strong ties through the education system, we should look to opportunities to provides recreational services through the school district.

great idea.

Hilltop golf course is a jewel...don't turn it over to commercial development or non golf uses

Hoping the plan is carried on.

I absolutely love the Plymouth Library and my family greatly benefited from our kids' participation in the Youth Soccer League. We're proud of Plymouth and Plymouth Township. Love the area and hope to preserve its

I believe the parc building is agood idea, but I have a issue with tax dollars being used for it if the building is

condos. And I understand their priorities to make it self-sustaining by charging rent to tenants, etc. But the city should accept some financial support, perhaps by renting space there, so that Plymouth has decent recreation facilities for all its residents, city and township. I will willingly pay a modest millage increase for better recreational facilities, as well as reasonable usage fees. I support the improvement of PARC facilities and the plan for a theater / auditorium, but also believe recreation facilities are very important and desperately need to be upgraded.

I have no idea why we are doing this again. I filled out a survey last year or the year before. Stop trying to raise taxes. Stop trying to expand recreation. Look where it got Canton. We do not need any additional parks and rec programs and we specifically do NOT need an 800 seat theater.

I have said for years the city/Twp need to have some type of recreation center for families to be able to utilize. Pool, water slide and water park would be awesome.

I know it's important to keep the youth active and involved, but I do hope that seniors are not forgotten as it's just as important for us to remain active, involved and engaged in a varied number of activities at an affordable I love how the city and twp are working together finally

I love our city and am very happy with the variety of events it offers. Art in the Park, the concerts, Ice festival, Pumpkin Palooza, Festival of Trees, scarecrows, year round lights in Downtown Plymouth, etc.

I noticed that Golf is not listed in "Activities Members of Your Household may be interested in?" WHY was this omitted??

I think it would be fun to have tours to other parts of the country offered by the rec dept.

It would also be fun to have "video tours/presentations" of other parts of the country/world.

I think Plymouth could do a touch-a- truck or other hands-on event for children that would be a big hit! South Lyon does this with fire trucks and creates a temporary splash park. Always a big hit!

I wish the city would limit the number of events in Kellogg park (weddings, church meetings, fundraisers for various causes). I think its hard to maintain the grounds with all of the activities and it contributes to the parking problem in the city. Also, as a city resident it can be hard to enjoy the park when its occupied by so many events.

I wish we could take dogs in the township parks. Since it is not allowed, a dog park would be nice.

I wonder if the Plymouth government could negotiate with the Canton summit to bring us in under the "resident" pricing. Perhaps some annual donation or exchange for some other Plymouth facility offering would

I would like to have escorted day bus trips to cultural and historical venues. Examples: DIA, Fox, Fisher and Purple Rose theatres, lunch, museums (indoor and outdoor) ballgames, etc.

I would love to see easier ways to get to parks without having to drive there. I am less than 2 miles from Plymouth Township Park and there is no easy way to get there so we drive.

If you have more field space, make sure that you have properly trained and enough staff to operate the fields. Haggerty Road Soccer park has never been maintained properly.

Is that a private park off of Evergreen south of Ann Arbor Trail. If it is public, it should have more use and be developed for the citizens of Plymouth and not for the private enjoyment of the rich of Plymouth.

I'm concerned that the current board has been influence by political contributors who supported their campaigns all for the opportunity to get a millage vote in front of the residents. I'm 100% against this proposal

I'm for the improvement of Parc, but against the auditorium

If the auditorium portion of Parc is table, I might be for a millage

I'm very happy with the investment in mcclumphapark in the last year. BRING BACK THE SNOW MACHINE! :)

In areas of need below you forgot individuals with disabilities. There needs to be some attention given to this In general the parks are kept up well and it is a huge benefit to living in Plymouth.

Is there a complete list of what's available in the Township?

It absolutely sickens me to see the current Twp Supervisor and administration so supportive of the PARC and thinking it's a good idea for both communities to support it financially. PARC is a PRIVATELY OWNED AND OPERATED BUSINESS. Therefore, it should be privately funded. It is not a part of the township and doesn't really benefit township residents anymore than Lifetime Fitness does on Ann Arbor Rd.

Keep plymouth township taxes low no joint programs like PARC or an orchestra hall needed. Why is golf not listed in your activity my senior league loves the hilltop course 24 township voters

Keep the golf course

Keep the politics out of it. Too many failed politicians in our community are always undermining our efforts to improve public safety and quality of life. They do not speak for the majority.

Keep up the good work

Livonia's park system puts our lack of facilities to shame.

Love the township and city and want to live the rest of my life here as an active and vital role in the community.

Marketing and advertising what is available for everyone.

Maybe use leisure and recreation to expose Plymouth to more diversity.

More emphasis on public art is needed in city and twp and on buildings/landmarks of historical significance.

N/A

n/a

N/A

No

no

No

No

No

No

No

NO NEW TAX.

No new taxes

No new taxes

No new taxes.

No new taxes.

No. Thank you for this opportunity.

None

Our parks could use some new signs. Lions park sign is very old and the paint is peeling off.

good variety of amenities. I just wish that there were more public tennis courts available at some of these wonderful parks, like in other nice cities like Ann Arbor and Northville. Tennis is a terrific lifetime sport with great health benefits, and public courts seem to be in much more demand than soccer fields or baseball diamonds (almost never in use).

PARC - city of Plymouth has a well-publicized parking problem. If a theater with 800 seats is being looked at, where are all these people going to park They are not going to walk there.

PARC is unneeded, and an expense not wanted!

PARC must have a prominent presence in the Master Plan. Preservation and renovation of the existing facilities and the addition of a performing arts center clearly offers the greatest short-term and long-term opportunity to meet the vast array of needs in the community.

Part of our Community Recreation Plan needs to comprehend, recognize and integrate golf activities. I am disappointed that golf was not listed in the selection of activities (#13 below). We have a very appreciated golf facility in the community and the benefits need to be recognized. I applaud the efforts to develop a joint recreation plan as the benefits to the Plymouth Community cannot be overstated. Keep up the great work!!

Plans to build an 800 seats theaters at the PARC? WHERE ARE THESE PEOPLE GOING TO PARK?

Please allow dogs in the Plymouth Township Park. On leash only, of course.

For questions below, I would say that rather than "need," "opportunity" exists to expand and improve.

Please put forth more of an effort towards the community programs. Search for great teachers and coaches.

Put money into building! This is a good town but it could be great!

Preserve our woods and quit destroying.

Private sector, non for profit groups should not use taxes for capital or operations unless given administrative
QUIT WASTING TIME AND GET THE PARC OPEN FOR EVERYTHING IT HAS PLANNED.

Review opportunity for uninterrupted exercise trail around Plymouth Township w connectors to parks, schools, large churches & downtown Kellog Park. Should be marked, wayfinding, lighting, maintained, & safe.

Stop trying to waste money

Take an ownership in Hines Park as it binds Plymouth, Plymouth Twp, Northville Twp and Livonia. Why not partner with Wayne County and make this a Jewel and the envy of all within the Rouge River drainage!

Thank you for considering the residents input. :)

Thank you for FINALLY giving me a place to share my opinions on recreation... been waiting for this opportunity

Thank you for soliciting feedback from citizens.

Thank You for soliciting input.

Thank you for taking this on.

Thanks for the opportunity to provide input

The classes for lego bricks are not very good.

The children have 90 days off for summer. The city needs a ton more activities and options for these children.

The loss of a downtown venue for the city and the township would be drastically detrimental for the City and the Township. We need to keep it current, and that doesn't mean destruction of the old and building

The PARC is a tremendous asset.

The staff you have in place at the Cultural Center is always professional and willing to go the extra mile to make things right from the people at the front desk to the concession people. Everyone is very positive.

source of uniqueness. I read somewhere that the Township Supervisor stated "it's not the Townships job to put on a fireworks show." I disagree - it's the Townships job to build and enhance civic pride and community. It's the Township's job to create a community that friends and neighbors, near and far, remark on what an amazing community we are so fortunate to have found. One big event, full of pride, togetherness, and community - it's a travesty it was not recognized as such.

The Township needs to get behind the PARC program as this is a low cost place to start. The Township, in conjunction with the City of Plymouth, should rent space at PARC and sponsor serious senior and family

The use of the golf course and protection of this property for its green space is critical to begin to rebalance the over development of homes/pavement in the township. Get a new engineer, the current has allowed development to create major flooding of many subdivisions around the course, speaking personally of Walnut Creek, Beacon Hills. The continued approval of paved surfaces, roof tops, IE, new homes, must stop.

Why isn't GOLF listed in question #13?

Why isn't Ice Skating listed in question #13?

There are many amazing recreational opportunities in the Plymouth area already and I am excited to see the possibilities expand with both communities actively working together.

these programs able to function better and attract more potential users or audiences is essential. In other words, there are lots of groups out there, but more could be done to help them grow and meet the needs of a larger number of citizens. There is a lot going on that is very accessible to adults in the summer, but in the winter it is a different story.

There will be a push to levy a millage to implement the results of this survey. Please be aware that you will encounter fierce community opposition if you go down this path. We already pay way too much in property taxes for poor support from Wayne County, the ERISA school funding millage that was voted down here but still tacked us with hundreds of dollars of additional property taxes, a possible Plymouth Township "Safety" Millage, and a possible Regional Transportation Millage NO MORE PROPERTY TAX INCREASES!!! There is much that can be accomplished without seeking additional funds. Go down this path instead. Thank you.

Think before you spend. I can get a monkey to pull a lever to propose an increase in taxes. The board is tasked with the responsibility of making careful, fiscally responsible, and hard decisions. Do so.

This survey was primarily focused on programming. I think equal consideration should be given to updating, modernizing and enhancing existing facilities & recreational offerings at these facilities.

Traverse city has an outdoor area called "Fleet street" it would be wonderful to consider something like that for Saxtons instead of a parking structure.

Utilize opportunities at PARC. Would like the pool and locker room area fixed up

We do not need an amphitheater, the 4th and f July event last year was awful

We do not need any additional venues, such as the 800 seat hall proposed by some. Enough is enough!

We have lived in DTP for 15 years and are so glad to finally see the communities coming together share resources and make the quality of life here even better. Also want to extend our gratitude to the PARC founders and funders...what they've accomplished is absolutely incredible, and I think their greatest "thank you" our community could give those imaginative, diligent, and persevering folks is to fund PARC to be a both historic and modern first-class amenities center that will be the crown jewel of a joint Plymouth parks & rec program.

We love going to parks all spring and summer

We need a brand new, state of the art aquatic center. The one we have now is an embarrassment to our the ACE Hardware or NAPA Auto Parts stores when making small purchases because it allows me to get in 30 minutes of round trip bike riding in less time than if I had driven to the stores and biked the same amount of time separately. We should look at facilitating trips like these within our community as a way to increase access to recreation.

Whatever changes occur can not increase taxes!

Why doesn't Question 13 list golf? This appears to be a biased survey.

why would the township consider selling the golf course to put in more expensive houses rather than work together to have a wonderful golf course for the community?

Give it up and leave our lovely community rest in piece and enjoy the lowest taxes in thee area. As I read through your list below many of the list of activities below they are provided by city school system and Schoolcraft college and the library and township

Question #12 (Optional)

How great is the need for the various types of programs listed below.

Rate them as adequate services already exist, some need exists or a great need for additional programs exists

Senior Citizens

Great Need Exists	164

**CHARTER TOWNSHIP OF PLYMOUTH
BOARD OF TRUSTEES
REGULAR MEETING
TUESDAY, FEBRUARY 13, 2018**

**ITEM F.3
NEW BUSINESS
MUSCO LIGHTING CONTRACT
DAVE RICHMOND – KEVIN BENNETT
*RESOLUTION #2018-02-13-06***

CHARTER TOWNSHIP OF PLYMOUTH REQUEST FOR BOARD ACTION

MEETING DATE: February 13, 2018

ITEM: Approve the purchase agreement with MUSCO Sports Lighting, LLC for Ball Diamond #4 and Parking Lot Lighting at Plymouth Township Park
Resolution #2018-02-13-06

PRESENTER: David Richmond, Spalding DeDecker

BACKGROUND:

Plymouth Canton Little League was awarded a lighting package for a little league ballfield from MUSCO Sports Lighting, LLC. The league is donating the lighting package to Plymouth Township to be used on ballfield #4, the only field without lighting. At the December 12, 2017 Board Meeting, the contract for the installation of the lights was awarded to Airport Lighting.

MUSCO Sports Lighting, LLC has issued a purchase agreement for the lighting package which includes the donated lights for ballfield #4, upgrading the lighting package to LED and providing two lighting fixtures for installation in the parking lot.

ACTION REQUESTED:

Approve the purchase agreement with MUSCO Sports Lighting, LLC, subject to approval from the Township Attorney.

RECOMMENDATION:

Approve

PROPOSED MOTION: I move to approve Resolution #2018-02-13-06 to approve the purchase agreement with MUSCO Sports Lighting, LLC, subject to approval from the Township Attorney.

Moved By _____ Seconded By _____

ROLL CALL:

___ Vorva, ___ Dempsey, ___ Heitman, ___ Clinton, ___ Heise, ___ Curmi, ___ Doroshewitz

7. EQUIPMENT DESCRIPTION – Musco shall sell, transfer and deliver to Buyer, and Buyer will purchase, accept and pay for the following goods (the "Equipment") in accordance with the "Total Price" paragraph of this Agreement. Musco's lighting system consisting of:

Light-Structure System™ Foundation-to-Poletop Lighting System

- 4 – pre-cast concrete bases
- 2 – 60ft galvanized steel poles
- 7 – 60ft galvanized steel poles
- 20 – Total Light Control™ TLC-LED-1150 factory-aimed and assembled luminaires
- 1 – Control-Link® Control & Monitoring System
- Electrical component enclosures
- Pole length wire harnesses

Supplemental Lighting

- 8 – OSQ Area Luminaires
- 2 – 40ft Soft-square Poles

Built to the following specifications:

- Ballast Input Voltage: 480
- Phase to Pole: 3 Phase
- Structural Integrity: Based upon IBC, 2012, 115MPH, Exposure C

8. RESPONSIBILITIES OF THE BUYER AND/OR THIRD PARTY – Buyer/Third Party agrees to:

- Confirm supply voltage required for lighting system.
- Provide confirmation on pole locations.
- Provide electrical design and materials for electrical distribution system.
- Provide labor and equipment for installation of electrical distribution system.
- Provide labor and equipment for installation of bases & poles.

Purchase Agreement

Date: December 18, 2017

Project Name: Plymouth Canton Little League

Project #: 107597

9. **MUSCO SERVICES** – Musco agrees to provide design and layout for the lighting system. In addition to the purchase and sale of the Equipment, Musco agrees to provide, itself or through its subcontractors, the following (the "Services"):

Control-Link customer support services: commission the system; monitor and report system alarms; provide automated facility management reports; provide on-off schedules via website, email, phone call or fax; and provide technical support 24 hours a day, seven days a week.

10. **CONSTANT 25™ WARRANTY & MAINTENANCE PROGRAM (the "Warranty")** – Musco shall provide parts, labor and services as outlined in the Musco Constant 25 Warranty Agreement to maintain operation of lighting equipment included in the Equipment for a period of up to 25 years on the following terms:

- **Warranty Service Begins:** On the date of product shipment
- **Expiration Date:** 25 years from date of shipment.
- **Monitoring, Maintenance & Control Services**
- **Light levels** – shall be guaranteed for 25 years
- **Spill Light Control** – as specified in Musco design documents
- **Energy Consumption:** System Average 23 kW

Area of Lighting	Number of Luminaires	Target Light Levels	Estimated Annual / 25 Year Estimated Usage Hours
Softball 1	20	50fc Infield 30fc Outfield	300 / 7,500

11. **TOTAL PRICE** – Buyer will pay for the above-described Equipment and, if applicable, Services the Total Price of \$40,820.00 plus applicable taxes, payable as follows.

- \$10,205.00 due with order for pre-manufacturing engineering and design
- \$30,615.00 plus tax C.O.D. – (Cashiers/Certified Check)

A copy of the payment and performance bond (if applicable) is required prior to shipment.

Monthly progress invoicing and payments will apply.

Final payment shall not be withheld by Buyer on account of delays beyond the control of Musco.

Price includes delivery to the address indicated in item #4 of this Agreement. Price does not include sales tax, unloading or installation.

Payments not paid when due are subject to a carrying charge for each month past due or will be pro-rated for the portion of the month there is an unpaid balance. Carrying charges shall accrue in the amount of one and one half percent (1½%) per month of any overdue unpaid balance, or the maximum rate permitted by law, whichever is less.

Source of Funds:

Buyer may not hold back or set off any amounts owed to Musco in satisfaction of any claims asserted by Buyer against Musco. No partial payment by Buyer shall constitute satisfaction of the entire outstanding balance of any invoice of Musco, notwithstanding any notation or statement accompanying that payment.

The Total Price was calculated utilizing parameters outlined in the project specifications. In the event soil conditions vary from those relied upon, or if the soil cannot be readily excavated, Buyer shall be responsible for Musco's additional associated costs, including but not limited to the cost of design, alternate foundations, additional materials, and labor.

Project #: 107597

12. **TAXES** – Buyer shall pay all applicable state and local sales taxes, use or any similar tax invoiced appropriately by Musco.

Taxable Non-Taxable (Copy of resale or exemption certificate must be attached. Note: Just holding a sales tax permit does not, in and of itself, qualify for a non-taxable sale.)

13. **PAYMENT/PERFORMANCE BONDING** – Is there a bond on this project? Yes No

Principal Bond Holder:	
Bonding Company Name:	
Bonding Company Address:	
Bonding Company Address	
Phone Number:	
Bond Number:	

14. **DELIVERY** – Normal delivery to the shipping address indicated above is 6-8 weeks after submittal approval or release of order, if later. If the Equipment is shipped in multiple lots, Musco shall prepare a separate invoice for the price of the Equipment shipped at the time of each shipment. Buyer shall pay the amount of each such invoice upon the same terms as set out in the "Total Price" paragraph of this Agreement.

All deliveries shall be made by means of a common carrier or some other reasonable means chosen by Musco. All risk of loss to Equipment sold shall pass to Buyer upon delivery by Musco of such Equipment to the shipping location indicated above.

Delivery is subject to Buyer maintaining credit satisfactory to Musco. Musco may suspend or delay performance or delivery at any time pending receipt of assurances, including full or partial prepayment or payment of any outstanding amounts owed adequate to Musco in its discretion, of Buyer's ability to pay. Failure to provide such assurances shall entitle Musco to cancel this contract without further liability or obligation to Buyer.

15. **NO RETAINAGE/WARRANTY** – Buyer acknowledges payment in full is required within the agreed terms. Warranty claims and back charges shall not be deducted from contract payments without prior approval of Musco's Warranty Department (800-825-6020). Musco's Equipment and its performance are sold subject to Musco's written warranty. The Warranty provided by Musco shall be in lieu of all other representations, warranties and conditions of any kind, in respect of the Equipment or the Services and Musco disclaims any other representation, warranty or condition whatsoever, whether written or oral, express or implied, statutory or otherwise, including, but not limited to, the implied warranties and conditions of merchantability and fitness for a particular purpose.

Buyer acknowledges that any warranty and/or maintenance guarantee contained within payment/performance bonds issued on Musco's behalf pursuant to this Agreement and the corresponding liability on behalf of the issuing surety shall apply only to the first 12 months of any warranty and/or maintenance obligation of Musco specified in the written Warranty to be delivered to Buyer. The balance of any warranty and/or maintenance obligation greater than 12 months shall be the sole responsibility of Musco and shall not be guaranteed by a third party.

16. **EXCLUSION OF SPECIAL DAMAGES** – In no event shall Musco be liable for incidental, special or consequential damages, including without limitation lost revenues and profits, in respect of this Agreement or the Equipment and, if applicable, Services provided hereunder.

17. **LIMITATIONS PERIOD** – Unless otherwise specified in the Warranty to be delivered to Buyer, any action or proceeding against Musco arising out of or relating to the Equipment or Services will be forever barred unless commenced within the earlier of: (a) one (1) year after delivery of the Equipment or if applicable, completion of the Services; or (b) the period prescribed by the applicable statute of limitation or repose.

18. **INSURANCE** – From and after delivery, regardless of the pending performance of the Services, until such time as Buyer has performed in full all obligations contained herein, Buyer shall maintain adequate insurance covering the Equipment in accordance with generally accepted business practices. Buyer shall name Musco as loss payee until such time as Buyer has performed in full all obligations contained herein.
19. **DEFAULT** – Each of the following shall constitute a default (“Default”) under this Agreement: a) failure to pay, in full, any payment when due hereunder; b) Buyer becomes the subject of a bankruptcy, receivership or insolvency proceeding; c) any warranty, representation or statement made or furnished to Musco by or on behalf of the Buyer proved to have been false in any material respect when made or furnished; d) loss, theft, damage, destruction or encumbrance to, or of, the Secured Property or the making of any lease, seizure or attachment thereof or thereon prior to payment in full; or e) the occurrence or non-occurrence of any event or events which causes Musco, in good faith, to deem itself insecure for any reason whatsoever.
20. **REMEDIES UPON DEFAULT** – In the event of Default, Musco may, at its option, and without notice or demand: a) declare the entire unpaid balance owing hereunder due and payable at once; b) proceed to recover judgment for the entire unpaid balance due; c) exercise all rights provided to Musco under this Agreement. All the remedies described herein are cumulative, and may be exercised in any order by Musco. Buyer agrees to pay all costs (including reasonable attorney’s fees and court costs) incurred by Musco in disposing of the Secured Property and collecting any amounts owing hereunder, and such costs shall be part of the obligations secured hereunder.
21. **FORCE MAJEURE** – Musco shall not be liable for delays or failure to perform in respect of the Equipment or the Services due, directly or indirectly, to (i) causes beyond Musco’s reasonable control, or (ii) acts of God or nature, acts (including failure to act) of any governmental authority, wars (declared or undeclared), strikes or other labor disputes, fires, and natural calamities (such as floods, earthquakes, storms, epidemics).
22. **EEO COMPLIANCE** – When applicable, Musco and Subcontractor shall comply with the EEO Clause in Section 202 of Executive Order 11246, as amended, which is incorporated herein by specific reference.
When applicable, Musco and Subcontractor shall abide by the requirements of 41 CFR 60-741.5(a) and 41 CFR 60-300.5(a). These regulations prohibit discrimination against qualified individuals on the basis of disability and against qualified protected veterans, and require affirmative action by covered prime contractors and subcontractors to employ and advance in employment qualified individuals with disabilities and qualified protected veterans.
23. **CONDITIONS OF AGREEMENT**
 - a. **APPLICABLE LAW** – This Agreement shall be governed by the laws, including the Uniform Commercial Code, adopted in the State of Michigan as effective and in force on the date of this Agreement.

Project Name: Plymouth Canton Little League

Project #: 107597

- b. **EXPENSES/REMEDIES** – It is further understood that if Buyer does not make a payment as due, Musco has the right to forward appropriate notices or claims on jobs with owners, bonding companies, general contractors, or the like, as deemed appropriate by Musco.
- c. **ENTIRE AGREEMENT** – This Agreement, the written Warranty to be delivered to Buyer, and any invoice issued by Musco pursuant to this Agreement constitute the entire agreement between the parties and supersede all prior statements of any kind made by the parties or their representatives. No representative or employee of Musco has any authority to bind Musco to any term, representation or warranty other than those specifically included in this written Agreement or the written Warranty to be delivered to Buyer in connection with this Agreement. This Agreement may not be amended or supplemented except by written agreement executed by Musco and Buyer.
- d. **ACCEPTANCE** – This Agreement is subject to the approval of Musco's Credit Department and the written acceptance of this Order by Musco.

**CHARTER TOWNSHIP OF PLYMOUTH
BOARD OF TRUSTEES
REGULAR MEETING
TUESDAY, FEBRUARY 13, 2018**

**ITEM F.4
NEW BUSINESS
PURCHASE OF (5) POLICE VEHICLES
JON BROTHERS – DAN KUDRA
*RESOLUTION #2018-02-13-07***

CHARTER TOWNSHIP OF PLYMOUTH REQUEST FOR BOARD ACTION

MEETING DATE: February 13, 2018

ITEM: Approve the purchase of (5) police vehicles with Drug Forfeiture Funds in accordance with the attached specifications and for the specified purposes, Resolution #2017-02-23-07.

PRESENTER: Lieutenant Jon Brothers and Lieutenant Daniel Kudra

BACKGROUND:

We allocated money in the 2018 budget for the purchase of replacement police vehicles through the use of Drug Forfeiture Funds. It is our proposal that we purchase (3) patrol cars at a cost of \$88,619.00 and (1) Detective Bureau Car at a cost of \$25,663.00, all from Federal Drug Forfeiture Funds, Account #265.

In addition, we are requesting authorization to purchase a vehicle for the Detective Bureau/DEA from Federal Drug Forfeiture Funds/IRS (Account #266) in the amount of \$25,663.00.

We are requesting approval now so we can order the vehicles with an anticipated delivery in May of 2018.

Specifications for all vehicles are attached as well as a listing of the vehicles that will be replaced upon receipt of the new vehicles. All replaced vehicles will be auctioned off with the proceeds returned to the Drug Forfeiture Accounts.

ACTION REQUESTED:

Approve the purchase of (5) new police vehicles with drug forfeiture funds

RECOMMENDATION:

Approve

PROPOSED MOTION: I move to approve Resolution #2018-02-13-07 authorizing the purchase of five (5) 2018 police department vehicles in accordance with the attached specifications to be paid for with Federal Drug Forfeiture and IRS Drug Forfeiture Funds.

Subject: Police Vehicle Purchases, (2018 Budget)

Jon,

Attached you will find the information that you requested relative to new vehicle purchases for the 2018 budget. I have included the bid paperwork from Signature Ford, as well as the Macomb County Contract Bid paperwork. I have also included a document which spells out which vehicles we will be replacing, their mileage, original in-service date and what funds were used to purchase them.

For this years budget there was \$105,000 allocated from Federal Forfeiture Funds for the purchase of three patrol cars and we came in at \$88,619.00 (**\$16,381.00 under budget**). There was also \$32,000 allocated from Federal Forfeiture Funds for the purchase of a new DB car and we came in at \$25,663.00 (**\$6,337.00 under budget**). There was also \$32,000 allocated from IRS Forfeiture Funds for the purchase of a new DB/DEA car and we came in at \$25,663.00 (**\$6,337.00 under budget**). These prices DO NOT include the cost of up-fitting or the purchase of any police equipment that might need to be purchased for the vehicles.

When all is said and done, we will be under budget by \$22,718.00 for the vehicles purchased with federal Forfeiture Funds and \$6337.00 under budget for the vehicles purchased with IRS Forfeiture funds. Hopefully this is all of the information that Sandy will need to put this on the agenda for next weeks board meeting. Please feel free to contact me if there are any questions. Thank you.

Sandy,

Please include this email in all of the paper work for the board. It explains where the money is coming from our original budget presentation that the board approved. We estimated a little high on the cost of the cars during budget planning. Also the spec sheets say Macomb on the top but they are the same for us. It is all state pricing. The guy sent those over so we could see what we are getting on each car. Lt. Kudra will be with me at the board meeting to answer any technical questions.
